

Disannexation, aldermen, election May 6

On May 6, Salado voters will decide whether a large portion of the Village will be disannexed from it or will remain within the city.

Election day, polls will be open at the Salado Civic Center on Main St. from 7 a.m. to 7 p.m. May 6. Early voting ended on May 2 in the election.

The turnout in early voting has been heavy, with 582 casting ballots through the end of early voting May 2.

Salado Village Voice will post election results at saladovillagevoice.com as soon as possible after they are announced May 6.

The wording on the Village of Salado election ballot has led to some confusion among local voters, resulting in phone calls to the Salado Village Voice newspaper, city offices and questions to election judges.

The ballot measure states: "Shall the area described by metes and bounds in the petition on file in the Village Secretary's office be declared no longer part of the Village of Salado. For Against."

Residents have come by and called the newspaper office with questions about the wording of the proposition.

Here is the best answer we can give.

If you vote FOR, you are

voting to disannex the portion of Salado that is shown in the map that can be seen at the polls in the Salado Civic Center.

If you vote AGAINST, you are voting against the disannexation of that portion of Salado.

The word "disannexation" appears nowhere in the verbiage of the Proposition. The choices are not Yes or No. They are For or Against.

All voters whose registration is within the Village of Salado can vote in the disannexation election, not just the voters who reside in the disannexation area.

Also on the ballot is the election of three aldermen for two year terms. Seven candidates are vying for those spots and appear in this order on the ballot: Judy Fields, David T. Williams (incumbent), Fred Brown (incumbent), Andy Jackson, Christopher Tramel, Michael McDougal (incumbent) and Linda Reynolds.

Salado Village Voice has printed profiles and questions and answers with the candidates each week on Page 2A since April 17. All of those can be found online at saladovillagevoice.com.

Letters to the editor can also be found online and in our print edition.

Fallen peace officer memorial

The clay sculpture shown above memorializing fallen peace officers has been sent to the foundry to be cast in bronze. When the bronze is finished, the lifesize sculpture will be placed at the Bell County Justice Center in Belton. A dedication ceremony is planned for the fall. Saladoan Tim Brown has been working on the sculpture in the workshop at his home during his hours off of work as Bell County Commissioner for Precinct Two. (COURTESY PHOTO)

City admin., chief start work

Saladoans had a chance to meet Don Ferguson, the new city administrator at the end of his first day on the job May 1 and to reacquaint themselves with Rick Ashe, the new Chief of Police in Salado, during a reception at the Salado Civic Center attended by more than 50 people.

Ferguson comes to Salado from Wimberley, where he served as the City Administrator for the past 10 years, leaving there in a February agreement with the Wimberley city council.

As the city administrator in Wimberley, Ferguson coordinated the design and development of the \$3 million Blue Hole Regional Park project that was awarded the 2012 Municipal Excellence Award for Public Works for cities under 25,000 population by the Texas Municipal League (TML).

According to his resume, he did the following while serving as city administrator in Wimberley:

- Facilitated the five-year capital improvement program for the street improvements in Wimberley.
- Secured \$2.5 million in State and local grand funds for the development of the 126-acre Blue Hole Regional Park in Wimberley.
- Developed budget strategies that resulted in a 60 percent growth in the City of Wimberley's fund balance.

Ferguson served as city administrator in Rollingwood and was assistant city manager in New Braunfels.

He told the audience that he is moving to Salado. He thanked Mayor Skip Blancett for the welcome and told the

Salado Chief of Police Rick Ashe is shown above as his wife Shannon puts his new Chief's badge on his uniform May 1. (PHOTO BY MARILYN FLEISCHER)

audience "you are my boss. I am here to serve you."

Ashe was sworn into office as the new Chief of Police by interim chief Josh Tulloch. Ashe is no stranger to Salado, having lived here for two decades.

He and wife Shannon and baby daughter Addie (now a freshman at college) walked the streets of Salado in support of incorporation in 2000. He then ran successfully to be elected to the first Board of Aldermen of the newly-formed Village of Salado.

He worked to establish the

Police Department in Salado. He was then elected the second Mayor of Salado, facing no opposition in either of his terms.

Ashe has 36 years experience as a police officer, first in the U.S. Army, where he served in Germany 1981-1984.

He was a police officer with the City of Woodway 1987-1990 serving as a patrol officer.

Since 1990, he has been employed by the Temple Police Department. Ashe retired from the Temple PD in

April. He began his new duties as the Chief of Police in Salado on May 1.

He was an evening shift patrol officer working with the Citizens on Patrol unit and later an investigator with the Special Investigations Unit until 1998 where he was promoted to police sergeant.

In 1998-2004, he was supervisor for both day and night patrol teams, supervisor for support services and supervisor for the training unit at the Temple police department.

Ashe was promoted to

City Administrator Don Ferguson addresses the audience during a May 1 reception. (PHOTO BY MARILYN FLEISCHER)

lieutenant in 2004. He has served as watch commander for both day and night shift and watch commander for specialized units such as the COPS program and the Investigations Unit.

Ashe was named the Outstanding Peace Officer in Bell County in 1996. He was also named the Outstanding Police Officer in Temple in 1996. He was named a Master Peace Officer in 2005 and has numerous awards and commendations from the Temple Police Department.

Ashe was elected the President of the Texas Municipal Police Association in 1998.

A graduate of Moon Valley High School in Arizona, he earned advanced training in Military Police from the U.S. Army in 1981. He graduated with an Associates of Arts degree in broadcast communications from ITT Tech in 1985.

He graduated from basic Police Academy in 1987 and Leadership Command College from the state of Texas in 2001. He has 1,200 hours of continuing training.

Carter, others to mark end of I-35 work on May 11

The Village of Salado will officially mark the completion of construction of Interstate 35 through Salado with a ribbon cutting at 9 a.m. May 11.

The ribbon cutting will be held on the east side of the Salado Plaza Drive.

Attendees will hear the story and enjoy the beauty of the giant Stagecoach mural.

Speakers to mark the occasion include Congressman John Carter, Texas Department of Transportation officials, Mayor Skip Blancett, Chamber Board Chair Dave Swarthout and mural artist Michael Ford. All are welcome to join in for this long awaited and highly anticipated event.

Ribbon Cutting followed by a Coffee Reception at the Salado Museum & College Park. 423 S. Main Street, Salado, TX 76571.

Construction on the expansion of I-35 through Salado began June 2012 with a project end date of Spring 2015.

Two years beyond that contract completion date with James Construction, the work is finally completed in Salado.

CANDIDATE FORUM

Aldermen Candidates weigh in on Sewer, Economic Development, Vision

Salado Village Voice put the following questions before the seven candidates for the Village of Salado Board of Aldermen. Their answers follow.

1. With the final approval of permits for the sewer coming, will you work as an alderman to make progress on the sewer, suggest different plans or oppose progress on the sewer? Why? (100 words)

2. What ideas, proposals, approaches will you bring to the Board of Aldermen concerning Economic Development, attracting new businesses and promoting Salado, if you are elected? (150 words)

3. What is your vision for Salado in five years? in 10 years? How do we get there as a community? (150 words)

Judy Fields

Question 1: Final approval to

make progress on the sewer: Yes. Suggest different plans: To drill for water atop a hill is a stupid idea. Placing a waste water plant on top of a hill that requires expensive "lift stations" to force sewage uphill is a dumb idea.

We missed an economical, financially beneficial joint venture with Belton and Temple when offering us the opportunity to tie into their already existing waste water plant. This was the most feasible and profitable plan to have brought needed dollars into Salado through the sale of effluent as well as we would have been online quickly without the added expense of maintaining our own system and delays caused by having to obtain necessary permits for a new system. Properties on Main Street would have had the option of whether or not to tie onto the sewer. Unfortunately, it is already too late to correct this very costly decision.

Question 2: Economic Development: Too many inexperienced opinions and actions by the present board have already caused costly delays Salado's progress in this respect. Hiring a professional economic development organization is crucial. Such firms do market analysis and research, attracting appropriate businesses to specific areas. One must spend money—wisely. Actively working with professionals is the best and proven method to attract business which will promote Salado. Regardless of political posturing, no current council member has the experience or expertise to successfully promote economic development without expert advice of professionals.

Promoting Salado through tourism is a proven, vital way to bring more tourists, visitors and new residents to spend their monies in order to survive as a prosperous village. Many Saladoans have questioned why a very successful tourism department was dissolved in favor of having only a chamber of commerce and

the remaining budget of over \$249,000 has "disappeared" and never been accounted for.

Question 3: Vision for Salado. Keeping Salado as one of the Last Frontier's village is a proven attraction that must maintain its heritage. Main Street is charming and inviting and doesn't need any additional fluff ("butterfly" benches??) to keep its ambiance. We are a Western Village—not the Deep South. Just ask visitors what they think about the building frontages as they presently exist.

As evidenced by our past events, the lack of sufficient parking spaces has become an issue that must be addressed.

Looking at the other small towns around us, you don't see them trying to redo what isn't already attracting people to their towns. Keeping our historic village quaint but yet progressing intelligently with future growth is vital and necessary.

David T. Williams

Question 1: I will continue to work

toward progress with the Sewer System by keeping on the present course. The engineering drawings and project contract are ready for bid once final official approvals are provided. With Sales tax and franchise fees paying close to 65% of the Villages operating costs, the sewer is critical for business development and financial health of the village.

Question 2: I'm excited about the opportunities to develop the west side of I-35. If it is all possible I would love to see a development much like the Domain in Austin. A well coordinated, aesthetically pleasing facade with large sidewalks and greenery everywhere. I would encourage the use of analytics to support development planning, the use of consultants as resources allow, and seek citizen input.

Question 3: In 5 years I see a Salado that is growing in retail and restaurants in the Historic District and beginnings of major construction on the West side. I see community organizations growing and an atmosphere of optimism in the air.

In 10 years I see a vibrant Salado day and night life and a west side that is the envy of Bell County. I see a financially stable village budget primarily support by Sales Tax and Franchise fees. I see Salado citizens that are the envy of their friends because we get to live in this wonderful Village.

We get there by partnering Village citizens with businesses. Citizens continue to volunteer in the many organizations that make Salado the destination of choice.

Be positive and seek solutions to challenges.

Fred Brown

Question 1: I will work

diligently to see the completion of the sewer. For the sake of Main Street, the sewer has to be installed. In the historic part of our village, the septic systems are old and some are giving way. The new aerobic system is very costly and takes up twice the space that the old systems use. This would drive many businesses out of business. A good example is the Mansion. When that septic system failed, the owner, Gene Street said he could not justify spending \$200 thousand dollars for a new aerobic system and he just closed his award winning restaurant down. This has the very real prospect of happening over and over again unless we do what the voters asked us to do and that is to put in and complete the sewer system. Additionally the west side of I-35 must have sewer to be able to meet their future needs.

Question 2: The growth of Salado will happen if we want it to or not. It is our job to properly manage the growth and at the same time to increase our tax base and our sewer users.

There is new housing development all around our community that is not in our city limits. Through an aggressive plan with developers, we are offering them incentives to bring their development into the city limits so that we can increase our property tax base. When this happens, it generates additional resources to meet the needs of our citizens. More money for road repair, for additional police, for parks, all things that cost money.

With the addition of the sewer on the west side of I-35, Commercial business will come calling and it will be our job to decide what is good for Salado and what is not. Many businesses that want to come here will want incentives. It will be our job to analyze the cost benefit to Salado.

Question 3: The greatest asset we can have in Salado is a unified Salado. A village where everyone works for a common goal to preserve our past and at the same time work toward the future. Protecting our historical assets should always be our number one priority. At the same time we should build a cohesive community where neighborhoods and retail co-exist to make a quality town that is the envy of Texas.

It is difficult to say what our Village will look like in 5 years or 10 years. In my mind I see Main Street and Royal Street with all of their charm and history that has made Salado famous. I see

sidewalks and antique lighting down both streets. I see garden areas and rest areas that welcome our visitors to our shops and events. I see an aggressive tourism effort that brings quality events to Salado each month. I see more people in our shops and staying in our lodging facilities. I see more tourists enjoying the charm and quality of life that Salado offers.

On the west side of I-35, I see new restaurants and retail establishments that support the community. I see a much increased tax base that will be able to support increased services to the community. I see an overlay district on the west side that will give that part of town a central theme that blends well with the rest of Salado.

The future is bright for Salado.

Andy Jackson

1. I will work as an alderman

to make progress on the sewer. I would like to see the lines extended initially to the northside hotels and the schools west of I-35 and to as many other areas as possible that would support new businesses or residential developments. If we need to add capacity or an additional treatment plant, we should do that. At this point in time, the sewer is the only village-owned utility and will hopefully be paid for by user fees as we develop it. Also, supplementary public restrooms need to be added along Main Street.

2. I will use creative placemaking to make public spaces better, i.e. downtown, parks, squares, sidewalks, streets, historic district. I would institute Salado Vision 2018, a type of block party to discuss our future, where citizens could share what they love about Salado, what brought them here, what they would change or would keep the same. I would involve youth in the planning. They bring fresh perspective. Blank drink coasters could be used to collect input; love it side for what to keep, leave it side for what to abandon. Hold a The Good/The Bad/The Ugly photo contest to see what needs to be emphasized or cleaned up. Pictures with index cards could be displayed on a wall at the Civic Center with suggestions how to improve Salado. Candy corn or jelly beans could be dropped in clear glass jars (giving a visual effect) to vote for favorite projects.

Question 3. I will have two guiding principles as an alderman, responsive government and controlled, directed change. Community planning should focus on visioning, strategizing, and creating action steps. Look at what is worth preserving and look forward to positive changes. The Village can partner with faith-based groups, service organizations, the Chamber of Commerce, merchants, or any other group wanting to be a part of making Salado more attractive for residents and visitors. I never want to lose that small-town atmosphere where I know my neighbors. I know the merchants, I feel like a vital part of the community and enjoy just walking the streets and sidewalks and stopping to visit along the way. It is our choice what Salado becomes over the next few years. Proper planning and involvement by all should be our watchwords

as we move boldly into the future. The best for Salado is yet to come!

Christopher Tramel

Question 1: I will work to make the proper and thorough

progress. Working with the engineers and supporting their efforts on completing the sewer the right way, the first time.

Question 2: The Economic Development of Salado is a must, but I believe we need to support the small businesses that we already have and small business growth. We need to advertise Salado as a destination, as a featured spot for traveling Texas. A place to visit, stay for a while, and shop the amazing Main Street we have.

Question 3. We need to do everything as a community. A strong community will ensure a positive growth and development the way the people want it to happen. In 5 to 10 years I envision a Salado that still is a small town, a village where everyone knows their neighbors and the businesses. Yes there will be growth but we the people need to control the change and growth that will happen to preserve the amazing community we have.

Michael McDougal

Question 1: I absolutely support the concept of making progress on the sewer system as designed.

This matches the expectations that the voters expected when they very clearly supported a Village sewer system by voting in support of it at the polls. This message was overwhelming and understood.

I trust the voters that when they say something, they mean it. They not only mean it, but with high standards intended. High standards indicated to me that our voters expect a commitment to excellence. This will be the end product.

Question 2: The current Board of Aldermen have employed a City Administrator who began his responsibilities this week. The term, Economic Development is solidly in his wheelhouse. One only must review Don Ferguson's many areas of production and you will discover that economic development is at the top of the class. Sustainability is equally as obvious, as production has not been a fleeing idea, it has been maintained for a period of years, not months or days.

In addition to this Village leadership, an active Economic Development Committee has been in place for a year plus. This committee consists of bright individuals who possess a variety of skills, successful experiences, and enthusiasm. This committee is loaded with the will to be a performer, not a spectator and are more than ready to provide a most professional support element.

Question 3: My vision for Salado in 5 years is that this community will exhibit an atmosphere that others will view as wholesome, caring, and productive. It will be a Village that people will look forward to visiting because of the various experiences available to them.

Salado will be a joyous occasion and one that you look forward to sharing with anyone who will listen.

My view for Salado in 10 years will be a refinement of the last 5 years. Shop owners will gain from their experiences and modify what in their view, should be "tweaked". Plus, new experiences will arrive in the form of attractions for all ages.

We will get to these places by having great leaders who have a passion for their causes. Those who have an obligation to develop a positive attitude, one that inspires others in all that they touch.

Linda Reynolds

Question 1: A West side business told they will not receive sewer?

Since I am not on the sewer committee, and have a very vague idea of what has already been spent on sewer development, I beg ignorance. We'll all know more after the election.

I do know that Fred Brown voted against the financial go ahead to KPA, and I have to respect that the mayor pro-tem knows a lot more than I.

I've also read in the Village newsletter that Mr. Brown questions whether anything will ever be built around the Highlands/Sanctuary WWTP. Sanctuary Pie in the Sky ring a bell?

Question 2: I voted for the sewer bond to extend a sewer to the schools, the West side and Main St. Will that happen? If elected, Reynolds will spend every waking moment, and every bond dollar left in the coffers to make it happen!

The sewer on the West side and Main St. will provide all the Economic Development our infrastructure can handle. We do NOT need more rooftops to cause more flooding. We need businesses that can handle our tourist's bathroom needs, so tourists are comfortable and happy to stay all day!

And for under 65 homeowners, a sewer rebate would help equalize the sewer tax burden. Once the sewer is built, O&M (Operation and Maintenance) costs should be paid by users. cross your fingers if your taxes are not frozen!

Right now the Stagecoach WWTP does not have enough users! Businesses that wanted to connect were ignored by Brown and Foutz. Does nose and face ring a bell?

3. Vision: Reynolds sees a Main St. full of cars, tourist busses, but no blue outhouses ever again.

Reynolds sees a lit up Main St. and Royal St. with more nighttime visitors and neighbors strolling along from open restaurants to open shops.

Reynolds also sees more big name franchises on the Westside to benefit locals and I35 travelers.

And Reynolds still has a dream of a small mall on the West side with a movie theater, a bowling alley, or even a Table Tennis Club.

And when we vote on a new school bond, Reynolds dreams of a competitive size pool to provide college swimming scholarships for our students and a longer, healthier life for the entire community.

FORUM

Newman would stick us with the bill

To the Editor:

John Newman's response in Thursday's paper to the "Left Behind" article makes me feel like I was invited to the Range Restaurant for their most expensive dinner and wines, then being told "I am concerned about your finances. To give you a chance to show you are solvent, I am going to let you pay for our dinner." Please spare me the pretend concern for the south side homeowners.

Rather than presenting citizens in south Salado with a chance to gain liberation and self determination, the proposed dis-annexation boundaries gut the finances of the city and appear designed simply to allow a group to avoid paying for the sewer. Otherwise, why draw the dis-annexation to include all the way to Royal? Why be so eager to litigate liability for the sewer bond that you announce the desire long before the vote takes place?

Sincerely,
Douglas Nelson
Salado

To the Editor:

After nearly two years of delays, the Salado city limit signs are finally up. The south approach sign is nearing completion, and with some minor tweaks will be ready to turn on.

The contribution I made is not directly seen. I wired the sign. we planned to have each lamp on the sculpture turn off and on independently, and the color bars be-

Your Voice

Letters to the Editor

hind the glass bricks would change color. Then TXDOT said, "No blinking lights, no color changing." So I had to strip out all the wiring in the sculpture, and start over.

There are approximately 130 lamps in the sculpture, with eight hand soldered connections for each lamp. That's over 1000 hand soldered connections. Each connection had to have heat shrink tubing over it in order to weatherproof it. All of that

went into the bucket, and had to be redone. Oh well, I have to put up with Congress, and I have to endure local politics, so why should I be surprised that TXDOT would say, "Oh, by the way, you can't do that."

I wasn't the only one. Melissa Paxton and Oscar Salinas had to hand fit the lamps into the hand blown globes and seal them.

They had to pull them all

out and reseat them after I rewired them. We should call ourselves the Redeaux Team.

Now about the color bars. I found a neat color control with over 16 million color combinations, 37 pre-programmed sequences, and 255 intensity levels. But no, we can't change colors. So they said, "Make it teal." What is teal, anyway? Fortunately for me, there was a group of 15 of Salado's artists touring Glass River Design at that moment, so I asked for their help. I adjusted the controls until

Pershalls celebrate 69 year anniversary

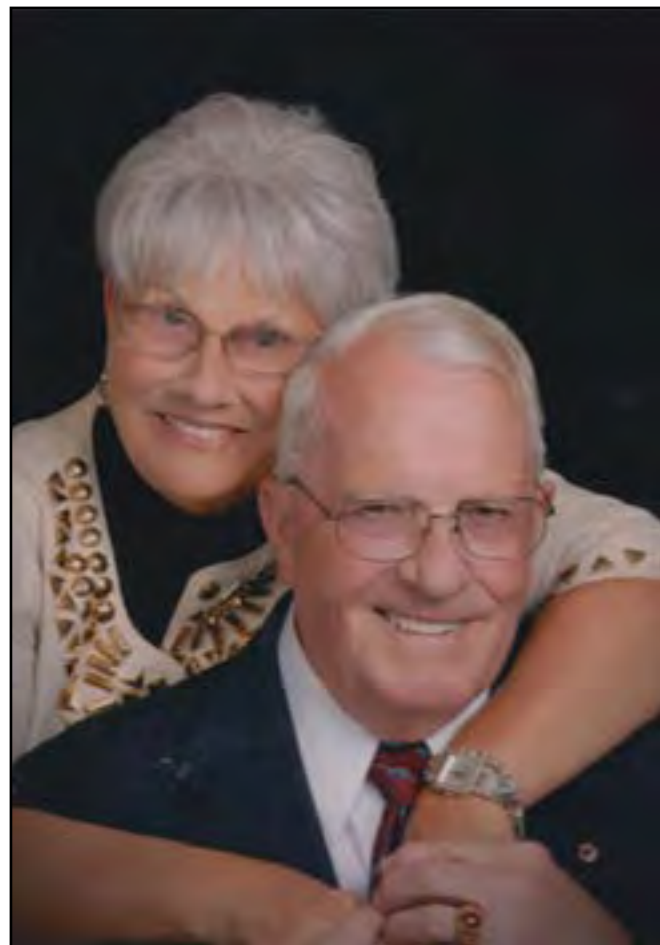

Wesley and Joyce Pershall of Salado are planning to celebrate their 69th anniversary with their son John and daughter-in-law Katie on May 6, 2017 in downtown Temple, there also will be JR and Chelsea, Carter, Robbie and Elizabeth Ann.

Wes completed a tour of service in World War II being discharged on Feb. 14, 1948 returning to Oklahoma. He and Joyce Ann Smith of Fairfax, Osage county, Oklahoma, were married on May 6, 1948 at 4 p.m. at the First Christian Church Disciples, with Rev. Sidney Hawkins officiating.

Over the next six years, John finished college work. After a tour of service during the Korean Conflict, he returned stateside and joined Phillips Petroleum Company, where he worked for the next 34 years. His wife Joyce was there all the way.

To their delight, JR came along. The Pershalls were able to retire early (Aug. 1 1985 at age 58 in good health, and financially solvent).

"It has been good years, we've traveled the USA,

Wes and Joyce Pershall.

Canada and Mexico, our family has increased by David, Joy, Kate, Chase, Carter, Robbie, Samuel, twins-Rachel and Violet, then Eliza-

beth Ann, and now little boy on the way Sept. 2, one more event."

Joyce and Wes moved to Salado 1998.

St. Stephen's Annual Golf Tournament held May 12

St. Stephen's Church will be hosting the Father Charlie Davis Annual Fundraiser Golf Tournament on May 12, at Mill Creek Country Club. Teams can arrive at noon for meals and warm-up, with a 1:00 p.m. Shotgun start scheduled. The proceeds of the fundraiser will go towards supporting St. Stephens youth ministry. Members of the community can support this event in the following ways:

1. The cost is \$100 per player or \$400 per team (\$500 for team plus hole sponsorship)
 2. \$100 for a family or business hole sponsorship (includes sign with logo or family name)
 3. \$500 for premier sponsorship (Large sign at clubhouse and announcement to participants)
 4. Donate funds to support raffle and prize items
 5. Donate items to be raffled

Speakers share UMHB stories

Pete Fredenburg and Randy Mann spoke to the Salado Lions Club about the UMHB Crusaders, who are NCAA Division III National Champions in Football.

Mann gave the Lions a state of affairs at the university and Coach Fredenburg entertained the club as he described their national championship last year and as he told some old stories of his many years at UMHB.

Even though the team will be losing some valuable seniors (perhaps a few even to the NFL), next season's team looks to be another strong one that could make another deep run in the playoffs, according to Fredenburg. The goal is obviously, a repeat

Pete Fredenburg

national championship.

Both men encouraged to visit the campus anytime and see the progress happening at UMHB with the construction of the new Performing Arts Center.

Upcoming speakers for the Lions Club are Willfred Ocasio on May 10 and Shane Berrier on May 24.

3C Cowboy Fellowship welcomes Pastor Bryan Miller

Pastor Bryan Miller has more than two decades of preaching and teaching experience. During that time, he has served in the roles of Youth Pastor, Associate Pastor and Senior Pastor, allowing him to encourage, equip, and engage God's people to fulfill their full potential for God's purpose.

Bryan and his wife Jennifer are currently serving at Hubbard Cowboy Church. He is the Associate Pastor and also oversees Student Ministries, Small Groups and the Financial Team. Jennifer is the Women's Ministry Director and helps in the youth group.

They have six children ranging in ages from 14 to 26 (four girls and two boys).

Pastor Miller and wife Jennifer

Almost empty-nesters, only the youngest child Abby still resides at home. She is finishing up her freshman year of high school.

As a family, they enjoy riding horses, camping, hunting, and playing games with family and friends.

Mason Price Inducted into The Honor Society of Phi Kappa Phi

BATON ROUGE, LA (04/26/2017)-- Mason Price of Salado, Texas, was recently initiated into The Honor Society of Phi Kappa Phi, the nation's oldest and most selective all-discipline collegiate honor society. Price was initiated at Angelo State University.

Price is among approximately 30,000 students, faculty, professional staff and alumni to be initiated into

Phi Kappa Phi each year. Membership is by invitation only and requires nomination and approval by a chapter. Only the top 10 percent of seniors and 7.5 percent of juniors are eligible for membership. Graduate students in the top 10 percent of the number of candidates for graduate degrees may also qualify, as do faculty, professional staff and alumni who have achieved scholarly distinction.

Kyle awarded in Christian studies at Howard Payne University

BROWNWOOD – April 27, 2017 – Howard Payne University honored 69 students for academic achievements during the spring 2017 semester. The students were recognized during the university's annual Academic

Awards Convocation held recently on campus.

Receiving awards was Thomas Kyle, Outstanding Student in Biblical Languages and Outstanding Christian Studies Student from Salado.

Obituaries

HENRY MATTHEW SUTTON

Henry Matthew Sutton died April 29, 2017 surrounded by family, at the home of his sister in Salado, Texas. He was 57.

Sutton was born July 5, 1959 in Salado, Texas to D. L. and Theresa Sutton. He attended Salado High School. A free spirit, he loved fishing and hunting. He will be fondly remembered for his

willingness to do anything he could for a friend.

Sutton is survived by his mother Theresa and her partner Max of Belton; sisters Regina McGregor and husband Larry of Salado, Mary Ann Janke and husband Randall of Temple, Cathy Anderson and husband Phillip of Belton. He is preceded in death by his father D. L. Sutton.

A graveside service will be held 10 a.m. on May 3, 2017 at Salado Cemetery. Broecker Funeral Home of Salado is in charge of arrangements.

HARRY SWEET

Harry Sweet passed away on May 1, 2017. Services and visitation are planned for

May 5.

Harry Sweet was born on December 8, 1944 and passed away on Monday, May 1, 2017.

Sweet was a resident of Belton at the time of passing.

He was a retired assistant professor in the Business Department at University of Mary Hardin Baylor, where he taught ethics. He taught at UMHB for 10 years until retiring in 2007.

Sweet wrote "A Christmas Carol" for its annual stage performance at Tablerock Theater. He also performed in the play for many years as the Ghost of Christmas Future.

Visitation will be 11 a.m.-1 p.m. May 5 at Crotty Funeral Home and Cremation Services, 5431 Hwy 190 in Belton. The funeral service will follow at 1 p.m. at the funeral home.

"In Service to our fellow man..."

WHAT IS FAIR?

Saturday, May 6th is your LAST CHANCE.

WHO? YOU, whose Village property taxes have gone up three years in a row and have been told they'll go UP AGAIN next year.

VOTE!!!

Children are allowed in the polling place. Hundreds of citizens have already Voted Early. Don't let them decide if YOUR taxes go for Developer Welfare.

WHY? To cast a Vote before the bond money is SPENT, which drives the property tax increases.

WHERE? Salado Civic Center, 601 N. Main St. (Red Brick Schoolhouse)

WHEN? 7 a.m. to 7 p.m.

Be positive and Vote FOR Disannexation!

The mayor and Board of Aldermen have tried to influence you with resolutions of continued indebtedness and annexation by Belton. They've even held out their own Legal Counsel as an impartial authority.

Our Legal Counsel, Attorney Roger B. Borgelt, of the Austin-based law firm, Borgelt Law, on the issues:

- **The accuracy of the petition's metes & bounds were accepted when the petition was accepted and placed on the ballot.**
- **With passage of disannexation the Board of Aldermen will all be disqualified upon certifying the election results. They would no longer have the authority to follow through on the resolution to cede property to Belton. The best option is for County Judge Jon H. Burrows to appoint a caretaker Board of Aldermen and request the Governor to order a Special Election.**
- **The new sewer will not directly benefit the disannexing area. The Board of Aldermen have spent little of the \$8,200,000 borrowed so far. It will be up to a new Board of Aldermen to decide the fate of the unbuilt new sewer, the unspent bond money and whether to adhere to or challenge Local Government Code Sec. 43.148 Refund of Taxes and Fees for monies SPENT that were of no direct benefit to the disannexed area.**
- **However unlikely it comes to this, if any municipal debt remains on the disannexing area, Belton would have to assume that debt prior to annexing the disannexing area.**
- **Disannexation will have no effect on the Salado ISD.**

No Village taxes will make future school bond elections more passable. Support Schools with your taxes instead of Developer Welfare.

Now that you know better, be positive and Vote FOR Disannexation!

**For further information go to www.saladofedup.org
Catch up with us on Facebook @ Salado FED Up
Paid for by Salado Friends of an Election for Disannexation**

LETTERS CONTINUED FROM PAGE 3A

they all agreed that the color was teal. I wrote the settings down, and we set the color once the sign was up. I have it on the word of Salado's finest that the color is teal. Looks green to me.

I think someone with more political clout than I have should take up this color changing issue with TX-DOT. The city limit signs of Stafford, Texas, change color. If they can do it, why can't we do it?

Now that the sign is almost finished, I find that I am in the area that is part of the deannexation vote. I am not happy about this. Not a lot of us were consulted about this. I do not want to be separated from Salado, just because a few misinformed individuals think they can skip out of paying taxes. If we get deannexed, may their neighbors raise pigs.

Sincerely,
Mark H. Rice
Salado

To the Editor:

"Art Attack" weekend culminated in a storytelling event at Tablerock on Saturday night, and what a windup it was!

Excellent professional storytellers kept the audience spellbound at times and laughing until their lungs hurt at other times. The Pattons and Fosters attended at their children's insistence. The storytellers performed

at Salado schools on Friday and let it be known that they would be performing at Tablerock on Saturday.

The children sat on the front row and it was an uplifting experience to watch the children rapt at times and then howling with glee as Nancy the ventriloquist employed her side kicks, Waco the Weasel, his sister Lily and Larry the Gator; Gary with his Historical Tales, DeeCee acting out scary stories, Jaye with her stories with a moral and Fred with his nature tales.

All these talented performers are members of the Tejas Storytellers Group in Fort Worth, Texas. The Texas Commission on the Arts sends DeeCee all over Texas to perform.

Put them on your calendar for next year.

Sincerely,
Denver Mills

To the Editor:

In response to last week's letter from Diane Wallin....

Thank you Diane, I too ask questions. I loved that you wrote to the *Salado Village Voice* and ask questions. You may have noticed that I ask a lot of questions too.

Here's a list of many of the Elected Officials Who Represent All of Us in Salado and Salado's ETJ.

1. Mayor and Board of Aldermen (David and Amber have

always answered my questions)

Other responsive Local elected officials:

2. Judge Burrows-BELL County
3. Tim Brown-Bell County Commissioner
4. Shelly Coston-County Clerk
5. Rolly Correa- Constable
6. Shay Luedeke-County tax Assessor (I avoid him, but if I want my taxes lowered, he's the go-to-guy!)
6. Cornyn/Carter/Coston/Buckingham (google them)

Not elected but are responsive and carry weight:

1. Dirk Aaron's Clearwater
2. Jim Reed CTCOG
3. any lawyer at TCEQ
4. any lawyer at the AG's Office (Texas Attorney General)

...and many, many more, living the good life in Austin, working in State Government.

(Do I have to mention the Feds all the way up to POTUS -President of the United States?)

There are enough layers of governmental representation to demand action on any problem.

I have begun to explore the Texas Fish and Wildlife representatives who should be instrumental in solving our deer problem all over Texas. A letter writing campaign from Salado might get the ball rolling!

Linda Reynolds

Salado Lady Eagles golfers will compete in the UIL State Tournament May 15-16. The Lady Eagles trailed Lufkin Hudson by 12 strokes after day 1 on April 24. Salado finished 47 strokes ahead of Lufkin on April 25 to place behind Lampasas Lady Badgers to qualify for the state tournament. Jamie Rich led the girls with a two-day total of 178. She scored 91 in day one and 87 on day two. Kristin Crouch followed with 184, shooting 92 on both days. Avery Hyer scored 188 for Salado, 100 on the first day before trimming 12 strokes on the second day for an 88. Taylor Rich shot 194 for Salado with 98 on day one and 96 on day two. Savannah Reeder had a 219 over two days, 100 on day one and 119 on day two. The varsity boys placed sixth in the Regional Golf Tournament played April 26-27. James Perry led Salado with a 164, 83 on day one and 81 on day two. Also scoring for the Eagles were Aaron Torczynski, 174 (91 and 83), Caleb Schwertner, 178 (94 and 84) and Bryan Lightfoot, 182 (89 and 93). (COURTESY PHOTO)

Lady Eagles come from behind to beat Caldwell in 3, face Hillsboro in Area Round

With the tying run on third in the bottom of the seventh of their third game April 29, Salado Lady Eagles pitcher Baily Tindell forced Caldwell's A. Perkko to fly out to right field for a 12-11 win and a trip to the Area round.

The Lady Eagles will face Hillsboro in a best-of-three series beginning 7 p.m. May 5 at Hillsboro High School. Games two and three (if needed) will be played at the Salado Lady Eagles softball field beginning at 1 p.m.

Salado had to come from a first game loss to beat Caldwell last week. Caldwell beat Salado 8-3 in the first game, but Salado won the second and third games by a single run each.

	R	H	E
SHS	12	14	3
CHS	11	13	3

In a slug fest with a combined 27 hits, Salado and Caldwell scored 23 runs in the third and final game.

Caldwell took an early 3-0 lead in the bottom of the first. E. Telg led off the frame with a double. A Perkko bunted and an error allowed her to go to second and Telg to score. Perkko went to third on a sacrifice fly by D. Drga. She scored on a single by H. Vess. Vess went to second on a ground out to short by M. Olivarez. She scored on a single by E Faust.

Salado tied the game in the top of the second. Rebecca Dockray led off the inning with a walk. She stole second and scored on a single by Elizabeth Ford. Ford stole second and scored on a triple to deep center by Lindy Martin. Martin scored on a passed ball.

Caldwell added two runs in the second on a triple by Telg and a bunt by Perkko.

Jenna Calder doubled to lead off the third. She scored on a passed ball to narrow the Caldwell lead to 5-4. Vess doubled and scored on an error to increase their lead to 6-4 in the bottom of the third.

The Lady Eagles exploded for seven runs in the top of the fourth.

Martin led off with a double and scored on a bunt by Abbie James. James got to third on the bunt due to an error by the first baseman. She scored on a passed ball. Piper Randolph reached on an error by the second baseman. Breigh Oliver bunted. Jenna Calder doubled to score Randolph and push Oliver to third. Christin Wilson singled, scoring Oliver and

Piper Randolph, second baseman for Salado Lady Eagles, nabs a line drive to end the inning during the Lady Eagles loss to Caldwell in the first game of their best-of-three series. Salado won the series by winning the next two games by one run each. (PHOTO BY TIM FLEISCHER)

advancing Calder. Calder stole home to score. Dockray singled. She went to third on an error by the second baseman that allowed Marissa Gonzales to reach second. Dockray scored on a sacrifice fly by Martin to give Salado an 11-6 lead.

The Lady Eagles added to their lead in the fifth. Oliver singled with one out. She stole second and reached third on a passed ball and scored on a sacrifice fly to left by Calder.

Caldwell scored a run in the fifth to narrow the gap to 12-7 on a double by Vess and a bunt by Olivarez. Caldwell added three runs in the sixth taking advantage of two walks, a single by Perkko and a two-run single by Faust.

With a two run lead in the last frame, Salado recorded two quick outs before Telg hit a solo homer to narrow the lead to 11-12. Perkko then walked, stole second and went to third on a passed ball before Ford ran down a fly to right field for the final out and the win.

Tindell pitched all seven innings. She gave up 13 hits. Caldwell scored eight earned runs against Tindell. She struck out five batters and walked five.

	R	H	E
CHS	3	5	1
SHS	4	8	2

In the second game, Caldwell looked like it would

get past Salado, scoring two runs in the top of the first on April 29.

Telg singled with one out and went to second when Drga was hit by the pitcher. Vess doubled to score Telg and Drga scored on a passed ball before the Salado defense secured two more outs to leave Vess stranded on third.

Salado answered with three runs in the bottom of the second. Rebecca Dockray singled to lead off for Salado. She went to second on a bunt by Marissa Gonzalez. Alizabeth Ford singled to load the bases. Lindy Martin singled to score Dockray. Abbie James hit a sac fly to right to score Gonzalez. Ford scored on a passed ball with two outs for the 3-2 lead.

Caldwell tied the score at 3-3 in the fourth. M. Olivarez singled and advanced to third on a well laid bunt by E. Faust. She scored on a bases loaded error by the second baseman.

The Lady Eagles added a run in the bottom of the fourth. Ford tripled to deep left with one out and scored on a single by Martin.

Caldwell threatened in the top of the seventh with a bunt and a walk. Vess lined out to Salado's shortstop Oliver who threw the runner at first out before she could get back

Eaglebots compete in world championships

Meet the SHS robotics team at Salado Library

For the first time since their 2011 inception, the Salado Eaglebots found their way into the FIRST Robotics World Championships in Houston on April 21-22 after finishing 14th at the Brazos Valley Regional in Waco two weeks earlier.

The community is invited to come and Meet the Eaglebots and their robot at the Salado Public Library 10:30 a.m. May 13.

The Eaglebots competed in the last finals match of a wildcard. As a result, they

were elevated to the World Championships along with the top teams from across the country and around the world including Australia, Brazil, Canada, Chile, China, The Dominican Republic, Israel, Mexico, Switzerland and Turkey.

After the final competition, the Eaglebots finished 255th of 421 teams competing and over 3000 teams worldwide. This championship level experience empowered the Eaglebots to hone their skills and stretch into world class competitors.

This year's Eaglebot success was championed by seniors, many who have been with the program since junior high including Harrison Glaze, Zac Garmong, Marc Oliveras, Nathaniel Sunshine (Team Captain), Tanner van de Plas, and Tim White. Salado Robotics has built unprecedented interest

Salado Eaglebots: (Front row) Ben Sunshine, Beto O'Rourke, Tim White, Tanner Van der Plas; (back) Nathaniel Sunshine, Mark Oliveras.

and participation this season. Next year's team will be led by Dillon Kelley, Erin McBride, Aaron Wilkerson and Ben Sunshine.

Both the team and community interest have been on the rise. A robotics class

was added at the high school and junior high mentorship program has drawn a great deal of interest. Seven eighth graders traveled to the regional competition and two to the world championships as full team members.

Friends of Salado football golf tourney set

The Friends of Salado Eagle Football have announced a golf tournament fundraiser July 28 at Mill Creek Country Club.

Players will tee off at 1 p.m. You can play in the tournament for \$100. Teams of four can play for \$400. Individual players will be paired with others for teams of four. Entry fee includes shared golf cart, green fees, team prizes and goodie bags for the players.

Sponsorships are available for \$150.

Contact John Kirk at 254-338-0083 or john.kirk@sala-doisd.org for more information about the tourney.

Salado Flag Program

American Flag flown in front of your Salado home or business on federal holidays.

- Memorial Day
May 29
- Flag Day
June 14
- Independence Day
July 4
- Labor Day
September 4
- Veterans Day
November 11

Proceeds benefit scholarships to Salado graduates and other local programs in the community.

Salado Lodge will give FIVE \$1,000 scholarships this year, to be announced at the SHS Senior Awards Night. The Lodge had 27 applicants! Salado Lodge also contributed \$1,000 to the Salado Family Relief Fund back-to-school project for 2016-17 school year due to the success of this fundraising program.

The Lodge has also purchased 250 U.S. Flags (Made in the USA) to replace the faded and damaged flags and to bring bright colors to the streets of Salado.

Mail this form with a \$30 check to Salado Masonic Lodge #296, PO Box 23, Salado, TX 76571 by May 15 for Memorial Day delivery. Current customers have been invoiced.

Lady Eagles

FROM PAGE 1B

	R	H	E
SHS	3	9	1
CHS	8	10	1

Salado Lady Eagles lost to Caldwell 8-3 in the first of the best-of-three series, allowing five runs to score in the bottom of the fourth.

Caldwell scored two runs in the third. B. Davison singled to right. J. Johnson was hit by a pitch and both scored on a single to center.

Salado closed the gap in the top of the fourth. Jenna Calder singled. Christin Wilson singled, but a fielding error by the right fielder allowed the ball to roll to the fence, scoring Calder.

Caldwell scored five runs in the bottom of the fourth, taking advantage of bunts and great base running.

With one out in the inning, A. Rodriguez was hit by the pitcher. E. Faust laid down a bunt just a few feet in front of the plate and was able to get to first. Rodriguez stretched to third. Davison singled, scoring Rodriguez. Faust went to third on the single to keep runners at the corner. Johnson knocked down a bunt that let her get to first and Rodriguez to score. A bunt by Perkko loaded the bases. E. Telg singled to center to score two runners. D. Drgac walked to load the bases. H. Vess hit a sacrifice fly to left to score Perkko before the final out was recorded.

With two outs and no base runners in the fifth, Salado was able to score two runs. Piper Randolph singled and scored on a double by Breigh Oliver. Oliver scored on a single by Calder. Late in the game, Oliver tripled but was left stranded on base.

Caldwell added a run in the sixth. Perkko walked and reached third on a single to right by Telg. She scored on a short groundout by Drgac.

Bailey Tindell got the loss on the mound for Salado, pitching 4-1/3 innings. She faced 21 batters, striking out three. She allowed six hits. Caldwell scored five earned runs on her.

Rebecca Dockray pitched in relief. She struck out one and gave up four hits. Caldwell scored three earned runs on her.

M. Olivarez pitched the entire game for Caldwell, striking out one and allowing nine hits. Salado scored two earned runs on her.

First baseman Christin Wilson catches a foul ball to help the Lady Eagles get out of trouble during the first game between Salado and Caldwell on April 27. (PHOTO BY TIM FLEISCHER)

Eagles face Caldwell in bi-district after second place finish in 19-4A

Salado Eagles will face Caldwell in the bi-district round of the 4A baseball playoffs in a best-of-three series beginning May 5.

Game one will be played at Salado at 7 p.m. Games two and three (if necessary) are set for Caldwell High School at 1 p.m. May 6 with game three 30 minutes after the end of game two, if needed. Tickets for Caldwell are \$5 for adults and \$3 for students. Caldwell HS baseball field is located at 550 County Road 307 in Caldwell.

Salado Eagles took second place in District 19-4A behind the #10-ranked Liberty Hill Panthers, beating Llano and Lampasas last week.

	R	H	E
SHS	4	6	0
LHS	1	8	1

Even though the Badgers outhit Salado eight to six on April 28, the Eagles won the road game 4-1 to finish district play in second place.

The Eagles took a 1-0 lead in the second. Tate Harvey was hit by the pitcher. He went to second on a single by Jacob Wilk and a sacrifice bunt by Parker Seaton advanced the runners. Harvey scored on a passed ball before the next two batters were put out by the Badgers.

The Badgers tied the game in the third. Hunter Gholson singled to center and stole second base. He scored on a single to center by Harrison Gillespie.

Jacob Wilk tripled to deep right and scored on a passed ball to give the Eagles a 2-1 lead in the fourth.

Salado added two more runs in the fourth. With one out, Ryan Oakes singled and stole second. After the second out was recorded, Harvey singled to plate Oakes. He advanced on a walk and scored on a single by Cullen McKinney.

Drew Dobbins got the win on the mound, going all seven innings. He struck out eight and allowed eight hits in the effort.

	R	H	E
LHS	3	3	0
SHS	7	8	2

Salado beat Llano 3-7 in the Eagles' final home game of the regular season April 25.

Llano scored runs in the fifth, sixth and seventh innings, but they were meaningless as the Eagles already notched seven runs in the first four innings.

After a scoreless first, Salado scored two runs in the second. Tate Harvey doubled to right and Jake Harvey homered over center before any outs were recorded.

The Eagles added two more in the third. With one out, Dobbins singled. Ryan Oakes doubled and Belton Farr singled to push a run across. Harvey hit a sacrifice to center to score Oakes.

Salado added three more runs in the fourth. Jacob Wilk led off with a single and stole second base. With one out, Parker Seaton walked. Kade Maedgen hit a dribbler toward short, to score Wilk. Seaton and Maedgen advanced on the attempted throw to stop Wilk from scoring. Rustin Hale hit into a fielder's choice to the pitcher. Seaton scored on the throw to home. On the throw to catch the batter, pinch runner Garrett Knight (in for Maedgen) scored and the batter reached second. Llano recorded two outs without allowing another runner to score.

Four pitchers appeared on the mound for Salado with Jacob Wilk getting the win for his four inning start. He struck out four batter and allowed no runs.

Cullen McKinney gets a Llano runner trying to get home with two outs in the top of the second. Belton Farr made the throw from left field to get the runner trying to reach home. (PHOTO BY RON LEGUIN)

Jacob Wilk hits a home run over the left field fence during the Salado Eagles win over Llano last week. The Eagles will face Caldwell in the Bi-District round of the playoffs with a three game series beginning May 5. (PHOTO BY RON LEGUIN)

Salado Spirit U15 travel team beat the Liberty Hill Panthers 1-0 in their final home game of the season. Ashley Voelter scored the only goal in the game. Shown above, from left: Savannah Oyler, Grace Graham, Alanna Vasquez, Payton Ringstaff, Jessie Ventimiglia, Ashley Voelter, Holly Wright, Aubrey Heffner, Elizabeth Medina, Lily Lougheed, Kaitlyn Pfingsten, Hailey Stouder, Selah Kurtz, Lauren Wilson, Madisyn Maddux, Presley Maddux, Allison Carnahan, not pictured Nohemi Pena. 22nd annual Gospel Fest on stage at Tablerock

Salado's 22nd Annual Gospel Festival brings performers from around the state to the Tablerock stage May 5-6.

Gospel singers will sing your favorite traditional and contemporary gospel songs 6-9 p.m. May 5 and 10 a.m.-9 p.m. May 6.

Jim and Alvalin Woodul from Killeen are the Directors of Tablerock's Annual Gospel Festival and will also

perform at the two day event.

Many artists who perform all over Texas will be featured on the Tablerock stage on Saturday. A partial list of artists follows: Angel Erfurt from West, Steve Coleman from Chalk Bluff, Beau Jones from Waco, Brooke Johnson from McGregor, Paul Clark from Rockdale, Jim and Michal Mattson from Killeen, Lee Billeck from Temple, Johnny Her-

ring from Temple, Amazed from Temple, The Beard Family from Waco, and Jim & Alvalin Woodul from Killeen.

Admission for adults is \$5, children ages seven-12 is \$3.

The concession stand will be open for sandwiches, hot dogs, soft drinks, coffee and candy.

Famous Hand

Contract Bridge

By Steve Becker

East dealer. Neither side vulnerable. NORTH ♠ 9 6 5 ♥ A Q 9 7 ♦ A Q 7 2 ♣ A 4

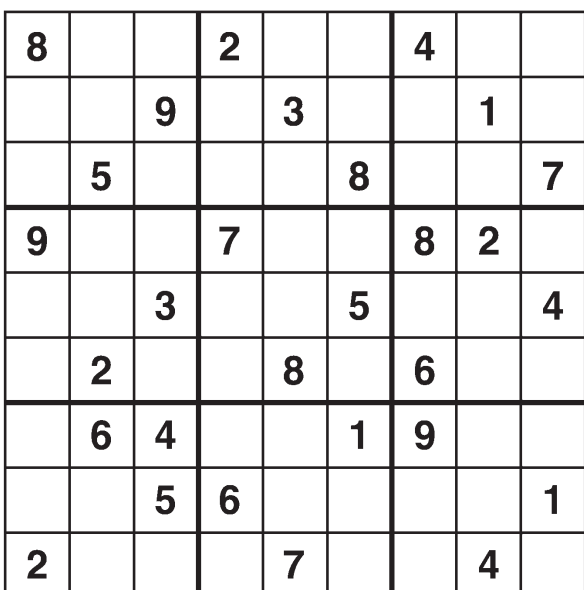

WEST ♠ K 10 8 7 ♥ 10 4 ♦ J 6 5 3 ♣ Q 5 3 EAST ♠ A Q J 3 2 ♥ 8 ♦ 4 ♣ J 10 9 8 6 2

South South West North Pass 1♥ Pass 2♦ Pass 2♠ Pass Pass 4♥ 6♥ Opening lead — seven of spades.

ing. Afraid of two spade losers, Trezel gave up on a possible slam and jumped to four hearts. But when Avarelli belatedly bid four spades, the bid boomeranged. Trezel was able to infer that Jais was short in spades, and backed his judgment by leaping to six hearts. The Italian pair could have sacrificed at six spades (down three), but the slam had been bid so shakily that they thought they might have a chance to beat it. Jais guessed how to play the diamonds and so scored 980 points, losing only a spade trick. At the other table, Pietro Forquet of Italy became declarer at six hearts with the North hand. But disaster struck in a strange way. The French East led the ace of spades and shifted to the jack of clubs. Forquet then claimed the balance, not realizing it was possible to lose a diamond trick if the suit broke badly. The opponents naturally contested the claim. The tournament director was called and gave the only ruling possible under the Laws. Forquet was prohibited from taking a diamond finesse against the jack and went down one in the slam, giving the French a gain of 1,030 points on the deal. C'est la guerre. House Finch

The rambunctious House Finch is found across the US

The House Finch (*Carpodacus mexicanus*) is unquestionably one of the most common, although lesser known birds in North America, occurring in every state in the Union. This was not always the case however, for at one time it was restricted to the western United States. The first introductions in the east began in New York in the 1940's, and from there it has spread rather rapidly throughout the remainder of

Wild About Texas

Michael Price

the continental U.S. It is not a migratory species, which means that it can be observed here at any time of the year.

Adult males of this species are quite conspicuous with their colorful adornment of a bright ruby-red breast and face. The back

and underparts are colored brown and decorated with lighter brown streaking. The wings are also streaked with black, and there are two narrow white wing bars. As is custom for the vast majority of songbirds, the female is by far the less colorful of the two sexes. Females have the same coloration on the back, wings, and underparts as the males, but they lack the brilliant colors on the head and chest area. Immature males are similar in coloration to the females. The tail is proportionately long, and is squared in appearance.

It is a small bird, with a body length of about six inches and a wingspan that can approach ten inches.

House Finches are one of the most rambunctious and noticeable of all of the avian species that occur in this area. Their calls vary from a simple chee to a series of multiple-toned chee-wheet. It often hops on the ground in search of food items which include seeds, grains, nuts, and fruits as well as small insects. When flying, the flight pattern is easily recognizable as it is an up and down path with rapid wing beats alternated with short periods of gliding with the wings pulled to the sides of the body.

These birds typically prefer to live in social groups during the non-breeding season. During the breeding season, they known to pair up with the male and female remaining monogamous during such time. The nest is constructed by the female and is typically found in human structures such as the backs of advertising billboards, street signs, and bird boxes. It will occasionally utilize abandoned nests from other species of birds. The 2 to 6 eggs are small (roughly 3/4 inch by 1/2 inch) and are usually colored a light blue with black spots that are found primarily on the larger end of the egg. These eggs hatch in about two weeks after being incubated by the female, and both parents share the responsibility of care-giving to the helpless young until they leave the nest approximately three weeks after hatching. Juveniles are colored similar to the adult females. Up to three broods per year have been recorded.

This avian variety is definitely one species of bird that has adapted quite well to human habitation, with many individuals seen foraging in lawns and gardens. They are not particularly bashful, and many will utilize bird feeders that are littered with seeds such as millet and sunflower. This species was first introduced to the eastern United States as a cage bird due to its dazzling colors.

Salado Volunteer Fire Department Report April 24-30

April 24
11:27-11:52 a.m., 100 Block Rock Creek Drive. Out for an unknown problem/man down. Arrived on scene to find an 89 year old female sitting on the ground. Patient stated she was fine and did not need EMS but she needed help up. Patient was helped off the ground. 1 unit, 1 personnel.

5:17-6:11 p.m., 500 Block Indian Trail. Patient transported. 2 units, 3 personnel.

11:29 p.m.- 12:00 a.m., 2200 Block FM 2268. Requested to respond for a 59 year old male with non-traumatic chest pain. Responded and on arrival Scott & White Medic on scene. Assisted to load patient. Scott & White transported. 1 unit, 4 personnel.

April 26
1:11-1:28 p.m., 285 NB. Out for a vehicle possibly on fire, went en route and arrived on scene to find 1 vehicle pulling a trailer no smoke or flames. Made contact with driver and found that a fire had started in the bed of the truck and caught some equipment on fire, but they were able to get it out on their own. Looked for any further hazard and found none. 2 units, 2 personnel.

4:31-4:41 p.m., 2484 and Lark Trail. Out for a Motor vehicle Accident unknown injuries. Arrived on scene to find a 2 vehicle accident with moderate damage all patients were out of vehicles and no additional injuries. Stood by until DPS arrived on scene, cleared. 2 units, 4 personnel.

4:49-5:08 p.m., 275 SB IH-35. Out to a single vehicle rollover. Arrived on scene to find Wilco Medic and Jarrell FD on scene. No assistance was needed, cleared. 5 units, 8 personnel.

April 27
8:46-9:07 a.m., 3500 Block FM 2484 Scott & White Clinic. Arrived on scene to find Scott & White Ambulance on scene with patient, assisted with loading patient. Scott & White transported. 1 unit, 1 personnel.

3:16-3:41 p.m., 200 Block Mary Ln. Went en route and arrived on scene to find the patient sitting in chair and alert. Patient stated his feet began to swell and said that he needed to be transported to hospital. Patient monitored until Scott & White Medic arrived on scene and took over patient care. 1 unit, 2 personnel.

April 28
8:42-9:00 a.m., 700 Block

Ashley Court. 80 year old male fell from standing to floor. Patient unable to get up, he denies any injuries. Assisted back into bed. 1 unit, 3 personnel.

1:12-2:02 p.m., 280 MM NB I-35. Out for a Motor Vehicle accident unknown injuries. Arrived on scene to find 1 vehicle accident with the front windshield bashed in from a truck tire hitting the windshield straight on. The vehicle had 2 patients in it and a bystander had stopped

to help. The driver of the vehicle was covered in glass and her daughter was uninjured from being in back seat. Took tape and started dabbing tape to help remove the glass from skin. Scott & White arrived on scene and got a no transport on both patients. We removed all of the glass that we could and DPS arrived on scene and made a report, wrecker loaded vehicle.

Fire report

8:35-8:58 p.m., Mary Ln. and Vanessa. Situation found: cat stuck in tree, patient name: Kitty Kat. Out priority 3 for a cat stuck in a tree. Went en route and arrived on scene and set up kitty command. Located the cat and began extrication from the tree. The cat was rescued from the tree and was set free. All SVFD units cleared. 2 units, 3 personnel.
 April 29

8:33-10:12 p.m., I-35 285 Service Rd. Out for an Motor Vehicle Accident unknown injuries. Arrived on scene to find a 2 vehicle accident with moderate damage to both vehicles. 1 vehicle was down in a retention ba-

sin and 1 patient out of the vehicle (the driver) leaning on vehicle, patient stated she was not hurt. Vehicle #2 had 3 patients in it and all needed to be transported. Called for secondary ambulance due to multiple patient's both patients on drivers side of the vehicle we could get out. The accident was a T-bone and we had to extricate the passenger patient by using jaws of life to open the door on passenger side. Once the door was opened we could get patient out of back seat. Passenger was the first patient to be transported due to head trauma, then the passenger and driver were transported after that, the driver of the other

vehicle decided she wanted to be transported. All patients were transported. Remained on scene and helped clean up the scene with wreckers. 3 units, 7 personnel.

11:48-11:56 p.m., 2100 Block Chisholm Trail. Arrived on scene to find the patient had slid down to the ground and could not get back up. Patient denied any injuries. Assisted with getting patient up and into her chair. Scott & White arrived on scene and took over patient care. Medic got a no transport.
 April 30

7:57-8:35 p.m., Holiday Inn Express. Out for a 51 year old male vomiting

blood. Went en route and arrived on scene at the Days Inn and attempted to make contact in the room provided by caller. Hotel worker provided us with master key to make entry, but advised there was nobody in that room. Room was checked and was empty. Advised center to call the caller back and confirm the hotel and room number. Center advised the caller had given the wrong hotel and was actually at the Holiday Inn. Went en route and arrived on scene with Belton Medic. Assisted with moving patient to stretcher and into ambulance. Belton Medic got a no transport on patient.
