Salado Six earn KTB Civic award

Keep Texas Beautiful recently announced The Salado Six as a winner of the 2017 Keep Texas Beautiful Awards - Civic Organization Award - Project, one of the awards it bestows to honor those who protect the Texas environment and support the organization's mission to make Texas the cleanest, most beautiful state in the nation. The Keep Texas Beautiful Awards - Civic Organization Award - Project recognizes contributions by civic organizations that support the KTB mission.

including litter prevention and community beautification, volunteerism, illegal dumping enforcement and education.

The Salado Six consist of volunteers, Hans Fields, Joe Oliver, Tommye Prater, Donald Hogue, Mel Williams, and Roy Harden, that have been committed to maintaining the landscape in the Village of Salado since 1998 by mowing, edging, planting, and increase visual enhancements for residents and visitor's enjoyment the natural beauty of the Village of Salado.

Award winners will be recognized at KTB's 50th Annual Conference, held June 12-14 in San Antonio. A full list of winners and award descriptions, as well as information about the conference can be found at www.ktb.org.

Questions continue on whether Disannexation Metes & Bounds close

By TIM FLEISCHER
EDITOR-IN-CHIEF

Questions about the metes and bounds of the proposed disannexation area arose at the April 8 town forum on Disannexation. The questions may linger long after the May 6 election, to be finally determined by the courts.

"We didn't have an engineer prepare this," said Salado FED UP spokesperson John Newman in response to a question about how the metes and bounds of the proposed disannexation area were determined. "I spent two months in county records preparing this."

Chapter 43 of the Local Government Code states in subsection 143 "Disannexation by Petition and Election in General Law Municipality" that the petition to the mayor of the municipality "describes the area by metes and bounds."

"We used the documents the Village filed in 2000 to set the metes and bounds of the perimeter of the city limits," Newman said. "And then we found the appropriate plats to set what would be

the future property line break line on that."

Newman discussed a comment at a previous meeting about the expense to the Village for engineering to determine if the metes and bounds close. "The Village's engineer spent a great deal of time and effort in trying to determine whether the metes and bounds closed. What we found in the documents filed with the county was that there was absolutely no way that they could close because they don't have calls for every dimension."

Newman said that the Village claims a rather expensive number on this, but "in fact, it would take any decent engineer a minute looking at this document file from the county to realize that there's no way you could do that (close the metes and bounds)."

"We tried to identify as best we could what the metes and bounds were," Newman said.

"It is our suspicion that they (Board of Aldermen) didn't turn it (petition for election) down on that (metes and bounds) is that the docu-

ments they filed in 2000 were no good," Newman said. "They would have to go in and defend what they did in 2000."

"It was supposed to be professionally prepared," he added.

Alan Bojorquez addressed the issue of "metes and bounds" and the 2000 incorporation election. "The standards to incorporate required the petitioners to submit a plat describing the area. The term plat is not defined anywhere in state law and has been interpreted to mean a map or drawing," Bojorquez' law firm represents the Village of Salado.

Bojorquez said he has seen more than a dozen incorporations during his two-plus decades as a municipal attorney. "I have seen where someone has gotten a county tax map and a Sharpie and drawn a border, circulated a petition, turned it into the county, had an election and become a city."

"No survey is required," Bojorquez added. "The county judge was satisfied in 2000. That is the end of the question."

However, regarding disannexation, the law is specific, Bojorquez said.

He added that the metes and bounds of the disannexation petition "included text and a drawing. The drawing was part of the petition that was circulated for signatures, the text wasn't, according to Bojorquez.

He added: "The map circulated with the petition does not line up with the map the engineer drew based upon the metes and bounds."

According to Bojorquez, there are multiple places, "some small and some quite large, where the lines do not meet."

"You can't tell based on the metes and bounds if a property is in or out, if it cuts through a house or not," Bojorquez said. "Those are some of the discrepancies. So whether or not the metes and bounds turned in with the petition meets the standard of the law for metes and bounds is yet to be determined."

"All we can tell now," he added, "is that they don't line up and don't meet."

Issue of paying bond debt likely to be litigated if May 6 election is successful

By TIM FLEISCHER
EDITOR-IN-CHIEF

If the disannexation election is successful on May 6, it is likely to be litigated.

One issue will be whether the disannexed properties will be liable for their pro rata share of the \$8.2 million in bonds sold for the Salado sewer system.

Local Government Code Sec. 43.143 deals with the pro rata share of debt for which the property owners of a disannexed area are liable. Sec. 43.148 addresses the refund of taxes and fees.

Sec. 43.143 (c) is clear on the debt. "If the area withdraws from a municipality as provided by this section and if, at the time of the withdrawal, the municipality

owes any debts, by bond or otherwise, the area is not released from its pro rata share of that indebtedness. The governing body shall continue to levy a property tax each year on the property in the area at the same rate that is levied on other property in the municipality until the taxes collected from the area equal its pro rata share of the indebtedness. Those taxes may be charged only with the cost of levying and collecting the taxes, and the taxes shall be applied exclusively to the payment of the pro rata share of the indebtedness.

This subsection does not prevent the inhabitants of the area from paying in full at any time their pro rata share of the indebtedness."

However, John Newman,

spokesperson for Salado FED UP (Friends of an Election for Disannexation) says that the property owners will not be liable for the sewer debt because of Section 43.148 REFUND OF TAXES AND FEES, which states "(a) If an area is disannexed, the municipality disannexing the area shall refund to the landowners of the area the amount of money collected by the municipality in property taxes and fees from those landowners during the period that the area was a part of the municipality less the amount of money that the municipality spent for the direct benefit of the area during that period."

When questioned about the sewer debt by alderman Frank Coachman at an April

8 town hall meeting on Disannexation, Newman said, "They're outside of the village. They won't be paying any Village taxes. All the Village taxes go away. And now you want to hit me with the debt stuff."

"There's 43.148 that you failed and this attorney failed to mention," he said.

Coachman said that when the properties are released from the city, they will no longer have the exemptions and "They will then pick up the debt service," the resident said.

"What debt service?" Newman responded.

"You're not providing sewer to those properties," Newman said, adding that because the properties re-

Meet your candidates for Salado Aldermen

Village of Salado voters will have a chance to meet the candidates for Aldermen face to face at a Candidate Forum 6:30 p.m. April 18 at the Salado Civic Center.

Salado Village Voice readers can read candidate profiles this week on Page 2A and online at saladovillagevoice.com. This week, the profiles focus on introducing the candidates. Future weeks will be questions directed at the candidates, beginning with the Disannexation petition and election in the April 20 edition.

Alderman candidates include Judy Fields, David T. Williams, Fred Brown, Andy Jackson, Christopher Tramel, Michael McDougal and Linda Reynolds.

At the Candidate forum April 18, moderator Dave Swarhout, Chair of the Chamber/Tourism Board, will introduce the candidates at the beginning of the session.

Each candidate will have three minutes for opening remarks which may include biographic information, platform information or any other pertinent information they wish to impart.

Questions will be collect-

ed from the audience, fielded and given to the moderator for the candidates to answer.

Each candidate will be given two minutes to answer.

Candidates will rotate during the question and answer session.

At the end of the question/answer period, in reverse order to the introductions, each candidate will be given two minutes for closing remarks.

Early voting begins for the Aldermen election. Also on the ballot is a local decision to consider disannexation of a large part of the Village of Salado.

Early voting will begin on April 24. The last day of early voting will be May 2.

Early voting will be conducted in person at the Salado Civic Center.

Early voting hours are these: 7:30 a.m.-4:30 p.m. April 24, April 26-28 and May 1 and 7 a.m.-7 p.m. April 25 and May 2.

Election day, the polls will be open 7 a.m.-7 p.m. at the Salado Civic Center.

The last day to apply for a ballot by mail is April 25. Applications for a ballot by mail must be mailed to Judy King, Village of Salado, P.O. Box 219, Salado, TX 76571.

Easter Sunrise Service set in Pace Park April 16

Saladoans are invited to the annual Easter Sunrise Service, beginning at 7 a.m. April 16 in Salado's Pace Park.

Each year, many of the local churches gather together to hold the Sunrise Service.

An Introduction to the Villagers running for Salado Board of Aldermen

Judy Fields

Born and raised in Odessa, Texas. Married, three children.

EDUCATION: Odessa High School; Texas Western College (UTEP)

CIVIC ENGAGEMENT:

Salado Resident 10 years:
 • Salado Historical Society—Director 7 years
 • Ladies Auxiliary—10 years

• Salado Area Republican Women
 • Citizens Emergency Response Team

• Citizens On Patrol
 • Tourism Board—4 years

• Worked to found El Paso Ronald McDonald House; board member 10 years

• CASA Volunteer-liaison serving abused children.

• El Paso Chevron Employees Credit Union—first woman serving on board—4 years

• Charter Member Loma Terrace Baptist Church

• El Paso Historical Society

Beaumont Resident: 8 years and Qatar Resident 2 years.

After serving on Salado's Tourism Council for four years, I am concerned by the striking year after year decrease in community events.

With the recent completion of Interstate 35 coupled with the soon to open Stagecoach restaurant, Salado is poised, once again, to accommodate a great volume of tourists. Saladoans should be making plans to extensively advertise our village and these events throughout this region, and the state. We are a beautiful village with a unique history. This unique history gives us a tremendous occasion to invite people to Salado's offerings.

My main goal in running for Alderman is to promote Salado by more awareness of who we are. Our location on I-35 gives us geographical advantages that must be utilized. Proper publicity will make travelers aware that Salado is a true must-see

destination point. We cannot allow a failing infrastructure to negatively affect the prosperity of our once thriving village. Our town and our citizens should flourish as we close the door on stifling highway construction and pave a new path to success for the village of Salado.

David T. Williams

My name is Dave Williams, and I am running for re-election as a Village of Salado Alderman.

I am married with 6 grown children and 3 grandchildren. My wife, Karen, and I have lived in Salado for 3-1/2 years. When house hunting in late 2013, we fell in love with the beautiful oak trees, winding roads, creek, and historic district of Salado. This is our home and our community.

I am recently retired. I previously served 27 years as a Marine Corps Officer, retiring as a Colonel; 10 years as a Department of Defense Acquisition Program Manager; and 6 years as a Hospital Administrator. I am a member of the Salado Lion's Club; Salado Historical Society; Order of Daedalians; Heart of Texas Corvette Club; Military Officers of America Association; and Chairman of the Central Texas Marines.

I have a Bachelors of Science degree from the United States Naval Academy and a Masters Degree from the College of Notre Dame of Maryland.

I chose a commission in the United States Marine Corps primarily because of the Corps ethos to, "Take care of your men before yourself." I understood and embraced the idea that leaders are placed in their positions of authority to serve those entrusted into their care.

I have continued to serve the citizens of Salado for almost two years as an Alderman. I am a firm believer that all citizens deserved to be treated respectfully and according to the ordinances and policies when it comes to municipal matters. I am a detailed person that asks a lot of questions to ensure we fully understand the issue at

hand and the potential consequences of our decisions.

What I am offering the citizens of Salado are the talents I have developed and the experience I have gained.

Fred Brown

I'm Fred Brown and I'm married to Jane Brown. We have been married for 42 years and have 2 grown daughters and 4 granddaughters. I am a deacon at First Baptist Church and Jane and I teach a married couples Sunday School class. You have trusted me to be an Alderman for the Village for the past 4 years and am currently your Mayor-Pro-Tem.

Prior to moving to Salado in 2011, I was the Texas State Representative for district 14, Bryan, College Station and Texas A&M serving 7 terms. During my legislative career I authored extensive higher education legislation and I also authored the senior and disabled homestead tax freeze. I served as the Chair of the Health and Human Services Oversight committee, Chair of the Regulatory Committee on Appropriations, Vice Chair of Higher Education, Chair of Budget and Oversight for Higher Education, and served on the Texas Legislative Council.

Prior to my election to the Texas House, I served 9 years on the College Station City Council, 7 as Mayor-Pro-Tem.

Jane and I built our first home in Mill Creek in 1977, and moved to College Station in 1982.

During the late 80s and the 90s we owned a second home in Salado and we knew this was where we wanted to someday return and call home.

It has been an honor for me to be able to serve the citizens of Salado under 2 great Mayors as we try to guide our Village through controlled growth while keeping the historical aspect of the Village in check.

Jane and I thank you for allowing us to be a part of this community that we so love.

Andy Jackson

I am Andy Jackson and I am running for alderman. My family has been in the central Texas area since the mid 1800's. My father was born and raised in Florence, my mother in Austin. I was born and raised in Austin. I began visiting Salado as a child and have returned often ever since. My wife, Kay, and I have chosen to make Salado our retirement home. We moved here about two and a half years ago and are both active in our community. Our three children are

married and live in Texas and California. I currently serve on the Planning and Zoning Commission, the Economic Development, Street Improvements, and Main Street Committees. I am involved in many local organizations and very active in the Salado Church of Christ.

I will retire from the University of Texas MD Anderson Cancer Center as their Purchasing Manager effective at the end of April. During my career, I worked for large and small companies and owned and operated a diverse set of businesses which broadened my competence in accounting, finance, investments, project management, personnel, purchasing, and most important of all, listening. I have attended almost every meeting of the aldermen since moving here. I have studied the issues, challenges and opportunities facing Salado. I have listened to different solutions offered by a wide range of developers, business owners, subject matter experts and interested citizens of Salado.

I believe I have a set of skills that will allow me to work with the other aldermen and contribute to a comprehensive plan that will allow all of us to benefit from the growth that is coming and at the same time keep our village as the wonderful place that brought each of us here. I hope you will consider me worthy of your vote.

Christopher Tramel

Raised in Killeen, the product of a military family, I enlisted in the Army immediately after graduating high school. I completed several duty assignments, both inside the United States

and overseas, including a combat tour in Iraq and PCS assignment to Korea.

After leaving the Army, I completed my education at Texas State University and certified as a Professional Property Inspector. Along with my wife Carrie Tramel I created Tramel Property Inspections and within three years, we were voted the best Home Inspection Company in the Central Texas area.

I believe in the premise of small government, the preservation of individual liberty, and government accountability. Further, I believe that those who are selected to govern should serve the people with integrity and a sense of respect. I am dedicated to the preservation, success, and well-being of the Village of Salado and its residents.

In my spare time, I enjoy fishing, outdoor activities and spending time with my wife Carrie and our four children Grace, Emma, Samuel Glenn, and Scarlett.

Michael McDougal

I am married to my wife, Carrol, who has lived in Salado for 29 years. I have

resided here for the past 12 years, but invested in Salado in the 1980's. My background is 40 years of service in the U.S. Army, retired as Major General, 29 years in Texas Public Education, retired as Superintendent of Schools in Sherman, Texas, and 10 years in Higher Education as an Associate Professor at SouthEastern Oklahoma State. While living in Salado I have been active in community service while serving on Boards of the Salado United Methodist Church, Salado Civic Center, Mill Creek Community Association, Lions Club, Association United States Army and the Bell County Historical Museum.

Serving on your Board of Alderman for the past 4 years has been a wonderful experience. Much has been accomplished, however, much remains to be accomplished. My view on the responsibility of service to all citizens, is to remember that I work on behalf of all. Yes, many decisions are required and many hours must be spent on behalf of the Village, but, that is what I signed up for. Staying abreast of factual information is absolutely essential in sound decision making. Anything less is not

what our citizens deserve or expect.

My view is that the Village Board should continue to place major emphasis on solidifying a primary reason that has attracted thousands of visitors to the Village in the past and will continue to do so. Our Historical value is well established and should continue to be highly promoted. This, coupled with continuing and enhancing the Main Street project, will create a better revenue position for our merchants and to the overall fiscal base of the Village. Your bond package approval will absolutely promote an extremely beneficial Village for us all.

Thanks for reading & for your vote consideration.

Linda Reynolds

Whatever the outcome of this election, I will support No Raising Taxes and a Sewer Rebate for Homestead Homes that pay for Developer Welfare. K.I.S.S.:

Keep it Small and Salty! Linda Alonzo Reynolds, born 1946, a Baby Boomer! I am the daughter of Eleazar Alonzo b.1921-Goliad Tx and Geraldine Newmarch b.1923 MI.

In 2016, I was a Salado alderman candidate and received 238 write in votes-A loss, but Thank You Salado Voters!

If at first you don't succeed...

In 1959 I was baptized at the Arlington Baptist Church in Indianapolis, Indiana.

I married James Farrin Reynolds in 1968 and graduated from Indiana University, 1969.

My daughter was born in Edmonton, Alberta Canada, 1970. (Ted Cruz born 1970, Calgary, Canada.)

I graduated in 1979 with a Masters from Syracuse University and my husband died in 1982.

Eventually, I moved to Bar Harbor, Maine to help his ailing mother and be near family.

My daughter graduated from Mary Hardin Baylor and works in nursing in Austin.

When I retired from teaching over 35 years, I once again moved to help my 93 year old mother remain as independent as possible.

In 2011, I moved to Salado where I bought a small house in a lovely, peaceful neighborhood. I voted for the sewer bond and thought I was helping the schools, the West side development, and Main Street businesses. After casting my vote, I discovered that the two young families in my neighborhood were moving to the ETJ.

Then I realized that even if you stand up and say you would like the leaders to support the peace, quiet and safety of your neighborhood, they don't care.

Whatever the outcome of this election, I will support No Raising Taxes and a Sewer Rebate for Homestead Homes that pay for Developer Welfare. K.I.S.S.: Keep it Small and Salty!

Democracy in action at the Town Hall meetings April 4 & April 8

Thank you for attending two Town Hall meetings, Tuesday, 4 April, and Saturday, 8 April. The number of people that attended indicated that Democracy is alive and well in Salado. As Alan Bojorquez, Village Attorney, said, "This was good. Put everything out on the table, discuss it, and make personal decisions. I am proud of Salado citizens for taking this approach and attending. I am glad I participated and was able to make a contribution."

A family considering buying a Salado home, called Sunday: "We attended Saturday's Town Hall because we

Mayor Skip Blancett

heard much Salado negativism in North Texas. However, when we heard Salado citizens speaking eloquently of their Salado love, we are moving to Salado as quickly as possible."

Note from Congressman John Carter's Office arrived last week: "I chatted briefly with U.S. Fish and Wildlife Service re: Salado. While they are progressing

on a biological opinion and don't foresee any huge headaches, I urged them to keep in touch with the Village as things move forward."

TXDoT is working on the following: (1) the Salado Plaza Bridge lights (2) the request for 2 Cultural District signs on I-35, (3) the status of I-35 Purple Heart Village signs, and (4) the Main Street sidewalks and streetlights.

The Village is working on a truck route for big trucks. Our narrow streets and water bridge cannot take their weight or size. (2) Large neighborhood trees with low hanging branches. Our new

City Administrator and Police Chief will address these issues.

Lone Star E-Bikes, electric motors bikes for people who love and want to bike but are not physically able, is strongly considering Salado.

Sage Hill Market is moving into the Horsefeathers building.

Howling Wolf purchased the buildings across Main street from the Range, refurbishing them, and will soon move to that location.

Neighbors self judgement defended by reader

To the Editor:

I consider Nancy Snead a long time friend of my family. Her children and my children went to Salado schools together back in the early 80's. I respect her as an educator, citizen and a person who still has her independent spirit about her.

Nancy, I don't think anyone would consider you "a lemming who will blindly follow the dictates of anyone". News flash neither am I. You and I must not know the same senior citizens. The ones I know are some of the best informed, well educated, independent thinking people in our village and they vote in large numbers.

Your Voice

Letters to the Editor

I am voting against the de-annexation of part of our beloved Village. I returned home to Salado, not Mill Creek. My roots are deep here; my grandparents came here in 1935 to make a better life for their family. Yes, my taxes are "capped" but I don't apologize for that fact. This November I will be 75 years old. I have had a job since I was 13 and do to this day. Maudie and I have worked hard all of our 53+ years of

marriage, lived on a budget, we skimmed and saved but through it all we have been and continue to be blessed. With a lot more years behind us than are ahead of us, it is ok if our taxes are capped. It is ok that we get to vote on this issue.
Darrell Street

PS. I had to look up the definition of the word "lemming."

Andy JACKSON
FOR ALDERMAN
A better Salado for all of Salado

Salado's Future: NOWHERE

It all depends on how you see it. It's the choice facing every citizen of Salado. You can choose to read the seven letters above as "NOWHERE," which is where we are headed as a village if we continue to do nothing. Or you can choose to read it as two words: Our future is "NOW HERE."

I believe the time is NOW and the place is HERE. The next two or three years are an unprecedented time for Salado to move forward and improve our image, our infrastructure and our natural beauty as a village.

If you agree, I seek your support to become a new member of the Board of Aldermen.

The Chisholm Trail American Business Women's Association is busy planning their 22nd Annual Style Show and Benefit Luncheon set for Thursday, May 11. The event starts at 11 a.m. at The Venue, 200 College Street. The meal will be catered by The Range at Barton House. Spring fashions from Christy's, Springhouse, Magnolia's and Susan Marie's will be modeled. Tickets are \$30 and may be purchased at any of the participating shops, from any local ABWA member or by mailing a \$30 check to Barclay McCort, 406 Royal View, Salado, TX 76571. Checks are to be made out to Chisholm Trail Chapter ABWA. Reserved tables of eight are available also. Contact Barclay McCort at barclaymccort@gmail.com for more information.

Body of Christ Clinic fundraiser held at Mary Hardin Baylor

The Body of Christ Community Clinic (BOCCC) will hold its fourth annual fundraising banquet 5:45 p.m., May 2 in the McLane Great Hall on the campus of the University of Mary Hardin Baylor.

Headlining the event this year is a very special musical duo, David Perez Guerra and Roger Bennet who will present "Sharing the Joy of Music." These two very talented musicians have been performing across the state with their unique blend of

classical and modern music.

The theme of this year's banquet is "Together We Heal," celebrating the achievements of the BOCCC's building and opening a new dental clinic last fall, and recognizing the need for the BOCCC's continual outreach to meet the need of area residents. One key fundraising focus, with this year's banquet, is the goal of raising sufficient funds to be able to expand the operating hours of the clinics.

Individual ticket prices

for the event are \$40 per person or a table of eight may be purchased for \$300. Other sponsorships levels include \$500 for Gold, \$1,000 for Platinum, \$2,500 for Patron, and \$5,000 for Sustaining. Tickets may be purchased from the BOCCC's medical clinic located at 2210 B Holland Road in Belton. Reservations need to be made by April 21.

Board Chairman, John C. Perry, said, "This is our major fundraiser and we certainly hope that the people in Belton, Salado and Temple will come out and help us. They have been so very generous in the past, and even though we have finished the new dental clinic, we need the funds to be able to expand our hours." Donna Dunn, Executive Director, added, "We have been so very blessed by the wonderful support we have received, and we hope to further our mission of helping those who need our help. Our banquet will help us to raise the funds to do just that."

Salado Habitat Initiative earns grant to develop monarch butterfly sanctuary

Birding, bee, and butterfly enthusiasts are beginning to hear the buzz about Salado's newest grant program for the development of a natural habitat for Monarch butterflies along Salado Creek.

On April 4, Monarch Watch - through The University of Kansas - awarded the Salado Habitat Initiative its first grant to begin the development of habitat essential to the monarch butterfly.

The habitat will be along the banks of Salado Creek, which will be filled with Texas native plants, nectar plants, and other native pollinators. Initial efforts are to be inclusive of plant species that attract honey bees, hummingbirds, and monarch butterflies.

The Salado Habitat Initiative has begun discussions with Texan by Nature, an organization based in Austin and founded by Laura Bush. Salado Habitat Initiative is seeking designation as a Monarch Wrangler by Texan by Nature.

Commitments for the hab-

The Monarch Caterpillar (larvae) eat for two weeks until they enter the chrysalis stage. After metamorphosis they emerge as the familiar orange and black butterfly.

itat designation can include developing a three-year management plan, removing invasive species, creating and posting educational signage, conducting native plant identification tours, and tagging monarch butterflies to help track migration.

The Salado Rotary Club, under an agreement with the Pace Park Board of Trustees, will improve access to the habitat, so that visitors to Pace Park can enjoy not only the beauty of the flowering plants, but also the seasonal migration of butterflies, birds, and bees pollinating our area.

The Salado Rotary Club already assists with grounds keeping and maintenance for Pace Park. Members of

the local chapter are coordinating with other volunteers to prepare the soil and have irrigation ready to encourage plants to take hold.

Keep Salado Beautiful is engaging in these efforts by contributing the guidance of their Certified Master Gardeners and Master Naturalists toward the cause.

Requests to help prepare the land, place the plants, keep records and to film the progress of the project are many. Salado Citizens and organizations are invited to come forward and participate in this effort to beautify and enhance the Village.

If you would like to assist, write to the Salado Rotary Club, P.O. Box 965, Salado, TX 76571

ceive no direct benefit, they cannot be taxed.

"The municipality in their ordinance of disannexation will release the property in lieu of no back pay on those refunds of taxes and fees," Newman adding, pointing to a disannexation in Mission, Texas.

Coachman countered, "Because you are in the boundary that voted on the sewer bond, you are liable for that."

"Well," Newman said, "we're ready to litigate on that."

"If 43.148 did not exist, this wouldn't happen. But it exists and it's happening now," Newman said.

Bojorquez deflected the section 43.148 as not being applicable to the debt service for the sewer bonds.

He pointed to the experience of his staff attorneys Laura Mueller (who worked with Texas Municipal League (TML) and Linda Sjogren (former city attorney for San Angelo and Big Spring).

"We are in unison on this," he said.

"If that property disannexes and if there is bonded indebtedness at the time of disannexation," they are liable for the debt. "There is no ambiguity, there is no vagueness. The language is clear."

Furthermore, "the tax code makes it clear that a municipality only has authority to grant any exemption within the city limits," Bojorquez said. "If a property is no longer in the city limits, the Village of Salado will have no authority to provide any sort of cap or exemption on taxes."

"Somebody who may not be responsible for the debt service today, is going to be responsible for the debt service after May," if the disannexation election passes, he said.

"When voters voted to approve bonds, the Attorney General's office has gone through and approved the issuance of those bonds," he said, "it is as though a lien has been put on those properties."

SHS One-Act Play St. Hugo heads to state competition

The Salado One-Act Play is headed to the state meet for the eighth time in the school's history. This year's play, St. Hugo of Central Park, will be the first to perform at the Conference 4A contest 4 p.m., April 12 at the Round Rock ISD Performing Arts Center.

Changing styles from their past productions of historical drama, this year's play is a dark comedy based on a fictional messianic archetypal plot.

Hugo DePew is a young man with an unusual ambition: he wants to be a saint. Hearing the voice of God, Hugo goes to live in Central Park to tend the pigeons. A miracle occurs: a blind man is cured and Hugo is on his way to sainthood, but there is

a horrifying catch to his God-given power in this whimsical fable for all audiences.

Members of this year's SOAP team are: Payton Blisard, Hayden Morris, Kaydee Free, Bobby Cunningham, Rayne Polkowski, Nolan Maldonado, Cynthia Howell, Ashley Ruiz, Sydney Blisard, Kelsey Marquis, Noah Barker, Faith Madsen, Nathan Cahoon, Christian Ortiz, William Arnett, Paige Aydell, Marshall Hildebrand, Jacob Mandeville, James Siwert, Sebastian Welch, Heidi Kelley, Maddie Kruschinsky, Maddy Martinez, and Loriann Turk.

The play is directed by J.J. Jonas and Dixie Darling McCollough.

The following students earned individual awards at

the Regional Competition: Best Actor - Payton Blisard; All Star Cast - Kaydee Free; Honorable Mention All Star Cast - Rayne Polkowski; Honorable Mention All Star Cast - Bobby Cunningham and Outstanding Technician - Paige Aydell

The only public performance of this play will be held at 7 p.m. April 18 at the high school cafeteria.

Also, the following students earned individual awards at the Area One Act Play competition: All Star Cast - Payton Blisard; Honorable Mention All Star Cast - Kaydee Free; Honorable Mention All Star Cast - Faith Madsen and Outstanding Technician - Paige Aydell.

Baseball second in District

Salado Eagles are second place in district 19-4A after beating Lampasas, Burnet and Leander Glenn in recent games. The Eagles are 6-2 in district and 12-10-1 on the year.

Salado put the Mercy Rule in effect in a 12-2 win over the visiting Burnet Bulldogs on April 10. The Eagles had nine hits while the Bulldogs had five.

The Eagles scored seven runs in the first, Drew Dobbins led off the game by reaching on an error by the second baseman. He went to second on a wild pitch. Ryan Oakes walked, Belton Farr laid down a sacrifice bunt toward the pitcher but reached first on the throw. The bunt scored Dobbins and Oakes went to third. Jacob Wilk doubled to score Oakes and move Farr to third. Kade Maedgen singled

to score Garr and advance Wilk. Parker Seaton tripled to deep right scoring Wilk and Maedgen. Rustin Hale grounded into the infield and Seaton was caught trying to reach home. Hale scored on a double by McKinney, who scored on an error.

Farr walked to lead off the bottom of the second. A single by Jacob Wilk moved him to third. He scored on a passed ball.

Farr scored again in the fourth. He hit a double to left and stole third. Jacob Wilk doubled to deep left to score Farr. Wilk advanced on a ground out and scored on a single by Seaton.

The Eagles added two more in the bottom of the fifth to end the game early. McKinney walked. An error put Parker Shelley at first and McKinney at second. Another walk loaded the bases. McKinney scored on a sacrifice fly by Oakes. Shelley stole home to end the game.

Eagle Softball second in District

The #12 Salado Lady Eagles are in second place in perhaps the toughest softball district in the state.

District 19-4A has three teams in the top 25 as of the latest Texas High School Girls Coaches Association (THSGCA) poll. Liberty Hill, with a 22-1-1 record is tops in the state. Salado is ranked #12 and Lampasas, which the Lady Eagles beat 7-2 on April 4, is ranked #24.

Nearby District 20, which District 19-4A will pair off against in the first round of the playoffs, has two teams in the top 25: #10 La Grange and #14 Giddings.

District 17-4A, which boasts #2 Lorena and #11 Robinson, is also part of Region III.

Jenna Calder threw out a runner trying to steal third base in the bottom of the sixth and Rebecca Dockray struck out a batter for the final two outs in the 10-0 rout of the Leander Glenn Lady Grizzlies by the Salado Lady Eagles April 7 on the road.

The Lady Eagles out hit the Lady Grizzlies 13 to five. Dockray struck out five batters, allowed five hits and walked two. The defense allowed no runner to get past second base.

Meanwhile, the Lady Eagles scored four runs in the first, five in the fifth and put the final nail in the coffin with a solo homerun by Christin Wilson in the top of the sixth.

Piper Randolph led off the game with a single and stole second base. A single by Dockray put runners at the corners and Calder slapped a two-run double into left. She stole third and scored on a passed ball to give the Lady Eagles a 3-0 lead before the first out of the game was recorded.

Marissa Gonzales hit a full-count pitch for a single and went to second on a passed ball. With two outs, Bailey Tindell hit a single to center to score Gonzales.

Calder led off the fifth with her second double of the game. Wilson knocked her in on a single to center. A single by Gonzales put runners on the corners and Gonzales stole second before a double by Brooke Miller scored both runners. Miller advanced on a ground out but was thrown out at home on a fielder's choice that allowed Lindy Martin to get to first. An error by the left fielder allowed Abbie James to reach second and Martin to go to third. Both runners scored on a single by Dockray.

Bailey Tindell allowed just five hits off of the Lampasas Lady Badger bats and struck out three to notch a complete game win over the #24 team in state on April 4.

Salado led throughout the game, scoring two runs in the first, two in the third and three in the fifth.

In usual fashion, Piper Randolph led off with a single for the Lady Eagles. She got to third on a well-

laid down bunt by Rebecca Dockray. An error by the first baseman allowed Randolph to score and Dockray to go to second. An error by the pitcher let Dockray go to third. She scored on a bunt by Christin Wilson.

In the third, Jenna Calder led off with a walk. Christin Wilson hit a double. Marissa Gonzales singled to score Calder and put runners at the corners.

Elizabeth Ford hit into a double play, but Wilson scored on the play.

In the bottom of the fifth, Dockray was hit by the pitcher and Calder walked. Wilson singled and an error by the centerfielder allowed Dockray to turn third toward home. With runners at second and third, Gonzales singled to score Calder. Regina Deen laid down a bunt, but an error on the catch by the first baseman allowed Wilson to score.

Wilson led the girls going 3-for-3 with an RBI. Randolph and Gonzales both hit two singles, Gonzales had two RBI.

Boys Soccer takes All District honors

Costas Loullis is the District 25-4A Most Valuable Player, Trey Sheppard is the Goalkeeper of the Year and Coach Michael Goos is the Coach of the Year in boys soccer. District 25-4A announced its All-District boys soccer team late last week and Salado had five players named to the First Team, five named to the Second Team and three received Honorable Mention.

Loullis, a junior led the boys to a 22-3 record as Center Forward for the Eagles. He scored 26 goals and gave four assists for a total of 56

points.

Sheppard, also a junior, was the Goalkeeper MVP. He had 185 saves and recorded 16 shut outs, a school record for the Salado Eagles soccer program.

Also named to the First Team All District were seniors Daniel Magadan and Camden LaCanne, both attacking midfielders for the Eagles.

Magadan scored 20 points for the Eagles in 2016-17, with seven goals and six assists.

LaCanne scored 19 points, with seven goals and five as-

sists.

Junior Brandon Rodriguez is the third underclassman to receive All District honors. He was a defensive mid-fielder for the Eagles and scored seven points for the Eagles with two goals and three assists.

Second Team members were seniors Ryan Cook and Sam Shearer, juniors Armando Castillo and Kaden Smien and sophomore Caleb Chambliss.

Senior Luke Markham, junior Manuel Tonchez and sophomore Jack Spradlin all received Honorable Mention.

Baseball continued from 1B

outs, Belton Farr singled to score the runner. He stole second and scored on a single by Wilk. Kade Maedgen singled and Rustin Hale hit a booming right to score both runners.

Cullen McKinney led off the fourth with a double. Garrett Knight singled to right to put runners at the corners. Drew Dobbins hit a sacrifice to centerfield to score McKinney. Ryan Oakes hit a single to right to put runners at the corners. Jackson Arrendondo grounded out to short, scoring a runner. Wilk singled to right to Oakes before the third out was recorded.

Salado Eagles shut out the Lampasas Badgers 9-0 in a home game April 4.

The Badgers got into scoring position four times, but

the Salado defense stymied Lampasas by leaving runners stranded or putting the runner out trying to get home.

Salado scored two runs in the first, third and fifth innings and three runs in the fourth.

Drew Dobbins and Ryan Oakes got on base with back to back walks in the first. Dobbins stole second and went to third on a passed ball before scoring on an error. Oakes went to second on a wild pitch and then to third on a single by Tate Harvey. He scored on a sacrifice fly by Jacob Wilk for a 2-0 lead.

In the third, Belton Farr and Harvey both walked. Farr stole second and advanced and scored on passed balls. Harvey scored on an error.

Dobbins singled with one out in the fourth. He stole

second. Oakes walked and both runners advanced on a passed ball. An error allowed Harvey to go to first and Dobbins to score, but Oakes was tagged out trying to get home. Wilk knocked a triple to deep right scoring two runs and giving Salado a 7-0 lead.

In the fifth, Kade Maedgen singled to left. Parker Seaton followed with a single to deep right. Cullen McKinney sacrificed to deep left, scoring Maedgen. An error allowed Rustin Hale to reach and Seaton to score.

Wilk pitched six innings, getting the win for Salado. He allowed four hits and struck out 10 batters. Max Marin closed the game, striking out one in his appearance on the mound.

Art Attack weekend April 28 - 30

Salado hosts the first annual "Art Attack" April 28-30 with a multitude of events featuring culinary, literary and musical venues

Activities and events will be held throughout the Village with the fun beginning Friday night with the regularly scheduled Fourth Friday of the month Royal Art Walk (RAW -royalstreetartwalk.com) 6-9 p.m. April 28.

Charlie Robison will be the headliner at Johnny's Outback. Gates open at 6 p.m. Tickets are available at johnnyssteaksandbbq.com.

A multitude of events are scheduled for Saturday, April 29.

Playing on the military "attack" theme these two venues will send you on a public art reconnaissance mission to find the art checkpoints. You take a selfie for proof of your find and to win points for earning your rations.

There will also be "Artists in Action" in both locations to the likes of some very famous sculptors. Come find your inner artist with these interactive sessions. Kids can come too with their very own rations and fun.

Addressing the literary aspect, plan to attend the Salado Public Library's special screening of a New York Broadway play, "Act One" starring the television actor Tony Shalhoub and Andrea Martin at 10 a.m. April 29. Admission is free, but you must register attendance at salado.com

Tablerock Amphitheater also gets in on the weekend literary action with a "Storyteller" themed extravaganza! Learn how to be a storyteller in two sessions of classes and then come to be entertained

Shane Adkins will perform April 29 at the Salado Museum as part of the Texas Fingerstyle Guitar Association gathering in Salado during Art Attack weekend.

as you get to hear some tall tales and other entertaining stories from bonafide providers of this literary craft.

Session one of the Storytelling Class presented by professional storytellers will be 9:30-noon April 29 at Tablerock. Session two will be 1:30-4 p.m. Cost is \$20 for adults and \$10 for children 12 and under.

Later in the evening, the Professional Tejas Storytellers will take the stage at Tablerock Amphitheater 6:30 p.m. April 29. Enjoy a casual dinner of hamburgers, hot dogs, snacks and drinks

at Tablerock Concessions and then from 7-9 p.m. listen to these talented artists. Tickets are \$10 for adults and \$5 for children 12 and under.

Tablerock also hosts Live Oral Review (LOR). Time to record for time immemorial yours, a family member, a friend's etc. life story! Professional Productionist, Joe Pehoski, has created this system that can evoke memories that capture the essence and values of life. Interview sessions are 1.5 hours long and begin with earliest memories and continues into adulthood capturing all kinds of mo-

ments. Only three sessions will be held for one individual per session. Two CD's are created ---one unedited and one edited. There will be three sessions available for one person per session at \$150 each. Times are 8:30-10 a.m., 10:30 a.m.-noon and 1:30-3 p.m.

Sign up to be in a Salado commercial being filmed downtown at 11 a.m. April 29. Register at salado.com.

Covering the musical aspect of "Art Attack" will be The Texas Fingerstyle Guitar Association providing an afternoon concert from nationally known guitarist, humorist, storyteller and finger picking champion Shane Adkins. The concert will be 1:30-3 p.m. April 29 at the Salado Museum, 423 S. Main St. Tickets are \$20 for adults and \$10 for students. This concert is part of the Texas Fingerstyle Guitar Association weekend gathering at the Salado Museum & College Park 9 a.m.-7 p.m. April 29 and 9 a.m.-4 p.m. April 30. The public is welcome to attend any part of the weekend meeting event.

Art, Art, Art! - The Salado Gallery Trail will give you the opportunity to meet and interact with local artists at Salado's finest art galleries. Resident and special invited artists who show nationally and internationally will be actively working and interacting with guest. Savory snacks will be provided for your enjoyment. Purchase tickets online then pick up your Passport for the Trail at the Salado Visitor Center. Tickets are \$39.95 for adults 21 and over.

Salado Museum names new Curator

The Board of Directors of the Salado Museum and College Park (SMCP) has named Madeleine Calcote as Executive Director/Curator for the historic museum effective May 2.

Calcote holds a Bachelor's degree in Art History with a focus in Museum Studies from Millsaps College in Jackson, Mississippi, and will graduate from Baylor University in Waco, Texas, this May with a Master's degree in Museum Studies.

"Calcote worked as an

intern and projects assistant here at the museum last year during the early stages of our current revitalization program," says Bill Kinnison, SMCP president. "The program includes a facelift for our 100-year-old building, an upgrade of the exhibits and an expansion of museum programs.

Calcote will join supporters of the museum in our ongoing effort to create exhibits and host events that highlight the rich heritage and history of Salado."

Madeleine Calcote, Curator for Salado Museum and College Park.

Recently, she completed a large collections project at the Dr. Pepper Museum and Free Enterprise Institute in Waco, processing and accessioning over 500 objects in a 12-week period.

The Salado Museum and College Park, a 501(c)(3) non-profit organization, was formed in January 2017 with the merger of the historic Central Texas Area Museum (est. 1959) and the Robertson Colony-Salado College Foundation (est. 1973). The mission of the newly formed organization is to promote and preserve the pioneer history of Salado, through educational programs and the exhibition of artifacts, books and papers that document the settlement and heritage of this area.

The Museum is located at 423 South Main Street in Salado across from the Stagecoach Inn. College Park is just south of the museum. www.saladoscottish-festival.com.

Prudence and common sense

Contract Bridge

By Steve Becker

In the play of many deals, the winning action is found only because of a fear that certain key cards might be unfavorably located. At times, however, this feat should assert itself during the bidding of a hand, before the play has even begun! For example, take this case where South wound up in six spades after the sequence shown.
West led a diamond, and the slam went down the drain when East took the first two tricks with the A-Q of diamonds. Undeniably, it was bad luck to lose the slam because West found the killing suit to lead and East held the ace and

South dealer. Both sides vulnerable.
NORTH: ♠963, ♥AK5, ♦K72, ♣AKQ4
WEST: ♠7, ♥J964, ♦10983, ♣J862
EAST: ♠84, ♥Q1072, ♦AQ5, ♣10973
SOUTH: ♠AKQJ1052, ♥83, ♦J64, ♣5

The bidding: South West North East
4♠ Pass 4NT Pass
5♦ Pass 6♠
Opening lead — ten of diamonds.

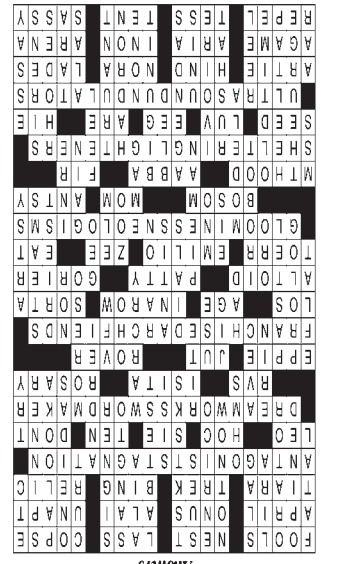

North should have reasoned that, if South had the seven spade tricks he was likely to have for his vulnerable four-spade bid, 12 tricks were certain -- provided the defense did not take the first two diamond tricks. This should have convinced North -- after using Blackwood and learning that South had only one ace -- that the slam would be far safer if East was the opening leader instead of West.

It might seem odd for a player to prefer six notrump as his final contract when he knows that he and his partner have at least a 10-card trump suit to lean on. But prudence, common sense and the safety factor all dictate that North should be declarer, and that thought should take precedence over everything else.

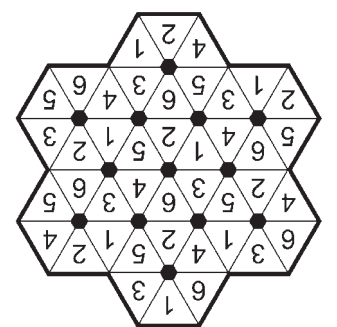

(c) 2017 King Features Synd., Inc.

queen. Even so, the fact remains that North was remiss during the bidding when he chose to bid six spades instead of six notrump, which was ice-cold against any lead.

Birdwatching 101

Generally speaking, most people have a hobby or two in which they enjoy participating in aside from their daily routines. For some it may be playing or just watching sports, for others it may be something like stamp collecting or coin collecting, and for others it may be fishing or hiking. There is a hobby that has really taken hold in the United States over the past several decades and that is birdwatching, or birding for short.

It has been estimated that more than sixty million people in the United States participate in birding annually. And this great state of ours is a prime area to birdwatch due to favorable weather conditions, as well as geographical placement.

As I begin to generalize a short overview about this hobby, let me just say that the space allotted for this column is not nearly enough to cover the hows, the whats, the whens, the wheres and the whys of birding. It is meant to literally be an overview of a tremendous opportunity to get outdoors.

If one is interested in birding, there are several items that can be considered to be necessities to obtain before beginning. The first is a good bird identification book. There are several quality books to choose from,

Wild About Texas

Michael Price

and making that selection depends largely on how serious you see yourself participating in the hobby. One of my favorites is the Birds of Texas by Fred J. Alsop III. This is one of several field guides by the Smithsonian Handbook series. The next item to obtain would be a good set of binoculars. These are needed for those hard-to-see species that are too small or too far away to make a positive ID. Another item would be a good digital camera. A few years ago, a digital DSLR with a large telephoto lens was the way to go. Now, there are several point and shoot cameras that have up to twelve times zoom capabilities, as well as several megapixels, available for a third of what a single DSLR telephoto lens costs. Digital cameras are really good to use in the field as they allow you to photo a bird, then zoom in for a closer look to aid in the identification.

When in the field birdwatching, there are several questions to ask and answer about a bird's body to assist with making a positive identification. First impressions

are the most important in making that ID. Is the head striped, crested, or capped? Is there markings present on the face, such as masking, eye rings, or ear patches? Is the color of the body plumage red, blue, or brown? Are the underparts spotted or streaked? Is the tail forked, rounded, long, or short? Is there distinctive markings on the tail such as spots, bands, or bars? What about the bill? Is it needlelike, or is it hooked, or is it cone-shaped? There are also other things besides physical attributes to observe. What is the surrounding habitat like? What kind of voice does the bird utilize? What is its behavior? Does it hop on the ground, does it fly from bush to bush, or does it soar? What is its flight pattern? Does it exhibit a direct straight line flight? Or does it hover or zig-zag?

As you can see, there are several key elements in learning how to be a birdwatcher. But with the mastery of these elements, then you are well on your way to become an experienced birder. Happy birding!

Spring has arrived early, bringing weeds with it

By LYLE ZOELLER
Co. Ext. AGENT

Spring has come a bit early this year and so has the Range and Pasture annual weeds. I encourage everyone who is planning some weed control to consider several factors before spraying an herbicide to control weeds.

The first step in weed control is to identify the Weed or Weeds to be controlled. There are potentially two types of Weeds to be controlled, Broad leaf weeds or Grassy weeds. The Broadleaf weeds are most common on our Range lands

and can be easily controlled with a wide Range of products. The Grassy Weeds are more likely a problem in Coastal or Klein grass fields. Controlling a grass in a grass is somewhat difficult as there are limited options.

The most common weeds to spray for would include common broom weed, ragweed, upright prairie coneflower, Henbit, mustards, and many others. Weeds are most effectively controlled when they are very small. I have noticed the Broom weeds at 3-6 inches tall already. Time is here to spray for them.

The Grassy Weeds like little Barley, Rescue Grass and Texas Winter Grass should have been controlled when the warm season pastures were dormant in February.

The proper use of any of the Weed controls products is extremely important. Many products are "limited use" or "restricted use" and require a pesticide applicator license from the Texas Department of Agriculture. Another issue is proper application to avoid "drift" of the chemical product. Cotton is extremely susceptible to many of the common

products used on Range and Improved pastures. Drift damage can be seen for several miles in some cases. Be cautious around vegetable gardens and fruit trees. Tomatoes plants are also very susceptible to damage.

Rangeland Brush control is typically a mid-summer to early fall applications. When looking to control mesquite with a foliar product, the leaves need to have turned to a dark green color. They are currently a light, bright yellow/green. Basal treatments or Individual Plant Treatment (IPT) can be done anytime.

Always read and follow all the labeled directions, "The label is the Law".

Texas A&M AgriLife Extension has several good resources to help identify plants and make control recommendations at The AgriLife Bookstore.tamu.edu. Weed ID can also be done by emailing photos to L-Zoeller@tamu.edu

Upcoming Events

Small Grain Field Day - McGregor, 7:30 a.m.- noon, April 28. Sponsored noon lunch. CEU's provided for individuals with a pesticide applicator license. Registration is \$10. RSVP, for meal

count by call 254-933-5305.
