

Jammin' for the Kids at View at the Creek

Bell County has the second highest number of children in foster care as any county in Texas, with 277. This is only 41 fewer than Travis County and 158 more than Harris County, 128 more than McLennan County and 15 more than Williamson County.

To support the needs of Lighthouse Family Network, a not-for-profit agency that provides foster care services, the Texas Jamm Band will perform in concert at Jammin for the Kids on Dec. 14 at The View at the Creek.

The Texas Jamm Band is comprised of members of George Strait's Ace in the Hole Band.

In 1993, a phone call was made to a couple of members of George Strait's Ace in the Hole Band from a member of Clay Baker's Texas Honky Tonk Band, which had often played shows with George and Ace in the Hole.

The inquiry was about starting up a country jam session at a small, but popular night club on the square of San Marcos. The jam would provide a place for players and singers to hone their skills on a normally off-night and give some of the Ace in the Hole guys a place to pick when they weren't touring with George Strait. The first Monday Night Jam was March 8, 1993.

The weekly jam session

grew in popularity over the years with musicians from all over coming through town and joining the house band on stage.

Soon that house band began to receive offers to play at other venues and events around the states.

Because the band was born and reared at a jam session, they took the name Texas Jamm Band.

The Texas Jamm Band will perform at The View at the Creek, Salado's newest performance and gathering venue, offering an up-close and personal evening with these performers.

In addition to the music, there will be auctions, raffles and drawings of music memorabilia signed by legendary Country Legends.

Jammin for the Kids is a fundraiser for Lighthouse Family Network to help them recruit foster parents and caregivers to care for Bell County foster children and to train foster parents and staff. Lighthouse receives 10-12 placement referrals per day looking for a safe place for foster children.

Fewer than 20 spots are left for the evening. To reserve your spot, call Linda Lopez at 254-947-3152.

Reserve your spot by making a donation to Lighthouse Family Network by Dec. 1. You can email Linda at linda@lfnetwork.org.

Empty Bowl

Salado Family Relief Fund held its only fund raiser of the year, Empty Bowl, on Nov. 16 at the Salado High School cafeteria. The event featured handmade pottery bowls and soups prepared by the local restaurants, inns and shops in Salado. Shown at top, Paul and Shirley Cox and Ingamaj Knudson look over a table of desserts and bowls. Above left, a collection of bowls were ready for participants to take home and add to their collections. Above right, Connie Cryar looks over the selection of soups while Laura Novotny and Brittani Broussard (Salado Family Relief board members and volunteers) wait to fill her bowl. Salado Family Relief Fund relies on the success of the Empty Bowl each year to fulfill its program of providing Christmas gifts to approximately 150 children from about 50 families living in Salado who are economically disadvantaged. The SFRF works with local churches, service groups, businesses and individuals to provide those Christmas gifts. The SFRF also provides back-to-school supplies for about 150 school-age children in Salado ISD each year. The 501(c)3 also provides assistance during the year with help to pay rent, utilities, pharmacy bills and other short-term needs. If you would like to support Salado Family Relief Fund, donations may be mailed to Salado Family Relief Fund, PO Box 461, Salado, TX 76571. You can also contact Renee Oas, president of the Board, via email at oasrenee@gmail.com for ways that you can help and volunteer. (PHOTOS BY MARILYN FLEISCHER)

Bright Light trees ready for Christmas giving

Although the holidays are normally thought of as being a very joyous season, Christmas can be a very lonely time for children who have been displaced from their own families.

In an effort to let these children know that people care and they are not alone, Lighthouse Family Network is providing you the opportunity to show these foster children that they are special and valuable through their "Bright Light Tree" program.

"Bright Light" Christmas trees will be located at Brookshire Brothers, Anytime Fitness, Horizon Bank, Brody's at Mill Creek Clubhouse and 3C Cowboy Fellowship in Salado. The Bright Light Christmas Tree is a Christmas tree decorated with ornaments giving the first name and age of a child in the foster care system and

some ideas of things he or she would like to receive for Christmas.

Interested individuals may select an ornament from any of these "Bright Light" tree and then purchase a gift(s) for the child named on the ornament. The Lighthouse staff asks that the gifts be returned to their office no later than Dec. 16 so they can be hand delivered to the children across the state before Christmas Eve.

Lighthouse Family Network, Inc., in Salado, is a Christian child-placing agency that is currently providing therapeutic foster care to approximately 60 severely abused children throughout Texas.

Lighthouse Family Network is a 501 (c) (3) non-profit organization and all donations are tax deductible. For more information, call 254-947-3152.

FORUM

An Open Exchange of Ideas

CPI for Oct. implies 5% annual inflation, driven by higher gas prices

There was a lot of what the Germans call “strum und drang” this week with upside retail earnings surprises, wild rumors, and tweets that either proclaimed the end of the trade war or a grand escalation, and both manufacturing and agriculture taking some hard hits. Given all of that, it would be quite reasonable to see the stock market doing something dramatic. The S&P 500 Stock Index (SPX), our preferred market indicator, seemed to ignore it all and quietly rose 0.89% in quiet trading to close at 3120.46, another record achieved by the thinnest of margins. That puts the index up 8% in the last three months, but just 3% from the end of this July and has risen only at a rate of about 4.3% per year over nearly the past two years.

The bond market, as indicated by the benchmark 10-year Treasury note refused to join the party as the yield fell about 11 basis points or 5.6% to close the week yielding 1.833%. Again, it is good to remember that a mere year ago that T-note was yielding over 3%. Historically, it is more than a little unusual for the bond market to see sagging yields while the stock market turns in a seemingly never-ending series of new highs. Crude oil signaled agreement with stocks as West Texas Intermediate rose 0.84% to close the week at \$57.93 per barrel.

The Economy

The Bureau of Labor Statistics, one of our favorite government agencies, announced the Consumer Price Index (CPI) change for October. From September to October, the U.S. CPI rose 0.4%. That may not sound like much, but if we annualize that number, we wind

Market & Economic Update

By Jeffrey W. McClure

up with nearly 5% inflation. Some of that was driven by an increase in energy costs as gasoline rose by 3.7%. Admittedly, inflation has only risen 1.8% from a year ago, but after the last six months when monthly inflation was only rising at an average of 0.1%, October's jump in prices was notable. It is next month's report that will show whether the increases in tariffs are filtering through to retail price tags.

More reports came in over the week confirming that the non-consumer side of our economy continues to decelerate. The American Association of Railroads reported that total rail carloads for the week ending November 2 were down 8.9% from a year ago. The only positives were grain and petroleum shipments.

In a spot of good news, overall retail sales in the United States reversed September's 0.3% decline to put in a rise of 0.3% for October. Walmart reinforced that bright spot as it announced a 6.1% rise in third-quarter operating profit and a 3.2% increase in comparable sales. That announcement marked five years of uninterrupted sales growth. The fastest sales growth for the company was in online groceries. Unfortunately, the retail sales for the fourth quarter appear to be rising at only a 1.6% annualized rate. That is better than a contraction but far below the over 3% growth, we saw in the first half of the year.

Retail sales at building

material stores fell 0.5% in October, the second consecutive monthly decline. Industrial production fell another 0.8%. If we adjust for the General Motors strike, fires in California, and the Boeing 737 Max standstill, production was still down 0.2%.

In a somewhat more sobering announcement, the Federal Reserve Bank of New York announced it had to add another \$68 billion to the financial markets on Friday, a historically unusual move that has recently become a routine daily event. That announcement came at about the same time as the Federal deficit for the trailing twelve months hit the \$1 trillion mark and kept growing. Part of that, for us, unnerving escalation in debt was generated by the about \$60 billion so far this year that the administration has given to farmers to partially offset the trade war effects. Certainly, we have taken in around \$7 billion in tariff taxes but that is small potatoes when compared with just the payments to farmers to offset those tariffs.

The bottom line is well expressed by Moody's Analytics where they are now estimating the U.S. GDP to grow only at a 0.6% annualized rate in the fourth quarter. Again, that is a continuing extension of a trend from the over 3% rate in the first quarter to consistently lower growth rates in each successive quarter since. Unless something changes it is hard to see us avoiding a recession sometime in 2020.

Eat local, teach local, be social SISD nutrition team takes on TDA challenge

Texas Agriculture commissioner Sid Miller recognized our school district for taking on the challenge to “Eat Local, Teach Local, and Be Social” in the seventh annual Texas Department of Agriculture (TDA) Farm Fresh Challenge. The

Middle row – Judy Houston, Judy Langston, Patsy Lane, Roberta Whitley, Rachel Foutz, Ann Burns
Back row – Michael Novotny, Mike Brooks, Burt Smith, Kelly Angell

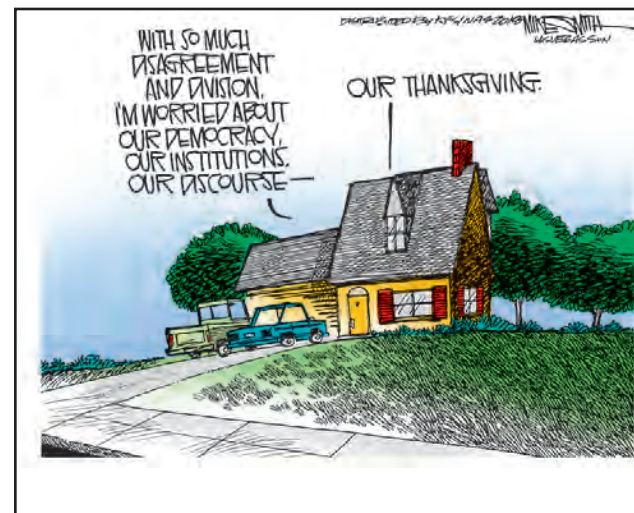

Salado ISD nutrition team has pledged to serve more Texas products in meals during the Challenge, to provide agriculture-based learning activities, and to share these farm fresh events with the community on social media and in other media. The Farm Fresh Challenge is part of Commissioner Miller's Texas Farm Fresh Initiative.

“School districts across the state continue to demonstrate their commitment to Texas agriculture through the Farm Fresh Challenge,” Commissioner Miller said. “Participation has increased annually for the last seven years. I applaud them for supporting Texas farmers and ranchers by serving their students the best our state has to offer.”

Commissioner Miller's Farm Fresh Challenge and other elements of his Farm Fresh Initiative encourage meal programs to keep their considerable buying power

close to home in support of Texas agriculture and local businesses. The Farm Fresh Challenge benefits local economies and helps ensure children have access to healthy and delicious food options. Our school district is proud to participate in the Farm Fresh Challenge to promote health for our students and staff as well as support the local agricultural community.

Last Thursday, our chief operations officer, Mike Brooks, our assistant superintendent, Burt Smith, and I helped our nutrition team serving all of the lunches for our students from pre-kindergarten through eighth grade. Thank you to our food service director, Brenda Hodges, and all of our nutrition team employees for all of their hard work on behalf of our students!

Democrats shouldn't blame Latin

If the impeachment effort isn't taking the nation by storm, the Democrats have an answer -- blame it on Latin. The use of a Latin term, quid pro quo, is now thought to be a damper on the impeachment cause because it sounds complex and technical.

Latin is one of the great legacies of the Roman Empire, influencing languages across Europe and giving us scientific, medical and legal terms that heretofore had been thought perfectly fitting. That was before Democrats felt they needed a more emotive phrase to characterize President Donald Trump's conduct in the Ukraine controversy, and especially one that denotes a more grave offense.

Democratic Rep. Jim Himes, from Connecticut, made the case on “Meet the Press”: “When you're trying to persuade the American people of something that is really pretty simple, which is that the president acted criminally and extorted, in the way a mob boss would extort somebody, a vulnerable foreign country, it's probably best not to use Latin words to explain it.”

There's a lot to unpack here. The first problem is that Ukraine is not nearly as simple, or as dramatic, as Democrats first hoped. It doesn't have something memorable and inherently attention-grabbing at

Rich Lowry

its heart, like the Watergate break-in or the Clinton-Lewinsky affair. It involved a pressure campaign on the Ukrainians that -- once examined closely -- was complicated, ambiguous and highly contested within the administration. No matter what word is applied to it -- even the plainest, non-Latinate English word -- this isn't going to change.

Another problem is that it wasn't criminal. Impeachment doesn't require a crime, but it helps. The best card that Republicans had against Bill Clinton in their impeachment push in the 1990s was that he had flagrantly violated the law by perjuring himself repeatedly. Democrats wish they had Trump on similar violations. In their absence, they are attempting to create the impression of rank criminality, via metaphor.

This is why they want to shift to the terms “extortion” or “bribery” -- and throw in references to mob bosses.

It can't be that squeezing a foreign power is a criminal act, though, or every American president would be guilty of crimes in the

course of the horse-trading of routine statecraft. What makes the Ukraine matter different, and blameworthy, is that he wanted an investigation that touched on Joe and Hunter Biden. This was improper because it involved a mingling of presidential powers and U.S. resources with a goal that was, largely, personal and political in nature.

Once we are talking about an improper use of lawful powers, then things are less lurid and more complicated than a mafia-land crime. And once you factor in that the Ukrainians ultimately got their funding without investigating anyone or announcing an investigation into anyone, the picture is even less clear.

Impeachment and removal of a president requires a national consensus to get the two-thirds vote to convict in the Senate. This is why the Democrats need more than wrong and troubling and worthy of congressional investigation, a standard they've amply met; they need shocking to the conscience, which they aren't going to meet on anything like the current universe of facts.

This is the political reality -- in English, Latin or any other language. Rich Lowry is editor of the National Review. (c) 2019 by King Features Synd., Inc.

Shop Local

To the Editor:

I am writing as a Salado resident and business owner to advise and encourage others to take advantage of the many wonderful shopping opportunities in Salado. I hear daily opinions and concerns about the businesses in Salado. In some ways these businesses are not noticed until they are gone.

I grew up in an even smaller community where my parents operated one of the two businesses in town. Later they were the only business in town and finally the last to close. I remember my parents watching as people passed their store to go in to town to do their shopping. Our home was close to their business and

Your Voice

Letters to the Editor

frequently there would be someone calling for my Dad to open after business hours in order to sell them the one item they forgot to buy while in town. Granted they might not have everything on the persons shopping list but people chose to pick the things up in town rather than supporting a local business who could supply them.

How often do we find ourselves going to a nearby town for our shopping rather than first checking to see if we could find it locally?

The first year I lived here, I would often drive in to Austin before opening to pick up office supplies and would find myself picking up a few other things while I was there. As I got familiar with the local shops, I found I could get the same things here often at a better price. I started shopping Salado first.

Christmas is getting here quicker than most of us realize. There are opportunities to shop here in Salado in a much more relaxed customer friendly environment

while supporting the small businesses many of which support community events and activities as well. Friday November 22nd many businesses will be open until 8 p.m. This will be an opportunity for a Christmas Stroll Preview. Of course there is Black Friday and the tenth annual Small Business Saturday November 30th. And mark your calendars to come out to enjoy our Christmas Parade and Christmas Stroll.

This will be my 24th Christmas Stroll and they have all been magical. I always enjoy old friends and new friends dropping in for a cup of Cider, a visit and a Salado shopping experience. We may have to navigate around the Main Street project a bit this year, but shuttles will be running to drive strollers and their packages to their destination.

I wish everyone a Happy Thanksgiving...a time to pause and give thanks for our many blessings. Hope to see you at our Community Thanksgiving worship. Among the many things I am thankful for, I am thankful for being a part of the Salado community where I live, worship, shop and operate a business.

Please consider joining me in shopping Salado first.

Small business keeps economy humming

By ANNIE SPILMAN
TEXAS STATE DIRECTOR
NATIONAL FEDERATION OF
INDEPENDENT BUSINESSES

I'm thankful for small business. It's what keeps our economy humming. Small businesses account for over 99 percent of all employers in the state, and they employ about 45 percent of the Texas workforce — over 4.7 million workers in Texas alone.

That's why I always look forward to Small Business Saturday. It's a chance to thank the entrepreneurs who help our communities throughout the year.

Small Business Saturday -- always the Saturday after Thanksgiving and Black Friday -- began 10 years ago to focus attention on the independent shops and restaurants hit hardest by the Great Recession.

Since then, it has become one of the busiest shopping days of the year.

Holiday shoppers spent a record \$17.8 billion last year on Small Business Saturday, according to American Express and NFIB, the nation's leading small business advocacy organization. To put that in perspective, people spent only \$7.9 billion online two days later on Cyber Monday.

American Express and NFIB estimate that 104 million Americans shopped small last year on Small Business Saturday. In many cases, it was their chance to interact directly with the

small business owner, the person who sponsors their local Boy Scout troop or cheer squad.

And it isn't just brick-and-mortar businesses that are benefitting from all this. Among shoppers who reported participating in last year's Small Business Saturday, about 41 percent said they shopped small online, too.

Most encouraging, 96 percent of shoppers surveyed last year said Small Business Saturday makes them want to shop small the rest of the year, too. What began 10 years ago as a marketing campaign to help small businesses get through tough economic times has become a movement.

Something else to consider: When we shop at chain stores, the profits go someplace else. When we #ShopSmall, 67 cents of every dollar remains in the local community, according to a study by American Express. What's more, every dollar spent at a small business creates another 50 cents in local business activity because of employee spending and purchases to keep the business up and running.

Small businesses make a difference. They're owned by and employ our families, friends, and neighbors. They do a lot throughout the year to keep our communities healthy, from creating jobs to supporting local charities and civic groups.

I know it's hard to resist the post-Thanksgiving doorbusters and discounts at the chain stores, but I hope you'll shop small on Saturday, Nov. 30. Small business is the heart of Texas's economy. When we help small business, we help everyone.

ANNIE SPILMAN IS NFIB'S STATE DIRECTOR FOR TEXAS. SHE LIVES IN AUSTIN.

Brookshire Brothers Brown Bags of Hope program ties directly to who they are as 'a community grocer' and an employee owned company. Customers purchase the bags and the store teams determine how to best distribute them. Whether it's to food pantries, school counselors, the police or sheriff's department – stores make sure they get them to the organizations that can best distribute them where they will do the most good.

They have toiletry bags, school supply bags, meal bags and Holiday bags. "All contain non-perishable items that are part of our "OWN" or private label offerings. As a company, we are known to match our customers' generosity by donating additional bags to address a specific or urgent need in a community."

In stores that have delis, they also have a program called HELP A NEIGHBOR IN NEED. This gives organizations and individuals an opportunity to purchase a complete Holiday dinner for those who may go without. These are often distributed through churches and nonprofits during the holiday season.

Shoes 4 Kids donations accepted

Communities in Schools (CIS) will hold its 12th annual Shoes 4 Kids drive November 15 through December 16 with the hope of making a few Christmas wishes come true this season for students in need. CIS is accepting donations of new or gently-worn shoes for elementary, middle school and high school, children registered in the CIS program. Donations of new and gently-worn shoes for all sizes and ages will be accepted from a toddlers size nine to an adult size 14. Tennis shoes/sneakers must be appropriate for school-aged children.

The goal of Shoes 4 Kids is to help ensure students in the CIS program have a decent pair of shoes for everyday use or for necessities such as a dress-up affair or a P.E. class. Michael Dewees, CIS executive director, has seen many cases where kids are wearing hand-me-downs or other borrowed shoes that don't fit properly. "Many of our CIS students have outgrown their shoes or have no choice but to

wear what is available to them which, in some cases, is a completely worn out pair," said Dewees. "Many of our students simply can't afford to go out buy new shoes so our goal is to help these kids have a decent pair of shoes for everyday wear, athletic activities or other school function or event in which they participate."

Dewees also noted every year many CIS children request new shoes for Christmas instead of the latest toy or game. "A lot of our students would rather have a decent pair of shoes instead of toys for Christmas," he said. "Other than basic need, the reason is to boost the child's self-esteem. When students have comfortable, well-fitting shoes, they are able to attend school with dignity."

Donations for the CIS shoe drive are accepted at the Communities In Schools office located in Killeen at 4520 E. Central Texas Expressway, Suite 106, the Central Texas College Student Center (Bldg. 106) located on the Killeen cam-

pus, the Salado Intermediate School at 550 Thomas Arnold Road and at Freedom Jeep Chrysler Killeen located at 3602 E. Central Texas Expressway. In addition to shoe donations, CIS will accept monetary donations to purchase shoes for those kids whose shoe size was not met with the shoe collection. Monetary donations can be delivered to the CIS office.

As a local, nonprofit organization, CIS is dedicated to impacting the lives of children in a positive way, helping them achieve the success they often find unattainable. Last year, CIS provided assistance to help nearly 5,110 students stay in school, improve academically, improve attendance, improve behavior and graduate. The local agency, serves the Killeen, Temple, Belton, Copperas Cove and Salado independent school

districts. Since 2006, CIS has case managed more than 70,000 students deemed at-risk or in social or economic need.

Heritage Square

Johnny and Jill Shipman cut the ribbon on Heritage Square office park, located on College Hill Circle. The office park is comprised of individual cabins on a beautiful, landscaped complex. The property served as a Bed & Breakfast (Salado Settlements) for two decades. The Shipmans are shown above with Ambassadors from the Salado Chamber of Commerce, along with tenants in the office park. There are nine office spaces available of about 500 sq. ft. each. Of those, five have been leased, so four are available. Contact property manager Larry Sands for information about the property. (PHOTO BY TIM FLEISCHER)

Salado Trolley service expanding

The Tourism office of the Village of Salado is looking for drivers to help visitors experience all that Salado offers as they ride the Village Trolley.

The trolley is currently running only on Saturdays. The Tourism office is hoping to expand service to include Friday, Saturday and Sunday.

The Trolley gets around!

“Visitors to Salado have long enjoyed riding the trolley; whether it was to and from an event or simply a ride to dinner, visitors have remarked on how much they enjoy using the trolley,” Tourism Director Chadley Hollas said. “As Main Street is redeveloped, it is important that we do everything we can to promote positive experiences in the Village. It is also important, as we continue to promote the travel to the Village, that we provide visitors with an experience they can’t find anywhere else. In many

ways, the drivers of the trolley are spokespeople for our Village. Our vision is that the Village Trolley acts as the visitor center on wheels.”

For the Christmas Stroll, Tourism will have three trolleys over both weekends and is looking for volunteers to drive four-hour shifts.

Friday shifts are noon-4 p.m. and 4-8 p.m.; Saturday shifts are 10 a.m.-2 p.m., 2-6 p.m. and 6-10 p.m.; Sunday shifts are noon-4 p.m.

If you can volunteer for one of these shifts, please

plan to arrive 15-30 minutes early to switch with other volunteers.

In the long-term, the Village is looking for two paid drivers who can commit to 10 hours each week (every week of the year), from Friday afternoon to Sunday afternoon.

The individuals selected will be part-time employees of the Village of Salado and will be expected to abide by all rules and regulations thereof.

Questions may be directed Hollas at chollas@salado-otx.gov or 254.947.8634.

WWII Vet Janice Bradley requests 100 cards for 100th Birthday

MCALLEN, TEXAS – Texas Land Commissioner George P. Bush (Chairman of the Veterans Land Board) this week asked the community of Texas for help in ensuring WWII Army Veteran Janice Bradley receives 100 birthday cards for her centennial birthday.

“It’s not every day that a WWII Veteran turns 100 years old,” Bush said. “On Tuesday, December 3, WWII United States Army Veteran Janice Bradley will turn 100 years young. Janice Bradley proudly served in WWII in the Women’s Army Corps (WAC) as a SSGT. Please help us celebrate this momentous occasion by sending a birthday card to Janice Bradley’s home at the Alfredo Gonzalez Texas Veterans Home, run by the Veterans Land Board. Let’s make sure she receives all 100 birthday cards!”

Birthday cards should be addressed to:

Eagles face top team in State

By TIM FLEISCHER
EDITOR-IN-CHIEF

Salado Eagles will face Texarkana Pleasant Grove Hawks the No. 1 team in 4A at 4:30 p.m. Nov. 23 at the Ford Center at The Star in Frisco.

Pleasant Grove has been ranked at the top of the state throughout the season, despite its single loss to Carthage, the No. 2 team in 4A, Div. 1. The Hawks were runners-up last year and won the state championship in 2017, defeating West Orange Stark, which got past Salado in the Regional Final.

The Hawks are led by

senior quarterback Ben Harmon, who is 59-of-111 for 1,220 yards, 19 TDs and two interceptions. He has also run the ball 69 times for 384 yards and five TDs.

His favorite target is Sergio Rodriguez, who had 696 yards and 11 TDs on 26 catches. Rodriguez's biggest game was 154 yards on four catches and three TDs against Atlanta.

The Hawks predominantly run the ball with three backs. Senior slot back Bruce Garrett has rushed for 1,092 yards, 12 TDs on 132 carries. His longest run has been for 31 yards. He rushed for 153 yards on 17 carries against Liberty-Eylau. He also has 134 yards

on nine catches and 3 TDs. Junior slot back Logan Johnson has 584 yards on 67 carries and seven TDs.

K.J. Hicks, their bruising fullback, has 478 yards on 72 carries and seven TDs.

The Hawks win with their defense, which has held opponents to just 180 points in 11 games, while the offense has pounded out 481 points.

Senior linebacker Dylan Hopkins leads the Pleasant Grove defense with 39 solo tackles, 45 assisted tackles and 6 tackles for loss. Junior linebacker Nick Martin also causes havoc with 79 tackles, including 18 for losses while causing six fumbles.

Junior Defensive end Landon Jackson will attack from the edge. He has 78 tackles, 14 tacks and 12 tackles for loss. he has caused seven fumbles and recovered three of them.

Salado has three losses, with two of them against top 10 teams: a narrow 28-21 loss to the Connally Cadets, the No. 2 team in 4A-Div. 2, on their homecoming and an season opener loss to the Troy Trojans, who are No. 8 in 3A, Div. 1. Salado's worse loss was to Mexia Blackcats in a lack-luster performance on the road, 21-6.

The Eagles control the game clock with their ground game, with the slot-T trio of Hunter Turk, Wrook Brown and Reid Vincent (with help from Noah Mescher, Blake Volk, Chris Bates and others) combining for a total of 3,839 yards on the ground on 559 carries. The Eagles have fumbled just 13 times in 11 games, losing 5 of them. Hutton Haire hands-off the ball and follows his center when needed for

short gains. He has passed for 246 yards this season for three TDs and three interceptions.

All three starting backs have rushed for over 1,000 yards this season. Vincent leads the team with 1,096 yards on 118 carries, scoring seven TDs and never fumbling the ball. His long run is 73 yards. Turk follows with 1,037 yards on 146 touches, with a long of 68 yards. He has scored 13 TDs and fumbled four times, two of them lost. Brown has 1,019 yards on the ground on 167 carries. He has scored 13 TDs and fumbled once. His longest run is 73 yards. He has also caught 10 passes for 178 yards and two TDs.

Salado holds a considerable takeaway advantage of 15 this season, while allowing a total of 3,032 yards offense against their 11 opponents,

Salado has outscored its opponents 375-220.

Greg Washington anchors the defense with 64 tackles, 31 assists, two fumble recoveries and two caused fumbles. Caleb Self has 42 tackles, 34 assists, caused four fumbles, an interception and a fumble recovery.

Peyton Miller has 38 tackles, 33 assists, 11 tackles for loss, six QB pressures and caused two fumbles.

Lucas Morvant has 37 tackles, 44 assists, five pressures, three fumble recoveries and caused two fumbles.

Against the pass, Latrell Jenkins leads the Eagles with six interceptions, four passes broken up, 32 tackles and 18 assists.

Eagles blow past Rusk 57-16

Blake Madden and fellow Eagles defenders take down Rusk quarterback Landon Gates. (PHOTO BY ROYCE WIGGIN)

By TIM FLEISCHER
EDITOR-IN-CHIEF

For the first four minutes of their bi-district game, it looked as if the Rusk Eagles might give the Salado Eagles a challenge on Nov. 15 at Corsicana's Tiger Stadium.

Rusk took the opening kickoff of the game and marched 66 yards in nine plays, overcoming a fumble at the Salado 20-yard line and scoring on a 23-yard pass from Landon Gates to Jaden Rushing. Gates hit Brennan Lucien in the end zone for a 2-point conversion and 8-0 lead with 8:45 left in the first.

For the next 43 minutes, Salado dominated on both sides of scrimmage. Noah Mescher returned the kick for 13 yards and a late hit against Rusk gave Salado the ball across midfield.

Reid Vincent carried for 8 yards, followed by runs of 6 and 2 yards by Wrook Brown before Vincent ran through the Rusk defense for a 29-yard TD with 7:13 in the first. Kofi Stoglin scored a 2-point conversion to tie the game.

The Salado defense gave up 4 yards in three plays and took the punt at their own 32-yard line. Hutton Haire rolled out of the pocket and hit an open Brown for a 68-

yard TD with 5:40 in the first. Brown kicked the PAT for a 15-8 lead.

The Eagles defense forced Rusk to punt and Salado took over at its own 27-yard line. After a 5-yard by Vincent, Hunter Turk dashed through the Rusk defense for a 68-yard TD with 2:45 left in the first. Brown kicked the PAT for a 22-8 lead.

Rusk drove to the Salado 35, but stalled on three straight incomplete passes, turning the ball over on downs. Salado then drove 65 yards in seven plays, including a 46-yard run by Vincent who was pulled down at the Rusk 3-yard line. Mescher bulled through the line for the TD and Brown added the point-after for a 29-8 lead.

Ryan McBurney fell on a fumble by Rushing at the Rusk 30 and on third-and-6, Turk against blistered his way through the defense for his second TD of the night. A blocked kick was called back for leaping and Brown converted the next try for a 36-8 lead with 7:46 left in the first half.

Rusk got to the Salado 31-yard line but Caleb Self intercepted a pass to give Salado the ball with 3:23 left in the first. Salado took the lead to the lockers.

Salado took the second half kick and drove 58 yards in four plays, topped by a

47-yard TD run by Mescher with 10:17 in the third. Brown converted for a 43-8 lead.

Rusk found the end zone for the second time in the game on a 77-yard drive, highlighted by a 30-yard completion by Gates to Isiah Ward to set up first down at the Salado 14. Lucien took the ball for the TD and Gates hit Sean Rogers for two points to trail 43-16.

Salado answered in short order, driving 61 yards in nine plays, a 5-yard run by Turk and a 19-yard run by Mescher, followed by his 37-yard TD run with 7:14 left in the third.

The Eagles forced Rusk to punt and drove 66 yards in nine plays with carries by Blake Volk, Caden Strickland, Travis Carter, Ethan Scott leading to Chris Bates' bulling his way for a 9-yard TD with 1:29 left in the third. Brown kicked the PAT for a 57-16 lead.

Rusk threatened to score early in the fourth, but Stoglin recovered a fumble in the backfield to give Salado the ball at the 15-yard line.

Salado fumbled it back at the 32, but held up against the Rusk offense to take the ball over on downs at their own 17 with 6:37 left.

Kofi Stoglin led Salado with six tackles, nine assists, an interception and a fumble recovery. Caleb Self had an interception as well.

Swallows and Amazons final performance Nov. 21

Salado High School's annual fall play dips into immersive theatre with rolling pirate ships, clappers and kazoos, and actors speaking directly to the audience in *Swallows and Amazons* during the final performance at 7 p.m. Nov. 21 in the SHS cafeteria.

This family-friendly show will offer a hamburger/hot dog dinner on the cafeteria patio before the show, starting at 5:30 p.m. The public may purchase special meal deals with chips and a drink for \$5.

Arthur Ransome's famous and much-loved children's classic is brought to life in Helen Edmundson's theatrical adaptation.

When John, Susan, Itty and Roger are granted their wish to set sail on their beloved boat *Swallow*, they know it will be the summer holiday of a lifetime. But their adventure truly begins when they encounter Nancy and Peggy, the self-pro-

claimed Amazon Pirates, and the dastardly Captain Flint.

This adaptation was first performed at the Bristol Old Vic in 2010. It had its London West End premiere in

2011. Tickets at Salado's performance are \$5 per person and will help fund the state champion one-act play team (SOAP) in their pursuit of a fourth state championship.

Toiletry drive ends Nov. 22

The Salado Student Council (STUCO) is sponsoring a toiletry drive through Nov. 22, for the Garden of Hope foster home that is located in our school district. They will accept all toiletry items including hotel and travel size items and feminine hygiene products. Donations can be dropped off at the high school front office or at the Civic Center, located at 601 North Main Street.

Lady Eagles 3-0

Salado Lady Eagles have jumped out to a 3-0 record with wins over Gatesville and Lorena last week.

Salado came-from-behind in the fourth quarter, outscoring Gatesville 12-5 for the win. The girls led 18-12 after the first and 29-26 at the half. Gatesville outscored Salado 10-6 in the third to take a one-point lead.

Salado shot 14-of-42 from the field, including 7-of-23 2-pointers and 7-of-19 3-pointers. Gatesville shot 14-of-48 from the field, including 10-of-33 2-pointers and four-of-15 3-pointers. Salado hit 12-of-18 free throws while Gatesville made nine-of-14.

Salado out-rebounded Gatesville 28 to 21. The Lady Eagles turned the ball over 17 times, while Gatesville turned it over 13 times. Gatesville committed 17 fouls while Salado committed 11.

Kaia Philen led the girls with 19 points. She shot five-of-10 from the field, but made three-of-five outside the arc. She also shot six-of-eight free throws. Philen had seven rebounds, an assist and blocked a shot.

Amanda Cantu followed with 7 points. She was three-of-seven from the field. Cantu grabbed eight rebounds and two steals, made an assist and blocked a shot.

Reese Preston scored 6 points, hitting two-of-four from beyond the arc. She also had a rebound.

Katie Law scored 5 points, hitting both her shots from the field and her free throw try.

Also scoring for Salado were these: Maddy Wade, 3 points and a rebound; Megan Manibusan, 3 points; Lorena Perez, 2 points and five rebounds and Abby Rembert, 2 points, and an assist.

The Lady Eagles coasted in the second half of their game against the Lorena Lady Leopards, holding on for a slim margin of 41-39 on Nov. 12.

The girls ran off with a first quarter lead of 12-4 and led 24-29 at the half. Salado extended its lead to 32-24 going into the fourth. Lorena outscored Salado 15-9 in the final period.

Kaia Philen led Salado, scoring 13 points on three-of-eight shooting from the field and seven-of-eight at the free throw line. She also had five rebounds and deflected three passes.

Amanda Cantu followed with nine points. She shot two-of-five 3-pointers and grabbed four rebounds and a steal.

Katie Law was four-of-six at the free throw line, scoring 6 points and grabbing seven rebounds.

Also scoring for the Lady Eagles were Jason Goings, 4 points, four rebounds and two steals; Maddy Wade, 4 points and a rebound; Reese Preston 3 points and two rebounds and Lorena Perez, 2 points and 10 rebounds.

MAKE A MEMORY

Blown your own ornament

If you live in Central Texas, or just passing through for the holidays, you can't miss the "Blow your own Ornament" experience at Salado Glassworks.

This year marks the 8th

season the artists at the custom glassware shop located at the South end of Salado have opened the studio for friends and families to create their own Christmas ornament.

"We have a lot of events and opportunities for customers to come in to participate with our artist team throughout the year. But the one to beat is the "Blow Your Own Ornament event," Salado Glassworks founder and lead artist Gail Allard said. "It marks the beginning of Christmas for many of our loyal fans that have visited us for over ten years. It's an instant crowd favorite for newcomers as well."

The "Blow Your Own Ornament" event sells out quickly because the event is only available on Fridays, Saturdays, and Sundays from November 10 to December 21. The cost is \$42.50 per person and is open to ages 3 and older.

How does the Holiday Ornament experience work? The team helps you select up to 3 colors for your ornament in the gallery. After you've used your own breath to blow your glass, your ornament is finished by your artist while you get a front row seat to watch, ask questions and interact.

Payment is due when booking your reservation online at www.saladoglassworks.com.

Online Reservations are required for the "Blow Your Own Ornament" event, and spaces are limited. Reser-

vations are non-refundable and your date and time cannot be adjusted.

Make a new memory this holiday season and give the gift of a lasting memory to yourself and loved ones. This is a family friendly event and ages three and up are welcome.

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

NOTICE OF APPLICATION AND PRELIMINARY DECISION FOR LAND APPLICATION PERMIT FOR INDUSTRIAL WASTEWATER AMENDMENT

Permit No. WQ0004929000

APPLICATION AND PRELIMINARY DECISION. Kempner Water Supply Corporation, P.O. Box 103, Kempner, Texas 76539, which operates Cliff & Eldine Poe Regional Water Treatment Plant, has applied to the Texas Commission on Environmental Quality (TCEQ) for a major amendment of TCEQ Permit No. WQ0004929000 to relocate the 1.25-acre irrigation sitewithin the facility boundary. The draft permit authorizes the disposal of treated water treatment wastes at a daily average flow not to exceed 2,000 gallons per day via irrigation of 1.25 acres. This permit will not authorize a discharge of pollutants into water in the state. TCEQ received this application on April 30, 2019.

The facility and land application site are located at 10441 Cedar Knob Church Road, northwest of the City of Salado, in Bell County, Texas 76571. The facility and land application site are located in the drainage area of Stillhouse Hollow Lake in Segment No. 1216 of the Brazos River Basin. This link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice. For the exact location, refer to the application. <https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=db5bac44afbc468bbddd360f8168250f&marker=-97.628888%2C31.003611&level=12>

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, Executive Directors preliminary decision, and draft permit are available for viewing and copying at the Kempner Water Supply Corporation Office, Kitchen Bulletin Board, 10441 Cedar Knob Church Road, Kempner, Texas.

PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ holds a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for submitting public comments, the Executive Director will consider the comments and prepare a response to all relevant and material, or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting a contested case hearing or reconsideration of the Executive Directors decision.** A contested case hearing is a legal proceeding similar to a civil trial in a state district court.

TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING ITEMS IN YOUR REQUEST: your name, address, phone number; applicants name and proposed permit number; the location and distance of your property/activities relative to the proposed facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period; and the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the proposed facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn. **If a hearing is granted, the**

subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law relating to relevant and material water quality concerns submitted during the comment period.

EXECUTIVE DIRECTOR ACTION. The Executive Director may issue final approval of the application unless a timely contested case hearing request or request for reconsideration is filed. If a timely hearing request or request for reconsideration is filed, the Executive Director will not issue final approval of the permit and will forward the application and request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

MAILING LIST. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this specific application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and (2) the mailing list for a specific county. If you wish to be placed on the permanent or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

All written public comments and public meeting requests must be submitted to the Office of the Chief Clerk, MC 105, TCEQ, P.O. Box 13087, Austin, TX 78711-3087 or electronically at www14.tceq.texas.gov/epic/eComment/ within 30 days from the date of newspaper publication of this notice.

INFORMATION AVAILABLE ONLINE. For details about the status of the application, visit the Commissioners' Integrated Database at www.tceq.texas.gov/goto/cid. Search the database using the permit number for this application, which is provided at the top of this notice.

AGENCY CONTACTS AND INFORMATION. Public comments and requests must be submitted either electronically at www14.tceq.texas.gov/epic/eComment/, or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Please be aware that any contact information you provide, including your name, phone number, email address, and physical address will become part of the agency's public record. For more information about this permit application or the permitting process, please call the TCEQ Public Education Program, Toll Free, at 1-800-687-4040 or visit their website at www.tceq.texas.gov/goto/pep. Si desea información en Español, puede llamar al 1-800-687-4040.

Further information may also be obtained from Kempner Water Supply Corporation at the address stated above or by calling Ms. Delores Atkinson at 512-932-2715.

Texas Commission on Environmental Quality

NOTICE OF APPLICATION AND PRELIMINARY DECISION FOR TPDES
PERMIT FOR MUNICIPAL WASTEWATER

NEW

PERMIT NO. WQ0015664002

APPLICATION AND PRELIMINARY DECISION. ML DEV, LP and Mr. Louis Tsakiris, 5810 Diemer Road, Brookshire, Texas 77423, have applied to the Texas Commission on Environmental Quality (TCEQ) for new Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0015664002, to authorize the discharge of treated domestic wastewater at a daily average flow not to exceed 250,000 gallons per day. TCEQ received this application on April 23, 2019.

The facility will be located approximately 4,200 feet east of the intersection of Hackberry Road and Interstate Highway 35, in Bell County, Texas 76571. The treated effluent will be discharged to a roadside ditch, thence to South Darrs Creek, thence to Darrs Creek, thence to Little River in Segment No. 1213 of the Brazos River Basin. The unclassified receiving water uses are minimal aquatic life use for the roadside ditch and limited aquatic life use for South Darrs Creek. The designated uses for Segment No. 1213 are primary contact recreation, public water supply, and high aquatic life use. In accordance with 30 Texas Administrative Code §307.5 and the TCEQ's *Procedures to Implement the Texas Surface Water Quality Standards* (June 2010), an antidegradation review of the receiving waters was performed. A Tier 1 antidegradation review has preliminarily determined that existing water quality uses will not be impaired by this permit action. Numerical and narrative criteria to protect existing uses will be maintained. This review has preliminarily determined that no water bodies with exceptional, high, or intermediate aquatic life uses are present within the stream reach assessed; therefore, no Tier 2 degradation determination is required. No significant degradation of water quality is expected in water bodies with exceptional, high, or intermediate aquatic life uses downstream, and existing uses will be maintained and protected. The preliminary determination can be reexamined and may be modified if new information is received. This link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice. For the exact location, refer to the application.

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at Salado Public Library, 1151 North Main Street, Salado, Texas.

PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ holds a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting a contested case hearing or reconsideration of the Executive Director's decision.** A contested case hearing is a legal proceeding similar to a civil trial in a state district court.

FOLLOWING ITEMS IN YOUR REQUEST: your name, address, phone number; applicant's name and proposed permit number; the location and distance of your property/activities relative to the proposed facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period; and the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the proposed facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn. **If a hearing is granted**, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law relating to relevant and material water quality concerns submitted during the comment period.

EXECUTIVE DIRECTOR ACTION. The Executive Director may issue final approval of the application unless a timely contested case hearing request or request for reconsideration is filed. If a timely hearing request or request for reconsideration is filed, the Executive Director will not issue final approval of the permit and will forward the application and request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

MAILING LIST. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this specific application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. If you wish to be placed on the permanent and/or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

All written public comments and public meeting requests must be submitted to the Office of the Chief Clerk, MC 105, Texas Commission on Environmental Quality, P.O. Box 13087, Austin, TX 78711-3087 or electronically at www14.tceq.texas.gov/epic/eComment/ within 30 days from the date of newspaper publication of this notice.

INFORMATION AVAILABLE ONLINE. For details about the status of the application, visit the Commissioners' Integrated Database at www.tceq.texas.gov/goto/cid. Search the database using the permit number for this application, which is provided at the top of this notice.

AGENCY CONTACTS AND INFORMATION. Public comments and requests must be submitted either electronically at www14.tceq.texas.gov/epic/eComment/, or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Any personal information you submit to the TCEQ will become part of the agency's record; this includes email addresses. For more information about this permit application or the permitting process, please call the TCEQ Public Education Program, Toll Free, at 1-800-687-4040 or visit their website at www.tceq.texas.gov/goto/pep. Si desea información en Español, puede llamar al 1-800-687-4040.

Further information may also be obtained from ML DEV, LP and Mr. Louis Tsakiris at the address stated above or by calling Mr. James Eckart, P.E., Ward, Getz & Associates, LLP, at 210-787-6573.

Neal McCoy headlines Chisholm Trail Christmas Ball

The Chisholm Trail Christmas Ball is set for Dec. 14 at the Bell County Expo Center - Garth Arena in Belton.

The event will feature Neal McCoy, whose hits include: "Now I Pray for Rain" and "Wink"

The evening includes entertainment, prime rib dinner, live auction, cash bar and dancing.

The annual event is the primary Fundraiser for the Bell County Youth Fair Scholarship program which was launched in 2007.

Through this program \$500,500 in scholarships have been awarded in the last twelve years to students in Bell County who participate in the Bell County Youth Fair. Scholarship amounts and selection processes both are specifically tailored to be life changing for the recipient.

The program targets those exceptional students who may not be able to attend college without financial assistance. Scholarships which range from \$2,000 to \$10,000 were awarded to twelve deserving students in May 2019.

The Bell County Youth Fair is the largest County Fair in the State of Texas, showcasing the projects and talents of students involved in 4-H, FFA & FCCLA. Each year projects range from livestock, metalwork, photography, cooking, woodworking, art and textiles.

The number of scholarship applicants continues to grow each year. All proceeds dispersed through this scholarship program go directly into the hands of a well deserving Bell County high school senior.

Sponsorships and tickets for the Chisholm Trail Christmas Ball are on sale now. Reservations are required and only advance tickets will be sold, table sales will close on Dec. 6.

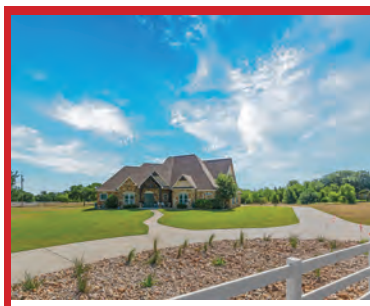

For more information or to make a reservation contact The Bell County Youth Fair Office Monday - Friday 8 a.m. - 5 p.m. at (254) 933-5309

Neal McCoy has released fifteen studio albums on various labels, and has released 34 singles to country radio.

Neal has been on 15 USO Tours around the world and continues to say it's one of the achievements he's most proud of. He is also the recipient of multiple Humanitarian awards from The Academy of Country Music, The Country Radio Broadcasters and The Masonic Grand Lodge. In 2016 Neal has again made a move to continue his patriotic values by reciting the Pledge of Allegiance "Live" on his Facebook page every morning. He's reached millions of viewers all over the country and around the world. Neal still maintains a very busy touring schedule all through the year. Make sure to catch a show when he's near because as Neal says "No two shows are the same!"
