Village Voice will move

Salado Village Voice announces a new office location beginning July 1. The office will be located at #125 Salado Plaza, just a few doors down from IGA Village Foods.

Gary Dover, new owner of Salado Plaza has been seen upgrading and repairing spaces for weeks now getting them ready for the many new businesses that are prepared to fill the spaces.

The Salado Village Voice is proud to be one of the first to announce our move into the plaza. The much needed space will give us the opportunity to move Tim's messy desk a little farther to the back of the shop. It will also afford us the opportunity to expand some of our services over the next few months.

Be sure to visit Tim, Marilyn and Zabrina in their new location.

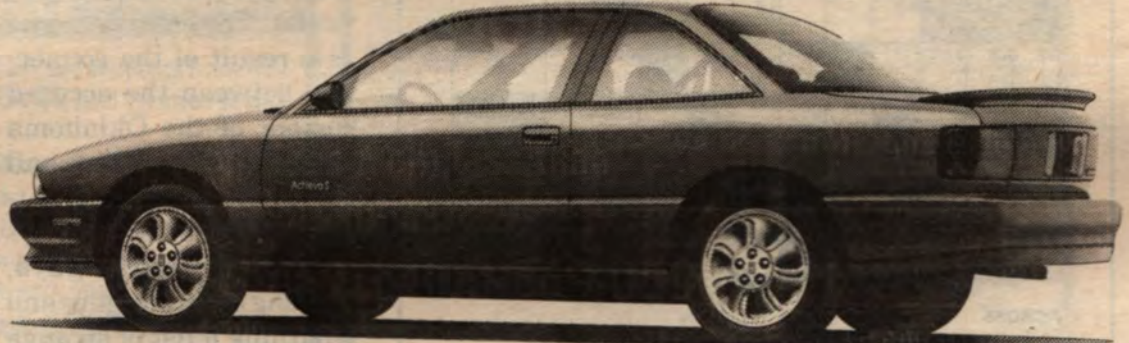

Jewel in the Crown
It's time for advertisers

to get their ad copy ready for the next publication of Salado A Jewel in the Crown of Texas.

The deadline for ad copy to be in the office is July 5. The (20,000 copies) publication will be on the stands and in the hands of the consumers by July 15. It will also be distributed at the gates of the annual Salado Art Fair.

The price for advertising in the Jewel remains the same: quarter page \$75, half-page \$135 and full-page \$240.

We are proud to say the response to the Jewel has been excellent, filling various community needs often accompanying other mail-outs. Distribution includes Chamber of Commerce, Stagecoach Inn, Real Estate agents, Bed & Breakfast Inns, on-stands and in the many shops in the Village.

1995 Achieva given away at Sept. 21 drawing

An exciting evening with a unique raffle for a polo green 1995 Achieva coupe will be sponsored by the Salado Community Service Center Committee on Sept. 21, at the Bell County Expo Center, Buck Prewitt, chairman of the raffle event, announced today.

Prewitt said that the method of raffling is unique and makes for an entertaining evening.

"This is a raffle where names of those who buy chances are announced as they are drawn," Prewitt said. "The last name in the box wins but everyone who has helped out gets credit."

The site of the future Salado Community Center is located on Rose Lane adjoining the Little League playing field. Such a center has been a dream of the village for several years with the enthusiasm and necessity picking up as more and more people move to this picturesque heart of Texas community.

Co-chairman of the ticket sales are Mike Cameron, golf pro at the Mill Creek Country Club, David Stanford, attorney, Natalie Tolley, of the Salado Confectionery, and Grace Jones, president of the Center's Foundation.

Tickets will be available from all these committee members and other locations throughout Salado.

"This will be our fall kick off fund-raiser for the Center and we hope people will mark their calendars now and buy a chance on this classy car," Stanford pointed out. "Chances will cost \$100 each and you can to help the cause."

Beginning in August, the Achieva will be on display at various locations until Sept. 21 when the lucky winner will be determined by the raffle.

Results of facility study presented to SISD Trustees

Texas School Planning, Inc. (TSPI) reported its findings on Salado school facilities to the Board of Trustees recently, giving the campuses borderline 65.5 percent ratings.

The appraisers utilized the *Guide for School Facilities Appraisal*, authored by Harold L. Hawkins, Texas A&M University, and H. Edward Lelley, University of West Virginia, for the Council of Educational Facility Planners, International (CEFPI).

The appraisal criteria are categorized into six areas: School Site, Structural and Mechanical Features, Plant Maintainability, Building Safety and Security, Educational Adequacy, and Environment in Education.

(See Graphs for each campus scores in these areas).

The appraisers found

five areas of concern at the Salado High School:

1. Compliance with codes (ADA, Life Safety, and current building codes).

2. Size of classrooms and site are below the recommended standards as set by CEFPI and Texa Education Agency.

3. General maintenance needs improvement, however, some materials and equipment are at or near the need of life cycle and are difficult to maintain.

4. Roofs at or near the end of life cycle.

5. Facility design does not support current instructional needs. Band hall, library and technology integration are very deficient...students need

The new American Foreign Legion

Off the Record

by Ken Clapp

The Senate sub-committee on terrorism held hearings in Washington last week on the subject of the private militia movement in America. The results included some pretty weird ideas presented by militiamen who are unhappy with the world in general and their government in particular. The hearings came as a result of the connection between the accused bomber of the Oklahoma City federal building and certain militia groups scattered around the country.

Some of these guys, wearing battle fatigues and mouthing a list of strange beliefs, came across as being severely angry with their elected officials and the rest of the sometimes faceless bureaucracy.

A few of the ideas presented included the charge that "sex perverts were running the FBI"; that our government "used nerve gas to attack Tokyo's subway system" (they did not say why) and that the United States and the United Nations were tampering (somehow) with the weather thus causing tornados and other crop damaging activities so as to "starve millions of Americans and control those who are left".

The President was also accused some weeks ago

by a militia magazine of directing the Oklahoma City bombing so he could continue an alleged plot to confiscate everyone's personal weapons.

World government under United Nation's leadership is another fear these soldiers-in-waiting have, as well as the positive belief that agents of the federal government are "going to come and get them" hence the need to be armed to the teeth!

All of this left Senators a bit puzzled and alarmed by the viciousness of the verbiage including calling the Senate committee members some highly inflammatory names.

One observer opined that since these fellows like to dress up and play soldier, perhaps this country could form an American Foreign Legion - similar to the French and use these toughs to put out fires around the world. Main thing would be to keep them overseas at all times!

Best-Worst Lawmakers

The Texas Monthly magazine presented their biennial list of the "ten best" and "ten worst" members of the 74th Legisla-

ture. This has been done since the last year of Governor Preston Smith's term in office and the same year Texans voted in a large group of reform minded lawmakers to add to the "dirty thirty" already in place in the House of Representatives. That was 1972. Sissy Farenthold was a leader of those loud and mischief-making stalwarts, as you may recall.

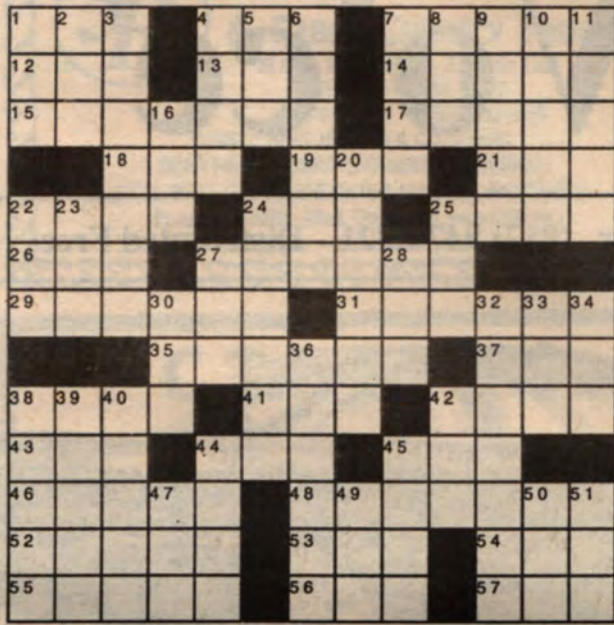

It has always amazed this observer-of-things-political down in Austin how a legislator, who is named to the "worst" list one year, will generally say he or she does not care since the magazine is tilted in favor of "liberals" or others of low birth! And then, if, after the following session he or she is somehow named to the "best" list, that information will immediately appear on all the lawmaker's lists of accomplishments, biographical highlights and casually mentioned (of course) in speeches!

Such hijinks from grown adults! No wonder most folks think the main reason for electing legislators is to get them out of town for a few months every two years!

One member of this year's House got a neat slam-dunk when he was listed as being a member of

For Harry and Lloyd, every day is a no-brainer! Harry and Lloyd, who are too lame to live and too dense to die, are a pair of dim-witted pals on a cross country road trip to return a briefcase full of cash to its rightful owner. Along the way, they'll confound cops, kidnapers and anyone who has the misfortune of crossing their paths.

Students attending the Summer Space Camp at Thomas Arnold Elementary had a visit from an Apache and Black Hawk helicopter, which conveniently landed on the school grounds. The crews made the helicopters available for hands-on perusal and offered up information on some of the unclassified technology used by the U.S. Army in gathering Military Intelligence and operation of the high-tech machine.

According to instructors, Betty Gregurek, Terry Summers and Dana Thomas the Space Camp has been a great success! They already scheduled the next camp to be held July 24-28. Registration will be limited to the first 25. Tuition is \$50. To register call 947-0876.

Cen-Tex Girls Choir holds camp at UMHB

The Central Texas Girls Choir held their annual summer camp at the University of Mary Hardin Baylor last week. Twenty-six of the choir members attended classes in choreography, charm, poise, voice, music theory, as well as extensive choir rehearsals.

The participants resided on the campus, dined in the Crusader cafe and swam, played tennis, and were involved in supervised

team recreations. Instructors included Tanya Day of Killeen, Dandy Gosney of Temple, Donna Humphrey of Belton, Paige Powell of Carrollton and Terri Yeager of Belton, Phyllis King and Donna Kennedy are directors of the choir.

Girls attending from Salado were Katie Gattenbein, Lara Lee, Mary Lee, Trisha Marden and Becca Trost. Meg Aklinski and Sheryl Morales attended from Harker

Heights, Elizabeth Ehrig attended from Little River Academy.

The choir will perform on June 23 for the Assembly of Women of the Christian Churches (Disciples of Christ) in the Southwest in Dallas/Fort Worth.

Auditions for the choir will be held in August by appointment. For more information contact Celinda Hallbauer, Director of the Preparatory Music Program UMHB, 939-4686.

Engleking given \$10K scholarship

Ricky Engleking was awarded a 4-year \$10,000 Houston Livestock Show and Rodeo 4-H scholarship June 6 in a special ceremonies at the annual Texas 4-H Roundup in College Station.

Rick, the son of Donald and Tranise Engleking, was one of 50 recipients honored in the evening's festivities. Rick, was actively involved in the Bell County 4-H for eight years, plans on majoring in agribusiness at Texas A&M University.

Recipients of the 4-H scholarships were selected by the Texas 4-H Foundation. The selected students all demonstrated academic excellence and strong leadership skills throughout their high school career.

All 4-H scholarships recipients must pursue a degree in agriculture or life sciences at a Texas college or university.

"The Houston Livestock Show and Rodeo takes immense pride in its relation-

Ricky Engleking, an SHS graduate, is the recipient of a 4-year \$10,000 scholarship from the Houston Livestock Show and Rodeo

ship and involvement with the Texas 4-H," said Don D. Jordan, president of the Houston Livestock Show and Rodeo. "We know that all of these students are exceptional young people. They all have demonstrated success through their commitment to hard work, dedication and leadership throughout high

school and through 4-H."

Jordan also noted that since its scholarship program began in 1957, the Show has provided scholarships to more than 1,000 4-H members, representing a commitment exceeding \$7.7 million.

These 50 scholarships were funded through net proceeds from the 1994 Houston Livestock Show and Rodeo and are only a part of the Show's annual educational commitment. In addition to the 50 awards, the Show also is presenting another 175 \$10,000 scholarships, 43 \$5,000 awards, 8 \$2,500 awards, 104 Hispanic scholarships, totaling \$206,000, graduate assistantships valued at \$235,000, school art scholarships worth \$70,000 and various other contributions to Texas colleges and universities. These contributions bring the organization's 1995-96 educational commitment to more than \$3.5 million.

Chisholm Trail ABWA will meet June 27 at Young Williams Manor

The Chisholm Trail Chapter of American Business Women's Association (ABWA) will hold its regular monthly meeting 6:30 p.m., June 27 at Young Williams Manor.

The meeting will begin with a brief business meeting. Items to be discussed include sign-ups for duties in upcoming ABWA Style Show, scheduled for Aug. 26 at the Salado Civic Center, in cooperation with The Store in Old Town Salado

and Christy's. Also members will be asked to serve at the Salado Art Fair on Aug. 5-6 in the ABWA concession booth.

The highlight of the evening will be the introduction of the chapter's scholarship recipient who will be receiving an assistance grant from the Chisholm Trail Chapter.

A brief program followed by the swearing in of new officers will conclude the program.

The new officers elected on May 23 are president Joyce Goza, vice-president Wylene Williams, secretary Darlene Walsh, and treasurer Marilyn Ragsdale.

Guests at the May 23 meeting were Ann Marie Harwell and Chris Blodgett. Anyone who is employed or recently retired is eligible for membership in ABWA and should call 947-5040 for further information.

the ten "worst" legislators with the further incantation allowing as how he was also "one of the more dismal products of democracy to reach the Legislature in many a year". Wow - what a put-down!

That gentleman in question happened to be a Republican but he was listed right along with Austin's life-long Democrat and liberal-without-shame Gonzalo Barrientos, who not only got one of the "worst" members-of-the-Senate crowns but the award also pointed out his "sulking, complaining and pouting" due in part, the magazine further noted, to the fact that he had not been selected to replace Congressman Jake Pickle when the latter retired.

You may recall that super-liberal and former Texas Supreme Court Judge Lloyd Doggett got that job.

The only area politician

serving in the legislature to make news in this year's Texas Monthly listings was **Dianne White Delisi (R-Temple)**. She was placed on the honorable mention roster on the "Best" side of the ledger. Thus disproving the loser's wail and theory that only liberals are rated "best" when it comes to this sort of tabulations.

Congratulations to our neighbor in Temple - Rep. Delisi.

Wonder what happened to Layton Black, Bill Sims and David Sibley? Guess it's like they say in sports - "wait 'til next session"!

Obit Error

Read recently of a notice in an area newspaper's obituary page (not the *Salado Village Voice*) that listed a person as deceased when in actual fact said citizen was alive and well!

This sort of "oops, sorry" faux pas is not uncommon

in the newspaper business. I am reminded of a similar incident when I was a very young editor managing a small newspaper in the southwest part of the State.

It was near deadline and in the last minute juggling to get all the news in place, we failed to notice some headlines had been mixed that put a prominent local resident in with the list of folks who had passed on. The paper was printed and the damage done!

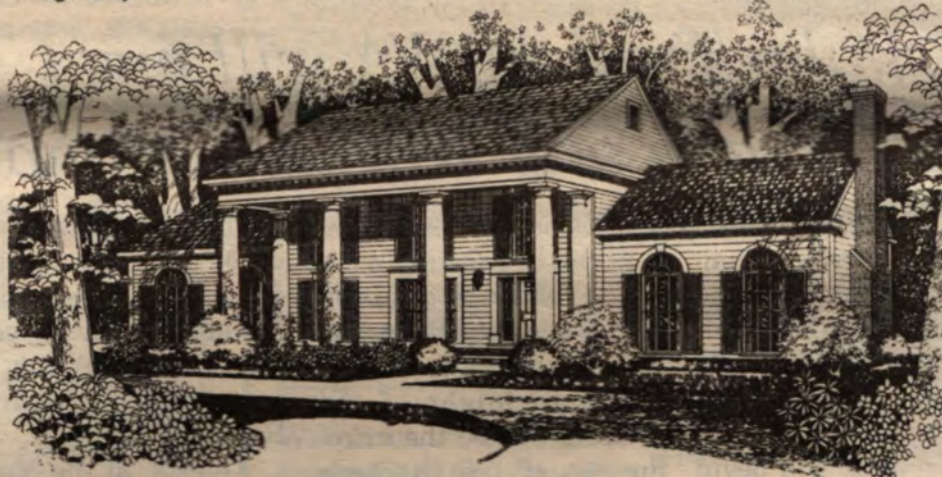

After suitable apologies were accepted by the good natured "deceased", several wags in town started the rumor that the local undertaker had spent the better part of two days searching for the cadaver in question, only to be told that the family had purchased a "do-it-yourself" funeral kit!

Great fun running a small town newspaper - with so much help!

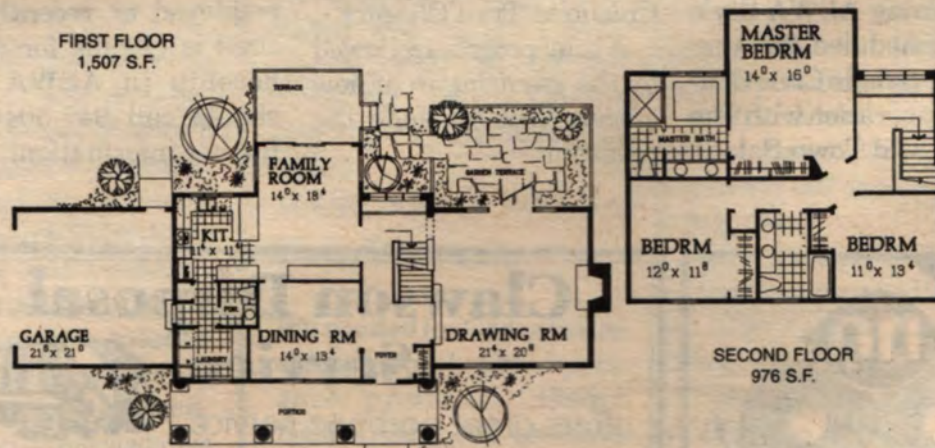

That's -30-

TWO-STORY HOME PLANS
 \$9.95 plus \$3.00 S&H

Fine family living takes off in this traditional design. Step onto the portico and into the foyer where a graceful drawing room gains attention. It is set a few steps down from the foyer and features a central fireplace and access to a rear garden terrace, thus making elegant entertaining a cinch. In the family room, another terrace supports outdoor enjoyment. The efficient kitchen features a double sink and a Lazy Susan for ease in storage. Upstairs, three bedrooms include a master bedroom with its own bath. The two secondary bedrooms enjoy the use of a full bath with dual lavatories.

Send payment to **HOME DESIGN-OF-THE-WEEK**, Dept. CPN3U, 3275 W. Ina Rd. #110, Tucson, AZ, 85741 or call toll-free 800-322-6797 to place a charge order.

GIFT discusses festivals in Salado June 14

GIFT (Generating Ideas for Festivals in Texas) members met at the Salado Civic Center on June 14. The member organizations are the Bell County Expo, Holland Corn Festival, Temple Office of Tourism, Temple Railroad & Pioneer Museum, Tablerock Festival of Salado, Fort Hood Public Affairs Office, and Fort Hood Officers' Wives Club, and the Chambers of Commerce in: Belton, Cameron, Copperas Cove, Gatesville, Harker Heights, Killeen, Lampasas, Liberty Hill and Salado.

Nette Fay Ray, of The Strawberry Patch on Main St., welcomes members of area Chambers of Commerce gathered in Salado last week.

The sixteen organizations send representatives to monthly luncheon meeting that are held at host members hometown.

The June hosts, The Salado Chamber of Commerce and Tablerock Festival of Salado, were assigned to topic "Commu-

nity Involvement". Salado merchants contributed lunch for the group meeting as a show of Salado's community involvement.

Those merchants were: The Stagecoach Inn, Robertson's Hams, The Strawberry Patch, IGA Village Foods, Salado Confectionery, Century 21 Bill

Bartlett, La Mansion de Salado, Young Williams Manor, Cathy's Signature Cakes/Bakery and Country Boy's.

Through the past decades, persons with diabetes have been given a variety of rules about what they can and cannot eat.

Recent research conducted by the Diabetes Care and Complications Trial has emphasized the need to individualize the care for persons with diabetes, monitoring glucose, eating healthfully and drinking plenty of fluids.

These life-style changes can prevent the onset of debilitating complications of the eye, kidney and nervous system.

These new recommendations by the American Dia-

betes Association and the American Dietetic Association include:

- Looser rules that move away from any rigid single diabetes diet to a more individualized meal plan of reduced fat content and increased complex carbohydrates.

- Sugar is no longer the villain if eaten within the context of a normal diet. Sucrose as well as other sugar sources such as fructose or honey should be less than 10 percent of total carbohydrate calories. Studies proved that sucrose had no more effect on increasing blood glucose levels than did fructose. So both fructose and sucrose are allowed in reasonable amounts.

- Mono-unsaturated fatty acids such as olive, peanut or canola oils have been shown to control blood sugar levels better than the fat recommended by the conventional diabetes diet while lowering insulin and triglyceride levels. The trick is to not increase total calorie intake when increasing consumption of mono-unsaturated fatty acids to prevent weight gain. Also, persons with

diabetes still need to limit their total fat intake particularly saturated fatty acids, since they are prone to coronary artery disease.

- Overweight persons with diabetes should still try to work towards a healthy weight to improve blood sugar control. So take in fewer calories and start increasing your activities.

- Increase antioxidant nutrient such as vitamins E and C that help to neutralize the cell-damaging free radicals and help to reduce the risk of diabetic complications. Eat at least '5 A Day' of fruits and vegetables.

If you have diabetes, talk to your physician about these new recommendations for eating more healthfully based on the latest research. Just remember some simple meal plan or approach to eating exists. Your local dietitian can help with an individualized meal plan just for you.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion, national origin or disability.

Services held for Jamie P. Bonner

Jamie P. Bonner, age 80, of Temple died June 14, 1995.

Funeral services were held at First Christian Church with Rev. David Fischer officiating. Burial was at Hillcrest Cemetery.

Mr. Bonner was a lifetime resident of Bell County. He was born Sept. 12, 1914 in Temple to Bell County Pioneers James William Bonner and Ida Phipps Bonner. He was a graduate of Temple High School where he was a member of the 1932 State Championship basketball team. He was a graduate of North Texas State teachers college presently north of Texas State University.

He married Peggy Taylor June 5, 1940 in Temple at the First Christian Church. He served in the

U.S. Navy during World War II. He worked as a salesman for the Bell Ice Cream company until obtaining the position of superintendent of the Temple City Parks & Recreation department. He later worked for American Desk as plant manager. He moved to Salado in 1966. In 1967 he started his own business, Tem-Bel Nursery. In 1981 he retired. In 1993 Mr. Bonner returned to Temple. He was active in his community. He was retired from the Board of Directors of First National

Bank and the Cemetery Board of Hillcrest Cemetery. He was a member of the Lions Club and the Knights of Pythias. He officiated basketball and football games, being a member of the SBOA and the SFOA. He was an Elder Emeritus of the First Christian Church.

Survivors are: wife Peggy Taylor of Temple, son Jamie P. Bonner Jr. of Salado and 2 granddaughters and 4 great grandchildren. He was preceded in death by one granddaughter.

Heatherly Hope Worley and Leslie Dale McDaniel were married June 17, at the home of the bride's paternal grandparents, Iva Lea and Fred Barton.

Parents of the couple are Dr. and Mrs. David Ripley Worley, Jr., of Austin and Mr. and Mrs. Marcus Dale McDaniel of Abilene.

Officiating at the ceremony were Mr. William L. Woodruff of Nashville, Arkansas, Dr. Fred J.

Barton of Fort Worth, Mr. Edward Dale McDaniel of Atlanta, Georgia, and Mr. William Rueben Slone of Fort Worth, grandfathers of the bride and groom.

Maid of honor was Miss Christian Worley of Austin, sister of the bride. Matron of honor was Mrs. Brigitte West of Austin. Bridesmaids were Miss Jamie McDaniel of Abilene, sister of the groom; Miss Melissa Fisher of San Antonio; Miss Kodi King of Austin; Miss Lacy Litton of Waco; and Mrs. Stephanie Self of Abilene.

Best men were Mr. Beau Johnson of Austin and Mr. Brian Berry of Austin. Groomsmen were Mr. Justin Beam of Delaware, Mr. Jeff Kirk of Dallas, Mr. Brad Mouchan of Abilene, Mr. Aaron Self of Abilene, and Mr. Jeff Smith of Abilene.

Junior bridesmaid was Miss Katie McDaniel of Abilene, sister of the groom. Junior groomsmen was Mr. Grant Hinds of Fresno, California, cousin of the groom. Flower girl was Miss Halie Davis of Throckmorton, cousin of the groom. Ring bearer was Casey McCoy of San Saba,

cousin of the groom.

Ushers were Mr. Tim Coyle of Georgetown and Mr. Paul Howell of Abilene.

Escorted by her father, the bride wore an off-the-shoulder gown with a bodice of white dupioni silk covered with Venetian lace. The skirt was of cream dupioni silk with a cummerbund crossing at the waist. She wore a three-tiered, full length veil with a headband of cream and white silk roses. Miss Elena Worley of Austin, sister of the bride, carried the bride's veil.

Following a honeymoon in Montego Bay, Jamaica, the couple will live in Abilene.

The bride is a graduate of Brentwood Christian High School in Austin and is a junior at Abilene Christian University pursuing a degree in vocational home economics. She is a member of Sigma Theta Chi social club.

The bridegroom is a graduate of Abilene High School and is in his fourth year of studies at Abilene Christian University pursuing a degree in communications.

Letter to the Editor

Dear Editor,

Recently there has been a lot of controversy about being able to have some controls in the Salado Historic District. As a member of the Salado Historic District Committee, I want to share some information everyone in our village may not know. It is the policy of this committee to send a letter to everyone we have knowledge of, who is building, remodeling, or changing structures in the Historic District. We always encourage the people to meet with our committee and we often set special meeting dates to help all concerned. We hope to encourage them to show us their plans for construction, location, sewer information, etc. We explain that we want everyone to be happy with the end results but feel the village is different and we need to make them aware of what guidelines we have that have been sanctioned by the Salado Historical Society, the Salado Chamber of Commerce, the Bell County Historical Commission, the Texas State Historical Commission, and the Texas Legislature.

On March 13, 1995, a letter was sent to Mr. and Mrs. Val Smith, owners and builders of the 24 Hour Exxon Station now under construction in the Salado Historic District. On April 25, 1995 a representative of their business, Mr. Robert Hart, met with our committee. We all expressed our feelings after seeing the plans and asked them to perhaps consider using stone and other materials to make the building fit in with the other structures in the Historic District since it is directly across from one of our best examples of our history, The United Methodist Church of Salado.

Mr. Hart said Exxon would not consider these things because Salado or our Historic District has no real authority or "clout" and they would continue as planned. The committee requested to meet with the owners soon and we were told that he would ask them—a time was planned and then the owners cancelled the meeting. The work continues and our concerns are still valid.

The Historic District Committee has been work-

ing since organized in 1987 to try to maintain the integrity of our community and preserve the Historic District of Salado. We have won some of the battles and lost some of the others, but I personally do not plan to stop trying. As an owner of vital historic property on Main Street I owe this to the community and our future citizens.

Our committee has taken some real licks lately, but that's okay because someone has to work to protect what we have—it doesn't just happen.

The president of the Chamber of Commerce Auxiliary serving in 1979 appointed some women to investigate the possibilities of an historical society being formed. I am a charter member of that group along with Thelma Fletcher, Pat Barton and others. The Salado Historical Society is the result, and has grown to 250 members in 1995.

When we moved here 18 years ago, we knew Salado was special, it still is and is worth working for. No one has fought harder than my

family to keep our "independence" from city government. We did not want "government" in our last two elections brought before the people, but maybe the time has come to rethink what may be putting our village into jeopardy: people from other places not taking our "History" seriously, absentee ownership—not considering anything but money, and other communities who see us as a "plum". We are not just "Anytown" USA, but take our history and name away and we soon will be.

I'm a little weary of letters and articles from people and about people who haven't been on the front lines for the last several years, or even been present at some of the skirmishes, but seem to be authorities on how to survive. It is time for all of us to work together to decide what can be done to save our history and then protect those in the extra territorial jurisdiction (ETJ's) around it.

God Bless Us All,
Doris Denman

UMHB gives scholarships to Saladoans

The University of Mary Hardin Baylor (UMHB) recently awarded scholarships to Salado students for the 1995-96 academic year. "UMHB anticipates awarding financial aid to 1,850 students during the 1995-96 academic year; this represents approximately 80 percent of our student body," said Ron Brown, director of Financial Aid. "We will distribute approximately \$12 million in financial aid of which \$3.2 million is direct institutional funding," said Brown.

Janet Brooks was

awarded the McBryde - Ellis Endowed Scholarship; Diane Flink was awarded the Loventhal Endowed Scholarship; Angel Foster was awarded the Honor Scholarship and Connie Johnson was awarded the Endowed Scholarship.

UMHB is a co-educational campus offering majors in 35 fields including business, religion, education and the arts and sciences and nursing. UMHB offers graduate programs in psychology, business administration, health services management and education. The University is in its 10th year in a row of record enrollments with

2,244 students enrolled Fall 1994. The Texas Education Agency has recognized academic excellence in UMHB's education program, ranking it 10th out of the 67 schools in Texas that train teachers. Nursing graduates posted the highest pass rate on the National Council Licensure Examination for Registered Nurses over all baccalaureate programs in the state of Texas.

The men's and women's basketball teams were nationally ranked in the NAIA for the 1994-95 season. Both teams qualified for the NAIA National Tournaments.

Ladies Bible Study begins June 22 at GBC

Do you want to learn more about the Bible and how it applies to your life? Grace Baptist Church is hosting a Ladies Bible Study beginning 7 p.m., June 22 at the Grace Baptist Church. All women in the community are invited to attend.

There will be time for sharing, praying, fellowship and learning more about the Bible. Sessions will continue every other Thursday evening at 7 p.m.

Grace Baptist Church is located 2 miles west of I-35 on FM 2484. Take FM 1670 exit #286 and continue west on 2484.

Roy Randel Conder
70 years

Roy is the son of the late Roy Everett Conder and Lyndal Mecom Conder, was born on Bacon Creek Ranch in Killeen, June 25th, 1925.

He and his sisters, Dell Wilson, Johnnie Barrett, and MaryLyn Wood, were raised in the Salado area by John and MayBelle Newsom.

Roy will be honored with an open house 2-5 p.m. June 25 in the carriage house of the Hally House on Main Street Salado. All Family and Friends are welcome!

Hostessed by his daughters, Patricia Locke, Katherine Buchanan, Barbara Agee, Virginia Prince and Donna Conder.

NOTICE OF PETITION

Central Telephone Company of Texas ("Centel") has filed a Petition with the Public Utility Commission of Texas ("Commission") to establish a fee for the purpose of recovering lost revenues and increased costs associated with Expanded Local Calling Service ("ELCS") petitions for several Centel exchanges pursuant to the Commission's Substantive Rule 23.49(c)(12) passed as a consequence of S. B. 632, 73rd Legislature-Regular Session.

If approved, the monthly increase in charges to Centel's local exchange customers will be \$0.67 per month per access line. Prior to final approval by the Commission, all Centel customers subscribing to basic local service who are not already paying a \$3.50 or \$7.00 ELCS charge will be billed the additional monthly amount beginning on an interim basis no sooner than the July 1, 1995, billing cycle. Centel has requested this rate be implemented on an interim basis, subject to refund, until such time as the Commission has entered a final order on this matter. The net annual effect on the revenues of Centel will be \$0.00 as the requested fee replaces lost revenues and reimburses Centel for the increased direct cost of service associated with all of Centel's ELCS in service by June 1, 1995. The total lost revenues and increased costs associated with ELCS for Centel's ELCS in service by June 1, 1995, is \$1,237,393.

The deadline for intervention in this matter is August 7, 1995. Persons who wish to intervene in or comment upon these proceedings should notify the Commission no later than August 7, 1995. All requests to intervene should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission's Public Information Office at (512) 458-0256, or (512) 458-9221 for text telephone, or by writing the Public Utility Commission.

NOTIFICACION DE PETITION

La Central Telephone Company of Texas (Compañía Central de Teléfonos de Texas) ("Centel") ha presentado una petición a la Comisión de Servicios Públicos de Texas ("Comisión") para establecer una tarifa, con el propósito de recobrar los ingresos perdidos e incrementos de costos relacionados con las peticiones del Servicio Extendido de Llamadas Locales (Expanded Local Calling Service), ("ELCS" por sus siglas en servicio, para varlas centrales de teléfonos Centel, conforme a las Normas Permanentes de la Comisión 23.49(c)(12), que fueron aprobadas como resultado de la S.B. 632, la 73rd Sesión Regular de la Legislatura. Si se aprueba, el incremento en los cargos mensuales a los clientes locales de Centel, será de \$0.67 al mes por cada línea de acceso. Antes de la aprobación final de la Comisión, todos los clientes de Centel abonados al servicio local básico que aún no están pagando un cargo ELCS de \$3.50 U \$7.00, se les cobrará una cantidad mensual adicional de manera provisional, comenzando no antes del ciclo de cobro del primero de julio de 1995. Centel ha solicitado que esta tarifa se lleve a cabo de manera provisional, sujeta a reembolso, hasta que la Comisión tome una decisión final en este asunto. El efecto anual neto en los ingresos de Centel será de \$0.00 ya que las tarifas solicitadas reemplazarán los ingresos perdidos y reembolsarán a Centel por el incremento del costo directo de los servicios asociados con todos los ELCS en servicio para el primero de junio de 1995. El total de los ingresos perdidos y el incremento en los costos asociados con el ELCS para el ELCS de Centel en servicio para el primero de junio de 1995 es de \$1,237,393.

La fecha límite para la intervención en este asunto es el 7 de agosto de 1995. Las personas que deseen intervenir o comentar sobre estas actas deberán notificar a la Comisión a más tardar el 7 de agosto de 1995. Todas las peticiones para intervenir deberán enviarse por correo a la Comisión de Servicios Públicos de Texas, 7800 Shoal Creek Boulevard, Austin, Texas 78757. Se puede obtener más información llamando a la Oficina de Información Pública de la Comisión de Servicios Públicos al teléfono (512) 458-0256, o al (512) 458-9221 teléfono con pantalla de texto, o escribiendo a la Comisión de Servicios Públicos.

Tom Normand named Fellow

Salado resident Tom Normand recently attended the annual meeting of the Texas Fellows of American College of Trust and Estate Counsel. The American College of Trust and Estate Counsel is a nationwide organization of attorneys recognized as having membership open by invitation only.

This year's meeting was held in Austin in connection with the 19th Annual Advanced Estate Planning and Probate Course sponsored by the State Bar of Texas.

Normand is a member of the Temple law firm of Bowmer, Courtney, Burleson, Normand & Moore. He is board certified in the field of estate planning and probate by the Texas Board of Legal Specialization and serves on the adjunct faculty of Baylor Law School. In addition to membership in the American College, Normand is also a fellow in the International Academy of Estate and Trust Law.

McDowell Cemetery Assoc. to meet

The annual meeting of the McDowell Cemetery Association will be held 7 p.m., July 13, at Nolan Valley Baptist Church.

All interested persons are encouraged to attend. The church is located on

FM 93 about 5 miles west of Belton. For more information, please call John Alexander at 817-939-7860. Donations may be mailed to McDowell Cemetery Association, P.O. Box 51, Belton, TX 76513-0051.

Auxiliary Quilt now at Strawberry Patch

The Salado Chamber of Commerce Auxiliary quilt will be on display at the Strawberry Patch June 21-27. This beautiful hand-made quilt can be yours on Aug. 6 at the close of the Salado Art Fair when the winning ticket will be drawn.

Many Salado merchants are selling the tickets for \$1 each or 6 for \$5. The queen-

size quilt is blue with off-white candlewick embroidery bordered with lace.

Tickets have been purchased by many outside our district, such as Tyler, Houston, League City, Duncanville, Mabank, Balch Springs, Corsicana, Copperas Cove and the Dallas-Ft. Worth area.

Entrants do not have to be present to win.

Cen-Tex Girls Choir gives June 23 concert

The Central Texas Girls Choir will perform June 23 in the opening worship service for the Assembly of Women of the Christian Churches in the Southwest (Disciples of Christ). The opening program will be at 7:30 in the Harvey Hotel and Convention Center at the DFW Airport.

The choir will process in accompanied by liturgical dancers and synthesized orchestra to perform "Sing Hosanna" by Kirby Shaw. Following "Sing Hosanna", the choir will sing a capella, "Jubilate Deo" by Michael Praetorius

During the offertory and special music the choir will perform "You Shall Have A Song" by Harriet Ziegenhals and "Sing Joy!" by Ruth Artman. The recessional, "Sing Hallelu" a Liberian Folk Song will be performed a capella by the choir and employ folk

rhythm instruments.

Among the choir members are Saladoans, Katie Gattenbein, Lara Lee, Mary Lee, Trisha Marden and Becca Trost.

Facilities

FROM Page 1

socialization area.

Areas of Concern at the Thomas Arnold campus were these:

1. Code compliance (ADA and Life Safety.)
 2. Size of classrooms and site are below TEA and CEFPI recommended standard size.
 3. Administrative support spaces are inadequate.
 4. Roof is at end of life cycle and needs to be replaced.
 5. High cost of plant maintainability.
 6. Facility design does not support current instructional program needs.
 7. Kitchen preparation and serving area are too small and below standards.
- TSPI also presented four options for the board's consideration and deliberation:

In making the proposals, TSPI stated "Cost estimates are for comparison of options in 1995 dollars. Estimates are based on the best available information. Development of project specific education programs and specifications are necessary for more accurate cost projections."

Option 1

The first option would be to expand and update the present school campuses with the following goals:

Bring all facilities into compliance with the Life Safety Code and requirements of the Americans with Disabilities Act (ADA) and Environmental Protection Agency (EPA).

Add 12 elementary classrooms and restrooms to replace portables and provide for student population growth.

Expand kitchen preparation area and elementary

administrative space.

Retrofit mechanical and electrical systems at both facilities.

Expand existing band hall and library at the high school.

Improve technology infrastructure and acquire new hardware and software.

Add 10 classrooms and restrooms at the high school for growth of student population.

Option 1 would accomplish the above items at a total cost of \$3.9-4.7 million. \$2.25-2.75 million for work at the high school and \$1.64-1.98 million for the elementary campus.

Option 2

Option 2 would include construction of a 45,000 sq. ft. new elementary building.

In addition to some of the strategies listed in Option 1 applying to the older facilities, this option would accomplish the following:

Construct new Pre-K Elementary school at a location near the current school complex.

Bring all facilities into code compliance.

Refurbish elementary school and use as a middle school for grade 6-8.

Refurbish high school with some expansion in library and band hall for grades 9-12.

Acquire additional property for elementary school site.

Improve technology infrastructure and acquire new hardware and software.

The cost for Option 2 would be \$5.19-\$6.355 million, broken down as follows: \$1.65-\$2.05 million for high school work; \$840,000-1.055 million for elementary school work

and \$2.7-\$3.25 million for new elementary school for 400-500 students.

Option 3

Option 3 will include renovations at both the elementary and high school campuses and construction of a new high school for grades 9-12.

It would accomplish the following goals:

Bring all campuses into code compliance

Build a new high school for grades 9-12

Refurbish high school for middle school grades 5-8 and elementary for PreK-4.

Improve educational adequacy and environment for grades PreK-12.

The total cost of Option 3 is \$6.84-\$8.1 million. Renovations at the old high school would be \$1.25-\$1.55 million, renovations at the elementary would be \$840,000-\$1,055,000 and construction of the new high school would be \$4.75-\$5.5 million.

Option 4

Option 4 would include renovation of present campuses and construction of a new middle school. It would accomplish the following goals:

Bring all campuses into compliance with codes.

Improve technology infrastructure and acquire hardware and software.

New middle school will provide relief to overcrowding at the elementary and high schools.

The total cost of Option 4 would be \$6.49-\$7.6 million as follows: high school work \$1.65-2.05 million, elementary school work \$840,000-\$1,055,000 and new middle school, \$2.5-3.0 million.
