(photo by Marilyn Fleischer)
Several early graduates of the old Salado school have an interest in its preservation. Pictured here are Bill Bridges, Lois Sheppard, and Proctor Capps, who all attended school in the old red schoolhouse when it was "new."

Town meeting called for old school house

The much publicized "Town Hall" meeting to discuss the renovation of the red brick school building on Main Street is scheduled to begin at 7 p.m. April 30 at the high school cafetorium.

The meeting, sponsored by the Salado Chamber of Commerce is designed to present a complete feasibility report on the ways and means to be pursued by the Chamber in reopening the old high school building for use by the Chamber of Commerce's visitor's bureau and business office as well as by the Salado Public Library and other local groups who have expressed interest in having office space in the remodeled structure - provided there is sufficient public support to warrant this major community activity.

Chamber President Denver Mills noted: "It is the sincere hope of the board of Directors of the Chamber that there will be a good many citizens in attendance at the open meeting to discuss the various factors that will go into this massive renovation project. Without public support there can be no progress made on this activity that we have been working on for years."

He continued, "I hope that as many Saladoans as possible will take a few

minutes of their time to be present tomorrow evening and let us know if we have a viable project or not since we cannot discover this other than by having people come forward in a public forum and express their opinions and ideas."

The meeting will be chaired by Mills and a panel including the chamber's building project chairman Bob Cottle and board member Patsy Sanford together with Don Legge, Salado architect who drew up the feasibility study and floor and site plans, will all be on hand to discuss the various aspects of the renovation.

It is hoped that a phased in plan will be acceptable to the community, with the first floor to receive the initial renovation. This, plus some ground work outside, will be included in Phase One. Later phases will include completion of the second floor, kitchen facilities and landscaping as well as expanded parking for cars and buses.

Copies of the recently published feasibility study that appeared in the April 22, issue of the *Salado Village Voice*, will be available as a handout to those attending the meeting along with other facts and figures on estimated costs for construction plus operating budget numbers.

VOTE

Salado ISD Trustee election set for May 2

Salado I.S.D. voters go to the polls May 2 to elect two candidates to serve three year terms on the Salado I.S.D. Board of Trustees.

The general election will be open 7 a.m.-7 p.m. May 2 at the Salado School Cafeteria.

On the ballot for two full three-year terms on the school board are James F. Daniel, M.D., Cindy Fisher, Tom Gidley and Dewayne Jackson.

Jackson and Dr. Daniel are incumbents

Kindergarten Registration set May 6

Salado I.S.D. will be conducting kindergarten registration 8 a.m.-1 p.m. May 6, in the elementary school.

Parents need to bring the child's certified birth certificate from the state, child's social security number and an up-to-date shot record.

State law now requires each child entering kindergarten to have a (HIB) immunization. Children entering kindergarten must be five years of age by September 1, 1992.

To pre-register your child, call Thomas Arnold Elementary at 947-5191.

A needs-assignment survey to see how many 3- and 4-year old children could meet the Texas Education Agency qualifications of economically or educationally disadvantaged children will be conducted during the kindergarten registration. If your child will be 3 or 4 years old by Sept. 1, 1992, please stop by and fill out the necessary forms.

Historic Preservation Week May 10-16 around country

Thousands of individuals around the country will celebrate National Historic Preservation Week, May 10-16. The 20th annual celebration, whose theme is "Preservation Brings History to Life!" is being sponsored by the National Trust for Historic Preservation and locally, by the Bell County Historical Commission.

As part of the observance, citizens nationwide will be calling attention to National Register or locally designated historic sites. The Bell County Historical Commission's goal for this year's celebration has been to ask every newspaper in Bell County to feature an article promoting National Preservation Week and focusing on a significant historical property in the individual communities.

The purpose of the Bell County Historical commission include identification, protection and preservation of the county's rich

heritage. Providing opportunities for public awareness of important cultural resources is a part of the Commission's goals.

The National Trust for Historic Preservation, chartered by Congress in 1949, is a nonprofit organization with 250,000 members. The National Trust is dedicated to helping Americans understand and experience their diverse heritage in authentic settings.

Inn at Salado plans marker dedication

Dedication of a Texas Historical Marker is set for 4 p.m. May 17 for the Norton-Orgain House on Main St. (The Inn at Salado Bed & Breakfast Inn). A reception will coincide with the marker dedication ceremony. Please contact Doris Denman at 947-5718 for more details.

Shattered

rated R

starring Tom Berenger, Greta Scacchi,

Bob Hoskins

Our rating: ****

by Tim Fleischer

Without a doubt, **Shattered** is an edge-of-your-seat mystery thriller. It is a sharp story to say the least.

Slickly filmed, **Shattered** is steamy entertainment. Tom Berenger and Greta Scacchi are hot, hot, hot together. Enough said.

Shattered hangs on to the end before confirming your worst suspicions. I won't ruin the end of this fast-paced psychological mystery because it is the best mystery film released this year.

Don't miss it.

Our rating system

* A dog ** A dog with spots *** Reaches mediocrity
**** Better than most ***** One of the best

"Coolidge is the first president to discover that what the American people want is to be let alone."

Will Rogers
January 27, 1924

Once upon a time, in the good old days before George McGovern and Walter Mondale, the Democratic Party leaders would gather in a smoke filled room in St. Louis or Cleveland or Chicago or even in New York City to select among themselves the name of the man who would be nominated in the quadrennial convention as the candidate for President of these United States. Fellows like Sam Rayburn would be able to tell within a few votes who could win and who would lose. All without benefit of an up-to-the-minute poll. These power brokers would welcome organized labor, women, minorities and the great American middle class but they never turned the entire process over to these groups! And they won time after time!

Along came McGovern and his "let-every-one-have-a-say-rule" and out went the Demos as a threat to the White House.

Off the Record

by Ken Clapp

Only Jimmy "the Smile" Carter broke through and that because of the disgrace of Richard Nixon. Today's Democratic hopefuls run around offering their souls to any loudly organized group of self interested pooh-bahs that come down the pike. As a result the true conservatives within the Democratic Party took a walk in 1972 as the GOP came a-courting!

This year is again no exception. Bill Clinton - the current front-runner is out hustling votes from striking laborites, gays, lesbians and the minority caucuses. He even allowed as how he wanted a person dying of AIDS to address "his" convention this summer! If he - or any other candidate for the Democratic nomination - had a lick of sense they would know that these diverse groups of howling banshees has no other place to go than the Democratic Party - so why waste so much time on them? Work the crowd that can help

win the presidency - the forgotten, over-taxed, over-governed and overlooked middle Americans. Bring them home and perhaps wrest the top job from the entrenched GOPers. Think that will happen? Not one chance in a billion! But worthy of mention at this point in the political season at hand.

On the other side of the aisle we discover that the Republicans are not much smarter. They think they are such a shoo-in that they plan to invite former disgraced President Dick Nixon to speak at their Houston summer convention. Now ain't that a kick in the head! Talk about insulting everyone in one fell-swoop. They do have one thing over their liberal counterparts, they don't fool with the baggage of special interests other than the far right as compared to the near right! As a result they will stumble along with a good old boy like Bush, who hasn't a clue about what to do with our economy, our health insurance and medical cost scandals or our lack of direction at all levels of education - and will win

Dear Editor:

In behalf of the membership of Chisholm Trail Republican Women's Organization, I wish to congratulate you on your fourth anniversary of uninterrupted years of serving the village of Salado with the weekly publication of the *Salado Village Voice*.

We are aware of your eagerness to bring about positive changes in our community by your fairness, objectivity and general excellence in covering important events.

We thank you for the very good coverage you have given to our organization during its first year of operation. We have enjoyed a successful year and are looking forward to many more.

We wish you continued success in your journalistic pursuits, Tim and Marilyn.

Sincerely
MaryBelle Brown
Vice-Pres. for Programs and Public Relations.

Letter to the Editor:

If Salado Citizen's are the first in Bell County required to install meters on their private water wells, who will be next?

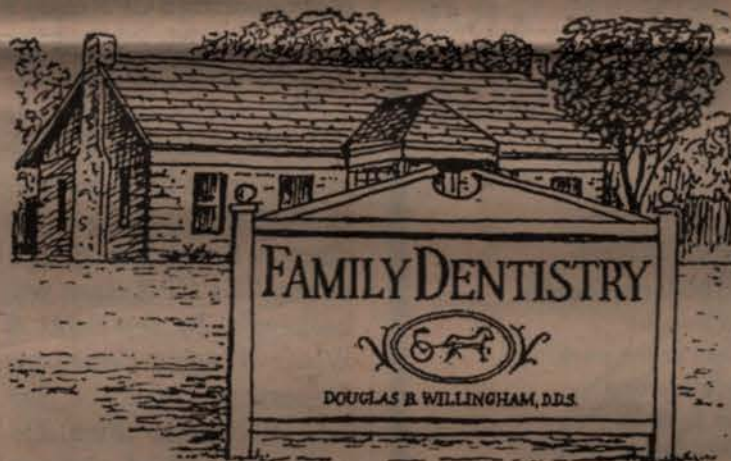

Oh, you don't know about the water meters? You have not kept up with "Austin?" We have a new Water Czar, Mr. John Hall, Chairman of the Texas Water Commission, whose decree redefines the Edwards Aquifer (the source of Salado Water) as the Edwards River and mandates state control over those who depend on this water source for a livelihood. Why are we not learning this from our regional media.

Is this constitutional? Definitely not, but this is happening because the voters of Texas refuse to go to the polls after studying the candidates and the issues and unless we remove these entrenched bureaucrats and self-styled reformer, from the school house to the White House, we, like the Greeks and Romans of yesteryear,

will recall "the good old days" only from reading the history books.

Wake-up Texas! Wake up, USA! It is happening here. We have constitutions but the self-serving demigods we keep in power are "sending us down the path to Rome." It is time to require compliance with our constitutions. Go Vote Now.

Centel customers to choose long-distance

Customers of Central Telephone Company of Texas (CENTEL) in Salado will soon be asked to choose their long-distance company. Beginning May 1, ballots containing a list of long-distance companies available in the area

will be mailed to customers. From the list, customers should select the company they want to provide their long distance service.

The selection process is the first phase of equal access. Mandated by the Federal Communications

Commission (FCC), equal access was designed to give all long-distance companies "equal access" to customers. In turn, customers will have more control over their long-distance service through the company of their choice.

SHS pre-registration next week

Salado High School will begin pre-registering students for the 1992-93 school year next week.

Students in grades 9-11 will pre-register during the week of May 4 in English classes. During this time, students will review their four-year plans which they made before entering high school.

Students in Grade 6 will pre-register and receive orientation for Junior High during the week of May 11. Students in grades 7 and 8 will pre-register for classes after achievement test scores are received. A tentative date has been set for the week of May 18.

Parents of 8th graders

will receive a letter to schedule an appointment with the counselor. Four-year plans will be made for each 8th grader as well as selecting classes for the 9th grade year.

If parents have questions about pre-registration, they may call the counselor at the high school, 947-5429.

Hodge Soccer team wins 2, ties 1 game over 10 days

The C. B. Hodge Soccer team finished a 10-day stretch with two more wins and one tie game. Their record in the Under 12 Boys league now stands at 6-1-1. In a game shortened to halftime by bad weather, the Salado team was awarded a win due to their 3-0 lead when the officials called it. Temple's Optimists were the victims when Ryan Hodge scored on an assist by Taylor Hutton. Barry Hodge scored next on a long breakaway after he shot past the goalie into the far corner. Ryan Hodge set up the final goal with a perfect pass to David Kirk, who fired a bullet into the open net.

Salado played a tough match with Temple's Gulf

Coast, ending in a 1-1 tie April 21. Josh Lee got the only Salado goal in the first half of dribbling through five defensive players and shooting past the goalie into the far corner of the goal. David Kirk's long penalty shot also found the net, but was not allowed by the referee.

April 25, Salado defeated Temple's Jaycees by a 3-1 score. Taylor Hutton started the scoring, beating two defensive players on the left wing. His shot was blocked by the goalie and Ryan Hodge was there to put the rebound in the net. Brady Johnston scored the second goal on a 30 yard penalty kick that was too hot for the goalie to handle. Ryan Hodge finished the scoring, beating two defenders and the goalie for the third goal.

MCCA, Lions sponsor May 16 CPR course

The Mill Creek Community Association and the Salado Lion's Club are cosponsoring a CPR class 9 a.m.-4 p.m. May 16, at the Salado school cafeteria.

The cost of the class is \$20 per person. Enrollment is open to all persons in the Salado area but the class is limited to 25 students. The CPR class will be taught by the Scott & White Nursing Education Department and the Salado Volunteer Fire Department Chief Johnny Butler. To enroll in the class call Kate Garrett at 947-9941.

Peaches Offer Year 'Round Summer Sweetness

It's summertime, and the pleasures of the season are at their peak — warm weather, sunny skies, the smell of freshly cut grass and the taste of juicy, fresh fruit. Golden blush in color and delightfully flavor-packed, ripe summer peaches are truly a "seasonal" treat.

Or are they? While it may seem a far cry from winter, the weather will eventually turn cold, leaving most summer joys far behind. With a little planning — and the help of your freezer — the juicy sweetness of summertime peaches can be enjoyed by you and your family year 'round. By freezing fresh peaches now, anyone can savor the great taste of a warm, fresh baked peach tart, pie or cobbler on a cold winter day.

Freezing is the perfect way to preserve the nutrients, color and fresh taste of harvest-time peaches. Why not take advantage of this season's abundant crop by visiting a nearby roadside stand, farmers' market or local supermarket? With minimal preparation, you'll be ready to freeze!

Before packing the peaches to freeze, wash them under cold water (be sure to choose well-ripened fruit and handle with care to avoid bruising). To peel, submerge the peaches for 30 seconds in boiling water, then plunge them into ice water so the skin can be removed easily. After removing the skin, slice the peaches in halves or in sections, removing the stones. Then, place them in a mixing bowl. In a separate bowl, thoroughly mix 2/3 cup sugar and 1/4 teaspoon ascorbic acid for each quart of fruit. Sprinkle the sugar-ascorbic acid mixture over the peaches and toss to make sure each fruit section is coated. Allow the peaches to stand until the sugar dissolves (about ten minutes).

While waiting for the sugar to dissolve, you'll want to label several Ziploc® brand freezer bags — the clear, recloseable zippered bags have an easy-to-use write on label that allows you to label and date everything you freeze. It's always a good idea to freeze peaches, and other

liced or chopped fruit in amounts called for in your favorite recipes. For instance, the "Freeform Peach Almond Tart" (recipe follows) requires 3 cups sliced, frozen peaches. A quart size Ziploc freezer bag will hold this quantity nicely. Gallon size bags are more suitable for bulk freezing.

To freeze, place the peaches in several freezer bags, press out as much air as possible and seal the zipper, leaving a 1-inch opening. Then, press out any remaining air with your hands before sealing completely. Ziploc freezer bags with the Gripper® Zipper are the easiest closing bags you can buy. You can actually feel the zipper grabbing hold for a tight, secure seal. Fresh frozen peaches will keep in your freezer for 6 to 8 months.

Fresh frozen peaches transformed into a warm, flaky tart simply can't be beat. "Freeform Peach Almond Tart" is a sure-fire crowd pleaser.

Ziploc brand freezer bags is the proud sponsor of the National 4-H Food Conservation, Preservation and Safety program. The goal of the program is to help 4-Hers appreciate food as a resource, learn about nutrition and health and develop skills in preserving and preparing food.

Freeform Peach Almond Tart

- 2 pie crust sticks
- 1/3 cup finely ground almonds or pecans
- 2 tablespoons sugar
- 1/4 cup plus 4 teaspoons hot water
- 3 cups sliced frozen peaches, thawed
- Ground cinnamon
- Ground nutmeg
- 1 tablespoon butter or margarine, cut into small pieces
- 1/4 cup apple jelly, melted

Preheat oven to 450°F. Crumble pie crust sticks into small bowl; mix in almonds and sugar. Add water, mixing to form dough.

Roll dough on floured surface into 14-inch circle; carefully transfer to ungreased cookie sheet. Arrange peaches on dough in circular pattern, leaving 1-inch border around edge of dough.

Sprinkle peaches lightly with cinnamon and nutmeg; dot with butter. Fold edge of dough over peaches. Bake until crust is golden, about 15 minutes. Cool tart on pan on wire rack 10 minutes; transfer to serving plate. Brush peaches with melted jelly.

Makes 12 servings.

Bolton named semi-finalist in songwriting

Singer-songwriter M.L. Bolton has been named semi-finalist in the annual B.W. Stevenson Songwriter's Competition sponsored by Poor David's Pub in Dallas. He performed in Dallas on April 16 along with other finalists, and will return to Dallas on April 30 to open the finals competition.

Alice Wells was selected with nine other Texas songwriters to appear at the the Ballad Tree at Kerrville's 1992 Folk Festival in May. She and Bolton will be performing a song they co-wrote.

Monday Club travels to Brenham May 4

The Monday Club members will be traveling to Brenham for the day on May 4. Those wishing to make the trip should meet at the church by 8 a.m.

Eagles hardballers win 1, lose 1

The Liberty Hill Panthers took advantage of every Eagle miscue to jump out to a big lead early in their contest last week. The Panthers then held on and ended the game in the sixth inning via the ten run rule, 15-5. The win gives the Panthers control of first place in zone play with a 3-0 record. Salado stands alone in second at 2-1.

Liberty Hill scored seven first inning runs, only two of the runs were earned. Salado committed five errors in the inning.

Salado's only offense of the night was due to free passes by the Panther's pitchers. The Eagles received 12 base on balls. Shawn Morris and Jereme Fischer recorded the only base hits for the Eagles.

In J.V. action on the night Salado defeated Liberty Hill by a score of 18-1. Brent Cabaniss, Jason

Hosch and Jason Gilpin all registered three hits for the Eagles. The win in their last game of the year gives the J.V. a 9-5-1 record. They were 3-0 in zone play.

ACADEMY

The Salado Eagles completely dominated the Academy Bumblebees in the opening game of the second round of district play. The win keeps the Eagles in second place.

The Eagles scored nine runs in the second inning enroute to an 11-1 victory in the five inning game. The inning started with Robbie Ray being hit with a pitch and Ty Warrick drawing a walk. Brandon McGregor singled to drive in a run. Walks to Richard Jackson and Shawn Morris pushed across another run. Chris Jackson followed with a single to drive in the third run. Consecutive doubles by Jereme

Fischer and Richard Berumen brought home four more runs. Ray singled to bring in another run. Warrick doubled to left center to drive home the Eagles ninth run of the inning.

Salado finished their scoring in the third inning. Jereme Hosch started things with a single. Morris then followed with his first career home run. This gave the Eagles an 11-0 lead.

Academy's single run came in the fourth inning. It came on three walks and a balk.

Chris Jackson had 3 hits for the Eagles while Shawn Morris had 2. Robbie Ray pitched the complete game for Salado. He allowed only 1 hit and struck out 10.

The Eagles will conclude their regular season 7 p.m. May 5 when they play Liberty Hill.

Hotline established for area investors

The markets are soaring while interest rates have declined. Ambitious minds are searching for new ways to increase the return on savings and investments.

In order to broaden the awareness of the financially serious, Ken Buecker has developed a financial information service hotline. The hotline, first in this area, is designed to provide called with financial news at the

closing of each business day. Markets, trends, analysis and recommendations are among the topics to be provided.

Buecker has worked with securities since 1974, has assembled a comprehensive data base which he continuously updates by research and, according to him, "just plain hard work."

four more years in office. Thanks again to the Democratic Party's self-inflicted death wishes and what amounts to Americans choosing the lesser of two bad choices.

No wonder there were waves of shock, fear and anger among Demos and GOPers when the Texas

Poll came out showing third party possible Ross Perot leading the pack down here in the Lone Star State. And he isn't even on the ballot as of today! Has to tell these professional party pundits something - even if they won't listen.

Aggies Replaced

Yassar Arafat jokes have replaced the traditional Aggie stories with the funniest one yet coming from Johnny Carson. The late night TV host was telling his audience that the recent close call by the fuzzy-faced mischief maker, who managed to walk away from an air crash in the desert recently, was not his only brush with eternity that the rag-head has had. Seems he nearly bought the farm one day last month when he tried to send a letter bomb through his fax machine! Probably more like this on the way. Will keep you informed. That's -30- for this week!
