

First Baptist Church Moving Forward Together

If we have learned anything over the last year and a half of COVID ramifications it is that we desperately need each other. The isolation brought about by church closures, remote learning, and working from home made that need for connectivity and human contact more apparent than ever. As churches began to reopen there was a hunger for fellowship.

Compelled by this very real drive for connecting, First Baptist Church of Salado has seen the need to be together as they move forward. Starting this Sun-

day, Sept. 5, the church will move to one service that will be at 9 a.m. followed by Bible study for all ages at 10:30 a.m.

While there has been a worship choir led service and also a worship band led service in the past on Sunday mornings, all of the talents and gifts that make up the worship leadership of First Baptist will be combined to create a unique worship experience that is distinct and diverse.

In the words of Transitional Pastor, Dr. Randel Everett, "One service allows us the privilege of enjoying

the diversity of our worship gifts including great hymns of our faith and new songs of adoration and praise as well as a variety of musical instruments expressing our love for God. A unified service provides the opportunity to share in baptism, the Lord's Supper, parent-child dedications and other acts of worship including applicable Bible study as one body in Christ."

First Baptist Church welcomes all who are looking for a church and are not currently connected somewhere to join them as they move forward together.

BEVERLY CAROL BARBEE
FEBRUARY 27, 1931
AUGUST 21, 2021

Beverly Barbee, age 90, of Salado, TX, formerly of Wild Rice/Fargo, ND passed away peacefully on August 21, 2021 at Langford Retirement Community, College Station, TX.

Beverly Carol Langseth was born February 27, 1931, to Gordon Brandun (Brandum) and Regina Vitt (Witt) in Fargo, ND. She was adopted and grew up in the loving home of Oluf and Jennie Langseth in Wild Rice, ND. She was a former member of Olivet (English) Lutheran Church, Fargo, ND where she was confirmed in June, 1946. Beverly began her education in the one-room schoolhouse in Wild Rice before completing her education at Moorhead High School, MN when she graduated in 1948. She completed a Bachelor of Science degree in the College Of Home Economics from the University of Maryland, College Park, MD in 1970.

In 1950, she married Alfred C. "Cliff" Barbee, a USAF officer. As rugged individuals, Beverly and Cliff were pioneers in establishing military family life in primitive Anchorage, AK (Elmendorf AFB) in the early 50's. Successive assignments stationed them in northern CA (Hamilton AFB), eastern FL (Patrick AFB), and finally northern VA (The Pentagon). Cliff retired as a Lt. Colonel in 1972 and they resettled in Austin, TX. There they became active in real estate and were Graduates, Realtors Institute (GRI), and both earned their Texas Real Estate Broker License. In 1975, Beverly and Cliff established Barbee Company Realtors in Killeen, TX where she worked as a successful Real Estate Broker. They also owned Hall Real Estate Institute in Salado, TX where she, and son Steven and others, taught and mentored students and launched many successful real estate careers. During their life together, Beverly and Cliff were blessed with a daughter and three sons.

Beverly is survived by Dawn and Joel Sheffield (daughter and son-in-law) and Gary C. Barbee, Ph.D. (son) of College Station, TX, and Steven L. Barbee (son). Grandchildren include Chris Rosamond, Lori Voorheese, and Matt Rosamond of Sulphur Springs, TX, Emily Sheffield of Knoxville, TN and Kacy Bunte of Houston, TX. Great grandchildren include: Ashlin, Tyler, Valori, Calli, Carson, Avery, Brooks, Mosley, Joel, Jackson, and Jensen. She has a great-great grandson Silas as well as many cousins, nieces, nephews and friends in ND, TX, and beyond.

She was preceded in death by her parents, brother Oris Langseth, sister Irene Olson, husband A.C. Barbee, and eldest son Michael L. Barbee. Beverly was a very compassionate and caring person and was always willing to help others in need. As such, she gave generously to such organizations as The Salvation Army of Texas (salvationarmytexas.org), Disabled American Veterans (dav.org), and her local animal shelter/humane society. She would be honored if donations were made to these (or similar) entities in her memory.

Beverly was a faithful military spouse and a staunch patriot who fervently supported the military and her country. Having a military officer husband (Cliff) and two sons (Steven and Gary), a son-in-law (Joel), and a granddaughter (Kacy) who are "Aggies" that graduated from Texas A&M University, College Station, TX, she will be interred in The Aggie Field of Honor and Memorial Cemetery, College Station, TX.

Grace Church Salado host Christ Community Church HHTS men on Sept. 11 to prayer worship, fellowship

On Saturday, September 11, the Men of Grace Church Salado will host the men of Christ Community Church in Harker Heights to a time of prayer, worship, and fellowship. The meeting will also include gourmet coffee and a catered taco breakfast with

all the "fixins." The theme of the meeting will be taken from Genesis 2:15 in which God commands men to "avad" (work in Hebrew) and to "shamar", which is to tend or guard. We are calling it the "Masculine Mandate." The meeting is also a prelude to a combined men's

retreat in October, where the men of both churches will head to Forest Glen Springs in Rosebud for time of refreshment, teaching, and fellowship. For further information Grace's men's activities, please contact Ron Hendrix at 858-344-2963.

as a takeout for the three unbid suits. He apparently felt a double at this level would have been construed as primarily for penalties. However, Goldman read the five-no-trump bid as "unusual notrump," asking him to choose between clubs and hearts, the two lower-ranking unbid suits. He therefore bid six hearts, and everyone passed, leaving North-South in their 4-2 heart fit rather than their 11-card spade fit! Weinstein led the diamond ace, and Goldman could see that if he ruffed in dummy, whichever defender held four trumps would then have a trump trick. So instead of ruffing, Goldman discarded a spade! Now, as anyone can plainly see, all Weinstein had to do to beat the slam was to cash the club ace. But he reasoned that if South had no clubs, leading the ace might help declarer make the slam, while if South had a club, he would have to lose a trick to the ace eventually. So at trick two, Weinstein led another diamond, a play that no doubt has caused him many sleepless nights since. Goldman won the diamond with the king, drew trump in four rounds and then ran seven spades to score the rest of the tricks! At the other table, six spades was duly bid and made by Weinstein's teammates to achieve a tie. But if Weinstein had cashed the club ace at trick two, his team would have won the match and eliminated the team that went on to win the Vanderbilt.

Eagles cruise past Troy, 62-0

By TIM FLEISCHER
EDITOR-IN-CHIEF

After a scoreless first quarter, it was all Salado as the Eagles trounced the Troy Trojans 62-0 in the season opener Aug. 27 at University of Mary Hardin Baylor's Crusader Stadium.

Caden Strickland scored first for the Eagles on a 27 yard run with 9:32 left in the first half. Drew Bird toed the extra point for a 7-0 lead.

Senior quarterback Hutton Haire scored with 2:21 left in the half on a 25 yard jaunt. Bird kicked the extra point for a 14-0 lead.

After forcing Troy to a quick three-and-out series, Salado scored with 1:24 left in the first on a 45 yard pass from Haire to Josh Huckabee. Bird made it 21-0 at the half.

The Eagles scored on their first possession of the second half. Salado took just five plays and 94 seconds to go 70 yards. Seth Reavis covered 30 yards on his touchdown run. Bird kicked the extra point for a 21-0 lead.

Salado took over at the Trojan 27 yard line after Cavahn Wilson sacked Jace Carr for a 10 yard loss forcing a fourth and 13. A bad snap on the punt put Kadin Workman on the runner and Seth Reavis stopped him at the line of scrimmage to give Salado the ball. The Eagles continued to push the ball with Haire converting a crucial fourth and one at the 18 yard line. Four plays later, Strickland scored his second touchdown of the night on a four yard run. Morgan Adams kicked the extra point for a 35-0 lead with 4:23 left in the third.

Strickland added his third touchdown early in the fourth on a 41 yard run with 11:51 left to play. The PAT failed and Salado led 41-0.

Nic Bates recovered a Kadin Workman fumble at the Troy 35 yard line to set up another scoring drive. Hutton capped the drive with a four yard run with 9:20 left in the game. Adams connected on the PAT for a 48-0 lead.

Nolan Miller grabbed a Cannon Negron fumble in stride on the Trojans' first down play and returned it 25 yards untouched to score with 9:11 left to play. Adams' kick made it 55-0.

Troy threatened to score three minutes into the fourth after Cooper Valle ran for 46 yards before being tackle at the Salado nine yard line

by Kase Maedgen to prevent the touchdown. Kadin Workman was caught in the backfield for a 12 yard loss and a personal foul against Troy tacked on 15 more yards to push the ball back to Salado 36 yard line. Carr tried three times to find a receiver but the Salado defensive backs covered their men downfield. The Eagles took over at their own 36 yard line and runs by Dusty Rhiddlehoover and Adam Benavides moved the ball across midfield.

The final touchdown came with 4:51 left in the game when big Gavyn Keyser rambled in for a 44 yard touchdown with 4:51 left in the game.

The Eagles had 433 yards total offense and held Troy to 162 yards total offense.

Haire completed both of his passes for 68 yards and a touchdown.

Bates led the Eagles defense with 12 tackles (four solos) and a fumble recovery. Miller had 11 tackles (five solo) and a fumble recovery for TD. Huckabee had 10 tackles (two solos) Braydon Summers had seven tackles (five solos and an assist on a sack). Isaac Pettigrew had five tackles. Benavides had four tackles including a sack. Jake Windham had four tackles, three solo. Kase Maedgen and Kye Hayes had three tackles each. Blake Volk had two tackles and shared a sack. Drew Carter, Dusty Rhiddlehoover had two tackles each. Cavahn Wilson had a sack. Drew Bird, Dillon Combs, Levi Thomas, Owen Crisp and Jeff Bauer all had a tackle.

The Lady Eagles would have little trouble with Lampasas in their second match of the day winning in straight sets 25-10 and 25-23. Salado would answer in the second set 25-18 behind strong serving from Taylor and great net play by Junior MB Alex Dworaczyk. However, the Lady Eagles couldn't close it out in the third set (21-25), but not before Morris left her mark on the match.

Eagles to face #4 Zebras

Salado Eagles travel to Grandview to face the #4 Zebras, who avenged their only loss last year by beating the seventh-ranked Malakoff Tigers (also a top 10 team in 3A, Div. 1). Malakoff beat the back-to-back state champions 24-21 in the Regional semi-finals.

Kick off is 7:30 p.m. Sept. 3 at the Grandview High School stadium.

The Zebras handed Salado its only regular season

loss last year, 21-7 at Eagle Field.

The Zebras return 19 players and 17 lettermen from last year's 11-1 team. They return seven offensive starters and four defensive starters.

The Zebras lost four-year starting quarterback Dane Jentsch to graduation. He led the Zebras to two state championships and won offensive and defensive MVP in the 2018 and 2019 state

championship games.

Running back Leftwich, who rushed for 1,455 yards and 16 TDs last year and had 28 catches for 384 yards and 3 TDs will be the biggest threat in the backfield against Salado.

English is a two-way starter at wide receiver and defensive back. He made 51 catches for 887 yards and 11 TDs last year and had three interceptions.

TAE gets \$10,000 grant, dedicates Kathi Walrath Memorial Garden

By MELANIE LANE
THIRD GRADE TEACHER
THOMAS ARNOLD ELEMENTARY

Texas Department of Agriculture has recognized Thomas Arnold Elementary School garden as the recipient of a \$10,000 Expanding 3e's (X3e) Grant. This grant will provide resources necessary to continue restoring the garden established by the PTO and Community partners in 2012.

Salado ISD and Keep Salado Beautiful dedicated the Kathi Walrath Memorial Garden will Aug. 27

We selected this Farm Fresh project because of the 2020-21 Covid 19 pandemic crisis. Thomas Arnold Elementary opened to all students with the agreement that each student and every teacher would wear a mask and maintain a social distance. This procedure continued throughout the entire school year. One day in early spring, my third-grade class and I took a mask break in the area that we called the garden. Though no longer a garden, it did have some native plantings, a limestone amphitheater and a nice trail that encircled the entire area. On this particular day, the students ran the trail like butterflies coming out of their cocoons. The bluebonnets were beginning to sprout in the weed-filled, forgotten beds and the sun was shining. For this teacher, it was a moment I will never forget. This moment of bluebonnets, Texas-native plants and children, all determined to grow in spite of the circumstances, reminded me of my Texas roots – OUR Texas roots. If ever there was a time to restore this garden and reimagine education, it should be now as we leave our Covid cocoons to learn from the difficulty of this school year.

The Farm Fresh Project that we look forward to implementing is a success-

ful, sustainable elementary school garden. Our ultimate vision is to provide PK through 5th graders with a hands-on educational experience where they learn about nutritional food choices by giving them the opportunity to plant, tend, harvest and taste the herbs, fruits and vegetables that they themselves cultivate.

Currently, we have six raised beds in a large garden area. Thanks to our community partners, the beds are ready for irrigation. In the larger garden area, there is space designated for fruit trees and pollinator plants. This Farm Fresh project goal is to create our school's first edible garden, cultivated by the 3rd grade classes in this initial year, and expanding to other grade levels in subsequent years.

The Farm Fresh grant funding will provide for the acquisition of vegetable seedlings and fruit trees, irrigation installation, student-friendly garden tools, garden seating, and restoration of the existing amphitheater with a shade canopy, to create a true outdoor learning center.

Our community partners have made an amazing difference this summer; Centex Partnership provided our link with Ft Hood and arranged three workdays when soldiers cleared weeds and large plants, moved raised beds and hauled soil. Keep Salado Beautiful and Bell County Master Gardeners have provided planning and plant expertise, and several area landscapers have offered advice on irrigation and amphitheater repair.

The garden was dedicated to the memory of Kathi Walrath, who was a school volunteer who not only worked tirelessly on behalf of students and staff, she also found time to support young soldiers stationed at Ft. Hood.

Eight propositions on Nov. 2 ballot

AUSTIN - Deputy Secretary of State Joe Esparza drew the ballot order for the eight proposed amendments to the Texas Constitution that will appear on the Nov. 2 ballot.

In order to appear on the ballot, the proposed amendments must be approved by at least two-thirds of the members of both the Texas Senate and the Texas House of Representatives.

Texans will have the opportunity to approve the following amendments with a majority vote:

Proposition 1 (HJR 143): "The constitutional amendment authorizing the professional sports team charitable foundations of organizations sanctioned by the Professional Rodeo Cowboys

Association or the Women's Professional Rodeo Association to conduct charitable raffles at rodeo venues."

Proposition 2 (HJR 99): "The constitutional amendment authorizing a county to finance the development or redevelopment of transportation or infrastructure in unproductive, underdeveloped, or blighted areas in the county."

Proposition 3 (SJR 27): "The constitutional amendment to prohibit this state or a political subdivision of this state from prohibiting or limiting religious services of religious organizations."

Proposition 4 (SJR 47): "The constitutional amendment changing the eligibility requirements for a justice of the supreme court, a

judge of the court of criminal appeals, a justice of a court of appeals, and a district judge."

Proposition 5 (HJR 165): "The constitutional amendment providing additional powers to the State Commission on Judicial Conduct with respect to candidates for judicial office."

Proposition 6 (SJR 19): "The constitutional amendment establishing a right for residents of certain facilities to designate an essential caregiver for in-person visitation."

Proposition 7 (HJR 125): "The constitutional amendment to allow the surviving spouse of a person who is disabled to receive a limitation on the school district ad valorem taxes on the

spouse's residence homestead if the spouse is 55 years of age or older at the time of the person's death."

Proposition 8 (SJR 35): "The constitutional amendment authorizing the legislature to provide for an exemption from ad valorem taxation of all or part of the market value of the residence homestead of the surviving spouse of a member of the armed services of the United States who is killed or fatally injured in the line of duty."

The deadline to register to vote or make a change of address effective for the Nov. 2 election is Oct. 4.

The first day of in-person early voting is Oct. 18. The last day to vote early in person is Oct. 29.

Property tax relief

FROM PAGE 1A

amendment, SJR 2, would provide homeowners who are 65 and older or disabled with greater tax relief by extending to them the same M&O tax rate compression passed through HB 3 in the 86th Legislature. Texans over 65 years of age or those who are disabled previously did not receive this reduction."

"I am thankful for Governor Abbott adding property tax relief to both special session calls, it is an issue that is very important to me as well as everyone across Texas. I am proud to have authored these bills during the first special, and then voted for these pieces of

legislation as well as be an joint author in the second special session," said Representative Hugh D. Shine (R-Temple).

Senate Bill 8 relates to the authority of a person who acquires a residence homestead to receive an ad valorem tax exemption for the homestead in the year in which the property is acquired. Under current law, when a homeowner purchases their home they must wait until January 1 of the following year to receive the benefit of their homestead exemptions. SB 8 seeks to address this issue by allowing a homeowner to receive their homestead exemption

in the year that they acquire the property.

SB 8 was co-authored by Sen. Dawn Buckingham and co-sponsored in the House by Rep. Buckley

"Senate Bill 8 is important because homeowners currently are losing out on anywhere from a few months to almost a full year of their homestead exemption and therefore paying more than they should in property taxes," said Shine. "These pieces of legislation will actually provide Texans will a lower property tax bill."

"The homestead exemption helps Texans save significantly on their annual

property tax bill, and allowing Texans to access that option as soon as possible after purchasing a home will provide real relief," Buckley said.

SB 8, SB 12, and SJR 12 are now headed back to the Senate for final confirmation before going to the Governor's desk.

SJR 12, is expected to be on the ballot in May, 2022.
