

BoA considers remapping, rezoning of Sanctuary South

Salado aldermen are scheduled Sept. 15 to adopt changes to the Comprehensive Plan current land uses and future land uses maps and to rezone 57.985 acres at the southeast corner of I-35 and FM 2268.

The changes to the land use maps are to change the current and future land uses for those 57.985 acres from Commercial to Agriculture.

The zoning changes will follow. The property owner by Sanctuary Development is currently zoning Planned Development District, which allows for a mixture of resi-

dential, commercial and retail uses on the property.

The zoning change, which was considered by the Planning Zoning Commission on Sept. 13 (after presstime), will not affect any of the other parts of the Sanctuary Development.

Billy Hanks, in a Sept. 9 letter to the Village, states that the rezoning effort is "illegal" and "unconstitutional" in that it is a taking of property without compensation.

The issue is on the agenda for the 6:30 p.m. Sept. 15 board of aldermen meeting.

Village will adopt budget set tax rate

Salado aldermen are set to adopt a \$2.14 million operating budget on Sept. 15 that will require \$218,151.80 from the general fund balance.

The budget will be funded in part from a property tax rate of \$0.3957 per \$100 valuation. The board will also set the tax rate Sept. 15.

General operating revenues are budgeted at \$1.9 million while expenditures are budgeted at \$2.14 million.

Old Farmer's Almanac Predicts A Tale of Two Winters' For 2023

By ROZ BROWN
TEXAS NEWS SERVICE

Fall arrives in Texas next week, which means winter and its challenges will be right behind. But never fear, the Old Farmer's Almanac says it will be the best of winter for some and the worst for the rest of us.

Associate Editor Tim Goodwin said predictions suggest half of the country will deal with bone-chilling cold and loads of snow, while the other half may feel like winter never really

arrives.

He encourages the western half of the U.S. to prepare for wet and mild conditions, while the eastern half hunkers-down for record-breaking cold.

"When you think of Texas, you don't think of cold, necessarily - but what we're predicting this year is colder than normal," said Goodwin. "You're looking at early to mid-January and early to mid-February are going to be really those coldest periods that you will see this upcoming winter."

The almanac - published since 1818 - claims an 80% accuracy rate. It says fall is going to be warmer and drier than normal in most locations.

In addition to its detailed weather forecasts, Goodwin said he believes the Farmer's Almanac - with its iconic yellow cover - remains popular more than 200 years after its first edition because it also tracks the tides, planting seasons and even how to handle hay fever.

"We've continuously

published every single year, through wars, through everything that entire time," said Goodwin. "We're the oldest continuous periodical in North America, and I think it's just one of those things that has been passed on from generation to generation. It's an institution, I think."

Goodwin said for hundreds of years, almanacs claimed a large place in rural life, especially for farmers.

"They'd put it in the out-house and they'd put it in

the barn and the workshop," said Goodwin. "And they'd put it on their belt loops and carry it out with them to the field because they trusted it for those kind of things."

Sales tax revenues beat 2021, but just slightly in Sept.

Bell County continues to show increases in sales tax revenues compared to 2021, with all but one of the 11 cities that levy sales taxes showing increase in their September sales tax checks compared to September 2021. Seven cities showed double digit percentage increases this month.

Village of Salado showed a slight increase of 3.23% over last September. The Village received \$57,820.72 compared to \$56,008.30 in Sept. 2021. For the year, the Village has received \$592,734.96, an increase of 14.93% over the \$515,711.01 paid through Sept. 2021.

The Village is one of three Bell County cities to levy a 1 cent sales tax, while seven other Bell County cities levy a 1.5 cent sales tax and Rog-

ers levies a 1.25 cent sales tax.

The Salado Public Library District and Bell County each levy a half-cent sales tax.

For that half-cent tax, Salado Public Library District received a \$52,709.00 September check, which was 8.06% more than last September's payment of \$48,775.64. For the year, the Library had received \$495,050.53, which is 18.06% more than the \$419,312.26 paid through Sept. 2021.

Bell County received \$2.58 million in September, compared to \$2.33 million in September 2021. The County has received \$23.39 million in 2022, which is 13.1% more than the \$20.68 million paid through Sept. 2021.

Texas Comptroller Glenn Hegar sent cities, counties, transit systems and special purpose districts \$1.04 billion in local sales tax allocations for September, 13.1 percent more than in September 2021.

The comptroller sent rebates totaling \$665.7

million to Texas Cities, an increase of 11.8% over last September. Rebate checks to Texas Cities are 15.0% higher year-to-date over 2021.

The comptroller sent \$223.5 million to transit systems for September, an increase of 12.3% over September 2021. For the year,

rebates to transit systems are 16.3% higher than 2021.

Counties received \$62.4 million in sales tax rebate checks, an increase of 16.1% over September 2021. For the year, rebates to counties is 17.2% more than 2021.

Special purpose districts received \$94.5 million in

sales tax rebate checks for September, 23.3% more than last year. For the year, rebates to special purpose districts are 26.3% higher than 2021. These allocations are based on sales made in July by businesses that report tax monthly.

FORUM

An Open Exchange of Ideas

U.S. dollar is up 20% over last year, yet exports increase

Our prime marker for what we broadly refer to as the "stock market," the ancient and much followed S&P 500 Stock Index (SPX) turned in a rather counterintuitive but quite satisfying gain of 3.65% for the week ending on the 9th, closing at 4067.36. That puts it well above the psychologically important 4000 level but still down just over 15% from its high in early January and 8.88% from last year at this time. It is, though, also about 11% higher than it was in mid-June, 82% higher than it was in the spring of 2020, and over 30% higher than it was at this time in 2019, just before the pandemic. Our other celebrated index, the CRSP US Mid-Cap Value, closed at 2412.04, up 3.72% for the week, but still down 7.13% from its high in January and 1.91% from last year at this time. It too is up about 11% from mid-June.

The yield on the 10-year U.S. Treasury note climbed to 3.315% by the end of the week as the bond market took the Fed's promises of higher rates into the future to heart. The Treasury yield curve stayed decidedly inverted with the 2-year note above 3.5%. West Texas Intermediate crude oil (WTI) fell to \$86.28 per barrel on shrinking demand from China and is now down 28% from its high of about \$121 in mid-June, delighting people at the gas pump as the national average regular gasoline price fell to \$3.74 per gallon. Considering that as recently as mid-June, the AAA national average price was reported at over \$5, gasoline seems like a real bargain now. That price reduction effectively puts money in people's pockets and that makes them feel better about everything.

The Economy

The stock market rise this week was counterintuitive in that Chairman Powell and other members of the Federal Reserve Board came out with a chorus of promises to keep increasing interest rates until economic activity and job creation falls far enough to significantly decrease demand and spending. That would normally be good

Market & Economic Update

By Jeffrey W. McClure

cause for the stock market to slump, but this week it went up instead. The conflict seems to be arising because the underlying economy appears to be still growing at a speed that perhaps needs a little damping. On Wednesday, the Institute for Supply Management (ISM) released their assessment of their August non-manufacturing purchasing managers (PMI) survey. The PMI came in at 56.9 on a scale where numbers above 50 indicate economic growth and below 50, contraction. Purchasing managers reported that new orders were up, business activity was much higher at 60.9, employment was back above 50 as employees were a bit easier to find, and supplier deliveries were getting faster. The best news in the report though may have been the news that price rises seem to be moderating as have wage increases.

While the U.S. economy and our stock market appear to be on a rebound following the low point they hit in mid-June, the same is not true in a lot of areas. Mortgage rates, popped up to an average of 5.89% for a 30-year loan, the highest we have seen in fourteen years, after being below 3% a year ago. Across the country, about 85% of housing markets are seeing reductions in asking price in order to get a sale. In Europe, investors are pulling money from equity positions at the fastest rate since the Brexit crisis even as they add money to U.S. positions. The combination of Russia's invasion of Ukraine, its shut down of the Nordstream I gas pipeline, and the worst drought and heatwave seen there in 500 years are combining to make a recession seem almost inevitable. Meanwhile China is suffering from what is quite literally the worst drought in its history even as its economy is

reeling from more city-wide Covid shutdowns. The price of oil is down because their economies, the second and third largest on the planet, are slowing, and with that slowdown comes a declining global demand for oil.

In the background, almost overlooked in the headline news about inflation, stock market moves, and the debate about whether or not we are headed for a recession, is another set of metrics that are as strange as a rising market in the face of hawkish comments by members of the Fed. Measured against a basket of world currencies, the U.S. dollar is up an astounding 20% over the past year. A high dollar tends to make goods and services we would like to export more expensive and thereby less competitive. That, in turn, should decrease our exports and increase our imports. In July, the opposite happened instead. Our trade-deficit fell by 12.6% as we increased exports and decreased imports. The underlying cause could be that inflation has slowed U.S. buying, except that reported domestic business activity is up with both manufacturers and service providers reporting more, not less, spending. We are indeed still buying a lot more from the rest of the world than we sell to them, but that reflects the fact that we, here in the U.S., are in an economic boom as the rest of the world is sliding downward.

One thing that is clear is that we are extremely fortunate to be living in the United States of America as our economy, not for the first time, powers ahead in the face of a global slowdown. Yes, there is much to be concerned about but there is much more to be thankful for. We continue to be optimistic about both the stock market and the economy in general.

SISD delivers \$1,000 retention incentives to 254 employees

Last week, I had the pleasure of hand delivering \$1,000 checks to 254 of our employees. This was a retention incentive that our school board approved for all of our returning employees to thank them for their continued dedication to our students.

We maintain competitive salaries for all of our employees based on a comparison of the mid-sized school districts (with student enrollments between 1,600 and 4,999 students) in Texas. The salaries for all of our employees are set at 3% above the average of the other mid-sized districts from last year. This is a very impressive accomplishment considering we are one of the lowest funded school districts in the state. See GRAPH A

To further illustrate how Salado ISD competes in this area, please see GRAPH B, which shows the annual per student funding amounts for each district, along with how much more funding these districts receive annually based on our enrollment of 2,304 students.

Thank you to our seven school board members for their support of competitive salaries for all of our employees:
Troy Smith, President
BA White, Vice President
Amy McLane, Secretary
Kim Bird
Chris Diem
Savannah Hennig
Jim Reed

Revisit and reinforce what makes Salado a great hometown

Dear Editor:

Recent events have given many of us opportunities to embrace our sense of community. We seem to be in a constant state of change. Some might say we are not the same Salado. I will agree that there have been changes though I also realize our core values are still the same. We can complain about the changes, embrace the changes or accept them while continuing to go about our business as usual. We can get caught up in the seeming injustice in circumstances or realize there are generally more than one factor involved.

Many of us vividly remember where we were when our country was under attack on September 11, 2001. We might also remember how we as individuals, community and country responded on September 12th, followed by the days and years which have brought us to where we are today. The presence of our American Flags on our Main Street and though

Your Voice

out our community reflects our pride in being an American. At church yesterday I witnessed a new Sunday School class being filled to overflowing. I often say that though our congregation has grown in numbers, we still have the welcoming small church feeling. Salado is growing. We have many new visitors and residents while also accepting familiar faces moving on. In the midst of change, we are Salado Strong.

So where am I going with this. Only to say I chose this community as my home 26 years ago. There have been a mixed bag of challenges and blessings to remain in business while embracing the ebb and flow of growth and decline. We have a great community and many continue to serve. Recently I was called at home because, being tired at the end of my work day. I had neglected to lock one of the 2 doors to my business. Our won-

derful volunteers with Citizens on Patrol had found the door open and notified our police officer on duty who called me at home. The volunteers had moved on to continue their work to ensure other business were secured while our officers remained on site until I arrived. I also got a chance to meet our new police chief and while they were gracious about my oversight, Sergeant Dunshe reminded me to be sure to lock my car and secure my home property. Oops. I had become lax feeling secure in the safety of our village, somehow forgetting our village is only as safe as we make it. Sound familiar?

I could go on at length with my passion for Salado. Instead I would simply invite each of you to revisit and get to know more of what makes Salado special as our home town.

State Rep. Brad Buckley & Bell County Chair Mack Lattimer to speak Sept. 22

Salado Area Republican Women will kick off their fall schedule with a 11:30 a.m. luncheon Thursday, September 22 at the Civic Center. State Representative, Dist. 54 Dr. Brad Buckley will be one of the speakers and will inform the group about issues facing the 88th Texas Legislative session, which will commence in January of 2023.

He was first elected to the Texas House in November of 2018 and was the Texas House Republican Caucus's Freshman of the Year in the 86th legislature. He currently serves as Vice-Chair of the Defense and Veterans Affairs committee and as a member of the Public Education and Local and Consent Calendars Committee.

Born, raised, and educated in Bell County, Brad has deep roots in our Central Texas communities. He graduated from Ellison High School where he played football in the stadium named for his grandfather, Leo Buckley.

Brad's family has had a lifetime commitment to public education. His grandmother, Annie Roe Buckley, and his mother, Lolly Buckley, both served to educate countless students in Killeen ISD for more than 80 years combined. Brad's wife, Susan, is currently the Chief Learning Officer for Secondary Schools in

Killeen ISD and has been a professional educator for 27 years.

Mack Latimer, Republican Party Chair of Bell County, will also speak of ways individuals can get involved in the upcoming election.

Latimer was born in Virginia. His dad was a chief warrant officer, a Blackhawk pilot, so he moved around a lot growing up. He has lived most of his life in Texas and has lived nowhere longer than in Bell County. After graduating high school, he attended the United States Military Academy at West Point and majored both in economics and political science.

Members and visitors are welcome to attend but a firm reservation is needed to First Vice President, Sherril Gardipee, at sherril.gardipee@gmail.com or 254 217-4390 by Friday, September 16. Payment may be made at the door with credit card, cash, or check.

For more information contact Sherril Gardipee at 254 217-4370 or sherril.gardipee@gmail.com.

Hearts & Hands Adopted
Salado Area Republican Women have adopted Heart and Hands food bank ministry for their Americanism project. Starting at the September 22nd meeting, members are requested to bring food items or a mon-

etary donation to the luncheon meetings at the Civic Center. Items will be collected at the monthly meetings through December. Pat Scarborough, Director of Heart and Hands, suggested any of the following items are needed: breakfast items, snacks, peanut butter and jelly, cookies, crackers, meaty soups, canned beans, canned fruit, Ramen noodles, individual serving meals and spaghetti sauce.

The local Hearts and Hands was established in Salado in the early 1990's and have expanded from the original location at First Baptist Church to the office 213 Mill Creek Drive, in the Brookshire Brothers Shopping Center. For more information about this project contact Americanism Chair, Kate McKinley, at aggiepro75@gmail.com or 254 721-7758.

SUMC votes to remain in United Methodist denomination

The Administrative Council of Salado United Methodist Church (SUMC) met on Sunday, September 11, 2022. In a unanimous decision, the Council voted to remain in the United Methodist denomination. SUMC remains committed to the mission of the United Methodist Church which is "to make disciples of Jesus Christ for the transformation of the world". For more information on Salado United Methodist Church, please visit our website at www.saladoumc.org.

Tablerock Fright Trail and Christmas Carol Tryouts Sept. 17-18

Tablerock Festival will hold auditions 3-5 p.m. on Sept. 17 and 18 for the upcoming Fright Trail as well as the December performances of A Christmas Carol. "We are looking for up to 80 people of various ages to play the parts of characters or guides," said Tablerock Festival President Beth Correa. "We are looking for actors to fill the part of 70 characters of various ages," Correa said. "We are also looking for tech and backstage hands." Auditions will be held at the Tablerock Amphitheater on Royal St. For more info [tablerock.org](http://www.tablerock.org) or call 254-308-2200.

Obituaries

WILLICENE KATHRYN LEWIS
 May 14, 1925-August 16, 2022

Willicene Kathryn (Gundram) Lewis, age 97, passed away on Tuesday, August 16, 2022 at Stoney Brook Assisted Living in Belton, Texas.

Willicene Kathryn (Kay) was born May 14, 1925 to Ralph Gundram and Lillian (Pinnow) Gundram in Council Bluffs, Iowa. Her early years were spent living in Whittier, California; Omaha, Nebraska; and Council Bluffs, Iowa where she graduated from high school.

Kay met the love of her life, James Harris Lewis, at Brandeis Department Store in Omaha where she was a model, and James was visiting his mother who was an employee. They were married on April 18, 1946 at Kounzte Memorial Lutheran Church in Council Bluffs.

Kay was a bold and accomplished businesswoman. Jim and Kay owned a pharmacy in Omaha and several pharmacies in Houston, Texas. Jim named his favorite pharmacy after her, "Kay Lewis Pharmacy." Jim Lewis was the Pharmacist in Charge, and Kay was in charge of everything else!

Kay's life was an example of service above self as she served as the President of the Sharpstown General Hospital Auxiliary. She was very actively involved with the Harris County Pharmaceutical Association where Jim served as President. Jim and Kay retired to Sun City Center, Florida where Kay served as the Grand High Priestess of the Ladies of the Oriental Shrine whose mission is to support the Shriner's Children's Hospitals. She loved her church families at St. Martin's Lutheran Church in Houston, Texas where she served on a visitation team; and Redeemer Lutheran Church in Sun City Center, Florida, where she served as an usher.

Kay and Jim loved to travel by cruise ship and often invited their children and grandchildren to join them. They traveled the world on 23 cruises, and her favorite ports included Tokyo, Japan; Shanghai, China; Hong Kong, China; and St. Petersburg, Russia. She literally ballroom danced around the world.

When Kay was not cruising and dancing, she was working at the pharmacy where her pet parrot, Spunky, was a regular staff member and official greeter. He greeted everyone with a loud "Hello" and continued the conversation with all the customers.

Kay was preceded in death by her husband, James Harris Lewis her parents, Ralph and Lillian Gundram; and by her half-brother, Gary Juul, and her granddaughter-in-law, Kelly Pack Powell. She is survived by her daughter, Cheryl K Powell and husband A.T. from Salado, Texas, and her granddaughter Wendy K Powell, husband Todd and great grandson Charlie from Dallas, Texas; and her grandson Michael Scott Powell from Cedar Park, Texas.

Lastly the family would like to recognize and thank Ashely and all the people at Stoney Brook Assisted Living for their loving care and encouragement. Also, a very special thank you to the nurses and social workers from Bluebonnet Hospice.

A private Celebration of Life is planned at the Powell Home in Salado.

(Paid obituary)

Jerry Donald Sanders
 March 16, 1944
 September 5, 2022

How sweet the sound..." Jerry Donald Sanders of Salado, Texas passed away at his home on September 5, 2022, at age 78. He is preceded in death by his loving wife, Carol Sanders, parents, Beulah and James Harvey Sanders and sister, Shirley Guinn. He is survived by his son, Chris Sanders and wife, Kim of Frisco; daughter, D'Ann Autrey and husband, Chad of Salado; sister, Doris Bullard of Salado and grandchildren: Cory and Katelyn Bartek of Salado and Caroline and Kate Sanders of Frisco.

Jerry was born in Temple at Kings Daughters hospital on March 16, 1944. He graduated from Salado High School in 1962 and later attended Baylor University. He married Carol Nichols of Houston on July 31, 1965. Jerry worked for 38 years in education as a teacher and golf coach for Ross S Sterling High in Baytown, TX and Belton Junior High in Belton, TX until his retirement in 2004. He was a long-time member of First Baptist Church in Baytown and was currently a member of First Cedar Valley Baptist Church in Salado where he enjoyed singing, writing hymnals, and playing his violin.

Jerry was a devoted husband, father, grandfather and brother, and, also, an avid hunter, fisherman and golfer. He shared his love of the outdoors by taking his family camping, fishing and attending sporting events, as well as, doting on his grandchildren and wife Carol of 54 years. He was a loyal friend to many and quick to help others in need.

A Celebration of Life will be held for Jerry at Broecker Funeral Home of Salado on September 17 at 11:00 am with Pastor Donnie Jackson officiating. Please sign the guestbook at Broeckerfuneralhome.com

Get help going native with Tonkawa plant sale

Go native with the Tonkawas this weekend!

The Tonkawa Chapter of the Native Plant Society of Texas is hosting its annual fall plant sale 9:30 a.m.-3 p.m. Sept. 17 on the grounds of Barrow Brewing Co.

While you are shopping for native plants, enjoy the Farmers Market held each Saturday at Barrow Brewing Co.

This year the fall sale plants will be separated into specific categories.

The Monarch section will include milkweeds that grow best in Central Texas and provide a host for the migrating butterflies. The butterflies lay eggs on the milkweed and the hatching larvae feed on the leaves. Fall & Spring nectar plants that feed the Monarchs will also be available in this section.

The Pollinator section will include plants for

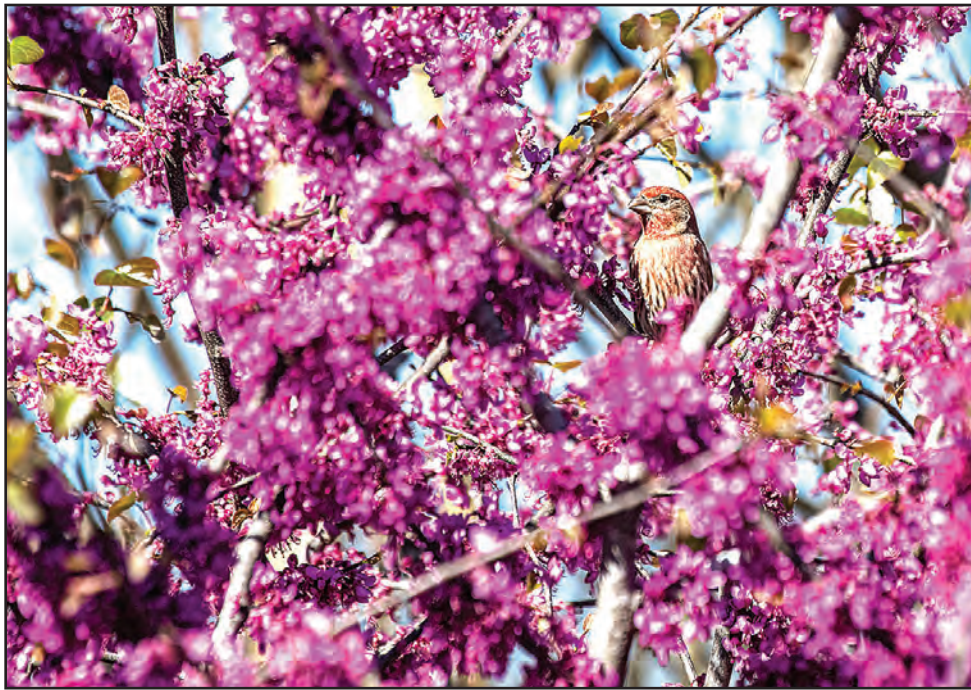

both shade and sun and will be located together.

A large variety of pollinators plants in a variety of sizes and colors will be available. There will be lots of Texas native trees and shrubs in a variety of sizes. Experienced volunteers will be on hand to answer questions. Please check our website often. As plants are located we will add to the list of plants for sale. www.npsotcentx.org

Native plant enthusiasts will be on hand to lend their experience and expertise to help you get started in going native Texan.

Following are some of the Native Plants that the Tonkawa Chapter will have for sale.

4 nerve daisy – limited

Salado Creek Ministries held 9/11 Memorial Service

Salado Creek Ministries held a 9/11 Memorial Service with Retired Army Chaplain Bob Brott presenting the service. All patriots and veterans were invited to attend.

Colors were presented by the VFW, Post 12209 and the national anthem was sung by Deborah Hendrick.

Mayor Michael Coggin, Army Veteran Willie Jamison, Go Team Therapy /Crisis Dogs representative Barbara Hoffman, and American Legion Auxiliary Unit 526 Joyce Spinn were speakers included on the program presentation.

Also, participating in the program was Installation Chaplain of Fort Sam Houston, Chaplain LTC Claude Hoffman and Pastor Robert Hendrick of First Church Harker Heights.

Salado Creek Ministries Sunday Services are held with Bible Interaction at 9 a.m. followed by Worship Service at 10 a.m. at the Salado Holiday Inn Express.

Chaplain (LTC) Claude Hoffman and Barbara Hoffman of Go Team Therapy/Crisis Dogs visits with attendees of the Salado Creek Ministries 9/11 Memorial Service while taking an opportunity to pet some of the dogs

Joyce Spinn representative of the American Legion Auxiliary Unit 526 spoke on their behalf.

Eagles fall to Malakoff in double overtime

By JOHNNY WHEELER
SPECIAL CONTRIBUTOR

A game which started out looking like a Salado Eagles romp ended up being more like a late-November heavyweight playoff match-up. The Malakoff Tigers, ranked #7 in Class 3A, rallied from a two touchdown fourth quarter deficit to pull out a thrilling 29-27 Double Overtime win over Salado Friday at Panther Stadium in Hewitt.

The two teams battled to a 14-14 deadlock in regulation. The Eagles had the ball first in Overtime, and after Quarterback Luke Law hit his cousin Roman Law on a pass to the 19, he did his impression of the Fosberry Flop high-jump technique, to leap over defenders for a crucial first down. After a pass to Seth Reavis reached the six Law rolled right then threw back to the left corner of the end zone where Kase Maedgen hauled it in. Daniel Chtay added the PAT and Salado led 21-14.

Malakoff's Bubba Hicks reeled off a 16-yard touchdown run, and the kick sent the game to the second extra session.

The decisive second overtime only lasted a short time. With the Eagles on defense, a holding penalty on Malakoff's first play pushed the Tigers back to the 35, from where Quarterback Mike Jones connected with Austin Masingill for a touchdown. Hicks, one of three Tiger running backs, powered his way to the two-point conversion and it was 29-21, Malakoff.

It took one play for the Eagles to answer, and Junior Quarterback Luke Law lofted a perfect scoring pass to Morgan Adams to set up a potential tying two point try. Law rolled right and threw back trying to hit a diving Reavis, whose great effort came up just short of making a circus catch.

Salado was the home team, wearing red jerseys and helmets with white pants. The Eagles started at their 24, and Law engineered a 4 and a half min-

ute scoring drive which was highlighted by a 51-yard pass to Reavis, who evaded two defenders to set the offense up at the Malakoff 13. Law promptly threw a swing pass to Kase Maedgen in the right flat who won the race to the goal line, diving across to put Salado on the scoreboard. Chtay's PAT made it 7-0 Eagles with 7:36 to play in the first quarter.

The two defenses took over, and both teams traded punts, with Salado taking over at its 42 with :35 left in the first quarter. Law lofted a strike to Maedgen, and a great, run by the Junior set the Eagles up at Malakoff's 18 as the first quarter ended with Salado up 7-0.

Law opened play in the second stanza with a scramble to the Tiger 8. Three Maedgen runs set up 4th and goal at the one. Salado Coach Tom Westenberg, who calls plays from the sideline, took a timeout. Salado went for it on fourth down but the tough Malakoff defense held, taking over at the one with 9:28 to play before halftime.

A big hit by Drew Bird knocked the ball loose, but the Tigers recovered at the 10. Sophomore Running Back Jason Tennyson, who came into the game averaging 126 yards per game rushing, reeled off two runs to the 48. A 40-yard connection from White to Tight End Zack Studley was called back. Malakoff went back to the running game, and drove to the Salado 15 where Dylan Combs recovered a fumble for the Eagles.

Salado punted back to Malakoff, and the defense closed out the first half with Linebackers Nolan Miller and Adam Benavides standing tall. The half ended with a punt to the Salado 41, and the Eagles took a 7-0 lead to the locker room.

Malakoff's running game ate up almost half of the third quarter, with Tennyson and Jackson sharing carries. A 35-yard pass to Studley set up first and goal at the 9. The Salado defense rose up and forced a 24-yard

field goal try which was no good, and the Eagles retained a 7-0 lead with 6:26 to play in the third quarter.

The ensuing drive started on the Eagles' 20. Salado drove to the 39, and QB Law connected with WR Law for a 53-yard pass and run to the Malakoff 8. The 80-yard drive ended with a 14-yard touchdown pass from Law to Reavis. The kick made it 14-0 entering the fourth quarter.

Malakoff answered with its own 80-yard scoring drive, and it was 14-7 early in period four. After a Salado punt, the Tigers took over near midfield. The Tigers employed all three running backs, burning clock and eating up yardage. Hicks finished off the drive from the power set, and his one-yard run made it 14-13, with the kick tying the score at 14 with 6:21 to play. Salado punted on its next possession, and Malakoff did the same, but a booming 62-yard kick and roll pushed the Eagles back to the eight yard line with 3:18 to play. Salado was forced to punt, and it rolled dead at midfield with 1:02 left. The Eagles defense tipped a pass away, then a Quarterback scramble set up third down. Drew Bird made a huge hit inside the ten, forcing an incompletion, and the game was headed to overtime.

It was a tough loss for 2-1 Salado, but the team fought to the very end. Academy visits Eagle Field Friday.

Linebacker Adam Benavides led the Eagles with 10 tackles, 3 assisted tackles (AT) and 3 tackles for loss (TFL). Nolan Miller followed with 7 tackles, 5 ATs and a TFL. Drew Bird made 7 tackles, 5 ATs and a pass broken up (PBU).

Lincoln Hossfeld made 8 tackles, 2 ATs and a PBU. Darius Wilson made 6 tackles and an AT. Duty Rhiddehoover made 5 tackles, an AT, a TFL and a PBU.

Also contributing on defense were Garrett Combs, a tackle, 3 ATs and a quarterback hurry (QBH) Davis, a tackle, an AT and a TFL.

Kase Maedgen throws a Malakoff defender to the turf while battling for yardage. (PHOTOS BY ROYCE WIGGIN) FOR PHOTO GALLERIES VISIT WWW.SALADOVILLAGEVOICE.COM

Ethan Llobregat gives Luke Law protection as Luke connects a pass to Roman Law.

Wigley, a tackle and an AT; Romney, a tackle and TFL; Barksdale, a tackle and a QBH and AJ Fach, a PBU

The Eagles will host Academy for Salado's Homecoming game at 7 p.m. Sept. 16. The Homecoming King and Queen will be crowned at halftime.

The Eagles are 2-1 while the 3A Academy Bees are 1-2.

Ninth Grade

Salado Eagles ninth graders are 2-0 so far after beating China Spring 28-16 last week. They travel to play Harker Heights this week.

Middle School

8th A Team: Salado fell behind early 14-0. The Eagles got on the score board when Brayden Naegele ran in from 14 yards out on a reverse. Salado tied the score early in the 4th when Landon Noske broke several tackles en route to a 46 yard touchdown run and Ju-

Darius Wilson takes down a Malakoff receiver.

lian Gerena added the conversion. The Eagles took the lead late in the 4th on a pick six by Colton Norman from 22 yards out. Offensive standouts were Gerena, Braden Wright, and Naegele. Defensively Daniel Hernandez, Hunter Manthie and Norman (2 interceptions) had great games.

8th Grade B: Angel Casstenera started the scoring in the 2nd quarter with a 52 yard run. 2 pt conversion failed. Jaxon Teer picked up a fumble and scampered 40 yards for the final points. 12-0 victory over Lampasas. Slade Schwake played well on both sides of the ball.

Lady Eagles exterminate Bees, JV teams compete in Georgetown

Salado Varsity Lady Eagles hosted Academy Sept. 6.

In a rematch from mid-August where Salado won 2-0, the Lady Bees of Academy came into Salado with a 16-9 record and winners of 8 of their last 9 matches, but would come back down to earth against the Lady Eagles. Salado comfortably won in straight sets with scores of 25-19, 25-21, and 25-12. Junior Livia Niu would provide a lot of offense for Salado with 9 kills and a pair of blocks. Freshman Elsie Law would play one of her best matches of the season to help the Lady Eagles at the net. Junior OH Reese Rich would chip in 9 kills and 3 aces of her own. Holding down the defense was Senior DS Katey Bartek who totaled 6 digs/set.

JV Red

Salado JV Red placed third in the Georgetown Tournament Sept. 10

The first game was against Elgin and the Lady Eagles struggled to get into a rhythm. They dropped

the first set 20-25, but came back in sets 2 and 3 to take the win.

The second game was against Georgetown Eastview. The Lady Eagles fought but came up short 11-25, 25-21, 19-25. Sophomore London Woods was the big server for the Lady Eagles in this game.

The last game the Eagles came out with a win over Cove after dropping the first set 9-25 and bouncing back 25-23 and 15-13 to finish out the tournament taking 3rd place.

Salado JV Red defeated the Academy Lady Bees Sept. 6 in three sets (25-21, 25-27, 25-23).

DIANE KONARIK, JV RED COACH

JV White

The JV White team traveled to Georgetown on Sept.

10 to take part in the East View Freshman-JV tournament. Competing in the Flex Division, the White Team went 1-2. Dropping matches to Round Rock (18-25, 12-25), Stoney Point (22-25, 22-25) before ending the day with a win over Leander (25-1, 25-16).

Salado's JV White jumped out to an early lead in the first set before letting Academy creep back in Sept. 6. Ultimately, the Lady Eagles would hang on to win 25-22 before comfortably putting the Lady Bees away in the second with a score of 25-15. Setters Anna Engdale and Reese Franks continue to improve and lead the floor for the young Salado Lady Eagles.

Varsity Girls take first in Galveston

Salado Varsity Girls cross country team won the Galveston meet out of a field of 10 teams.

Alexa Williams led Salado in sixth place with a time of 21:21.6; Zoie Adcox, 9th,

21:32.3; Penelope Anderson, 13th, 21:48.7; Anna Redelsheimer, 17th, 22:35.7; Ally Ihler, 18th, 22:37.3; Ellie Mescher, 22nd, 23:16.5; Natalie Burleson, 34rd, 23:37.5; Evie Wickert, 24th,

23:39.3; Cassie Vargas, 26th, 23:41.8; Rylee Young, 27th, 23:42.3.

"The girls competed in the large school, Division I 5K race and came out on top. The course was pretty

tough due to it being all on sand & a race terrain the girls are not used to running. They all pushed through and competed very well" said Head Coach Corey Baird.

Varsity Boys win Galveston Meet

Salado Varsity Boys cross country team won the Galveston meet out of a field of 14 teams.

Coulson Boyd led Sala-

do with an eighth place finish of 18:25; Ryan Novotny, 11th, 18:32; Luke Anderson, 14th, 18:39.8; Brooks Dabney, 28th, 19:12.6;

Alex Hauck, 34th, 19:17.9; Jake Rechtfertig, 45th, 19:27.3; Camden Aycock, 47th, 19:30.5; Owen Pitcock, 49th, 19:34.1; Connor

Lynch, 64th, 20:01.8; Brody Delukie, 71st, 20:17

The Varsity Boys cross country team is coached by Michael Goos.

Temple College Scholarships Available to Earn Certification

Temple College's Adult Education and Literacy program has scholarships available for training and certification for Certified Medical Assistant (CMA), Food Service Management, Electrocardiography (EKG) Technician, Pharmacy Technician and Phlebotomy Technician.

Registration is open until slots are filled. Select individuals who meet requirements will receive a scholarship that covers 100% of tuition and certification testing fees. Upon completion, graduates will participate in a job fair with prospective employers.

Clinical Medical Assistant

Clinical Medical Assistants (CMA) carry out procedures, care for patients, perform basic lab tests and administer medications.

Electrocardiography (EKG) Technicians

Electrocardiography (EKG) Technicians work include conducting electrocardiogram testing, preparing patients for various cardiovascular tests, checking quality of recorded data, reporting findings to the attending physician and maintaining cardiograph equipment in good working order.

Food Service Manager

This course provides

training and certification in Customer Service Support and Food Management.

Pharmacy Technician

A Pharmacy Technician is a health care provider who performs pharmacy related functions, generally working under the direct supervision of a licensed pharmacist.

Phlebotomy Technician

Phlebotomy Technicians work in hospitals, physician offices and other health facilities, and they are important members of the clinical laboratory team. Duties of a phlebotomy technician may include drawing blood, preparing specimens for storage or

testing, assembling equipment and verifying patients' records.

The courses will be offered through Temple College's Business and Continuing Education Division. Those who are selected for the program receive additional training in adult basic education contextualized to fit their core field, soft skills and workforce preparation training.

For more information, contact Marcia Temple at (254) 298-8626 or marcia.temple@templejc.edu or Javier Ruiz at (254) 298-8578 or javier.ruiz@templejc.edu.

The bidding:

West	North	East	South
1 ♣	Pass	Pass	Dble
Pass	1 ♥	Pass	2 ♦
Pass	3 ♦	Pass	3 NT

Opening lead — five of clubs.

All important championships, whether local, regional, national or international, are played in a duplicate format in order to reduce the element of luck that might otherwise determine their outcome. Nevertheless, the luck factor cannot be entirely eliminated.

For instance, the succession of opponents you meet might or might not play well against you, which certainly will have an impact on how you fare. Also, you (or your opponents) might get to excellent contracts that

go down because of horrendous distribution or get to poor contracts that make because of very favorable distribution.

Consider this deal played in the Blue Ribbon Pairs many years ago by Dorothy Hayden and B. Jay Becker, former editor of this column. They reached three notrump on the bidding shown. Hayden's three-notrump bid with the singleton king of clubs was certainly imaginative and was amply rewarded when she made the contract after West led a low club.

She won East's queen with the king and ran six diamonds, subjecting West to severe pressure. He followed twice and was able to discard a heart and a spade comfortably, but then, in order to protect the king of spades, he was forced to discard two clubs.

Hayden next led a heart. West took the ace and cashed three clubs, but that was the end of the line as he was forced to lead from the K-8 of spades at the end.

You could call the hand a brilliant success — if you were so minded — but, all the same, there was a lot of luck attached to it. At another table, against similar bidding, West made the inspired lead of the ace of clubs against three notrump, and East-West collected the first seven tricks to put the contract down three!

Fortunately for Hayden and Becker, they were sitting at the right table.

Temple College Dental Hygiene Program Announces Fall 2022 Screening Dates for Prospective Patients

The Temple College Dental Hygiene Program will conduct free screenings for prospective patients beginning Monday, Aug. 29, in the Jean and Ralph Wilson Dental Hygiene Clinic, located in the Health Sciences Center on the Temple College East campus.

The dental hygiene program is in particular need of patients who have not received dental hygiene care for several years or whose gums bleed easily.

Screenings will take place on Mondays from Aug. 29 through Nov. 28. Screenings will be by appointment only from 8:30 a.m. to 10 a.m. and from 1:30 p.m. to 3 p.m. Please call the dental hygiene clinic to schedule a screening appointment at 254-298-8688. The dental hygiene clinic is located on the East Campus of Temple College off of Marvin Felder Drive. Visitor parking is available in front of the Health Science Center building.

Screenings are performed by members of the dental hygiene program faculty and are necessary prior to becoming a patient in the program. Dental hygiene students provide the full range of preventive care services as part of their learning experiences within the program, however no reparative or restorative services are offered.

After patients have been screened, they will be called at a later date to set up hygiene appointments with a

student. There is a \$15 fee for hygiene services, which include cleaning and polishing, radiographs (X-rays), pit and fissure sealants when appropriate, fluoride applications, nutritional counseling and home care instruction.

The fee is due at the first cleaning appointment.

For more information, contact the Temple College Dental Hygiene Clinic at 254-298-8688.

CTC offers several medical career training programs

The Central Texas College (CTC) Continuing Education department will offer several medical career training programs in September. At the end of each program, students can earn a Certificate of Completion and be qualified to sit for the certification exam in each respective field.

The **Pharmacy Technician** program starts September 12 and prepares students for the Pharmacy Technician Certification Board national test required by the state of Texas. First is Introduction to Pharmacy followed by Pharmacy Law, Pharmaceutical Math and Community Pharmacy Practice. Classes are held Monday through Thursday

from 5 to 9 p.m.

Also starting September 12 is the **Clinical Medical Assistant Program**. This cohort provides training to help physicians carry out procedures, care for patients, perform basic lab tests and administer medications. Classes in the program are Medical Assistant Interpersonal and Communication Skills, Anatomy and Physiology for Medical Assistants, Medical Assistant Laboratory Procedures, Procedures in a Clinical Setting, Advanced Medical Assistant Technician and an optional 80-hour clinical internship. Classes will be held Monday through Thursday from 5 to 9 p.m.

The **EKG Technician**

program offers training in administering EKGs - testing the electrical activity of the heart through small electrode patches attached to the body. Students will learn the fundamentals of cardiovascular anatomy and physiology, basic electrocardiography procedures. The class starts September 12 and is scheduled Monday/Wednesday from 5 to 9 p.m.

The **Certified Veterinary Assistant (CVA)** Basic program begins September 12 and consists of 35 hours of classroom instruction and 35 volunteer hours to be completed outside of class. Classes are scheduled for Monday/Tuesday/Thursday from 5 to 9 p.m.

The basic course is a

pre-requisite for the CVA Intermediate program which further emphasizes skills mastery through hands-on instruction. The program starts September 28 and classes are Monday/Tuesday/Wednesday from 6 to 9 p.m.

In the **Phlebotomy program**, students will learn a variety of blood collection methods using proper techniques and standard precautions and includes classroom and a 48-hour clinical internship. The program begins September 13 with classes on Tuesday/Thursday from 5 to 9 p.m.

For information on any of these medical career programs or to register, visit www.ctcd.edu/ce or call 254-526-1586.
