

BoA public hearing Oct. 6 on rezoning Sanctuary

BY TIM FLEISCHER
EDITOR-IN-CHIEF

Salado aldermen at their 6:30 p.m. Oct. 6 meeting will hold a public hearing and consider approval of amendments to the existing and future land use maps in the Village of Salado's Comprehensive Plan.

The board will also hold a public hearing and consider approval of an ordinance to rezone approximately 57,985 acres located near the southeast corner of FM 2268 and I-35 from Planned Development District (PDD-C) to Agricultural (A).

The property in question is part of the proposed North/South Public Improvement District (PID) that the Village agreed to support when it approved the Master Development Agreements with Sanctuary in 2015.

In a Sept. 22 letter to Mayor Michael Coggin, Sanctuary principal Billy Hanks, Jr. provided two updated analyses of the North/South PID and the East PID for a total of \$19.08 million in bonds (\$7.41 million for the North/South PID and \$11.67 million for the East PID).

"In Sanctuary's view, the unwarranted delay in creating these PIDs in contravention of our agreements for apparent political reasons has gone on far too long," Hanks stated in his letter to Coggin. "We expect the Village to approve our petition and consent to the creation of the PIDs, in compliance with the Master Development Agreement. Specifically, we ask that you provide the required notice of public hearing required by Chapter 372 of the Texas Local Government Code to create the PIDs within ten (10) days of receipt of this letter, and thereafter consent to the creation of the PIDs at the next regular meeting of the Board of Alderman that is at least fifteen (15) days after the date of such public hearing notice without delay."

No public notice on the hearings for either of the proposed PIDs has been published in the *Salado Village Voice* newspaper, the newspaper of record for the Village of Salado. No public postings of public hearings on the PIDs has been posted at the Village of Salado office as of presstime for this edition.

The North/South PID would, according to the nine-page draft PID analysis Sanc-

tuary provided to the Village, have a total projected assessed value of \$315 million. Of that, \$122.4 million would be in the North section (northeast corner of FM 2268 and I-35 to College Hill and adjoining the Linda Ventura residential subdivision). The South section (southeast corner of FM 2268 and I-35 that is being considered for rezoning) would have a total projected assessed value of \$192.6 million.

The North section would include 235 units of Hotel at a value of \$75,000 per unit; 10,000 sq. ft. restaurant space at a value of \$400 per sq. ft.; 151,043 retail space at \$400 per sq. ft.; 265 units of Multi-Family Retail at \$105,000 per unit value and 50 Multi-Family for Sale at \$250,000 per unit value.

The South section would include 130 Hotel units at \$250,000 per unit value; 73,090 sq. ft. Office at \$200 per sq. ft. value; 56,000 Mixed Use at \$200 per sq. ft. value; 26,175 restaurant at \$400 per sq. ft. value; 190,789 Retail at \$400 per sq. ft. value; 311 Multi-Family For Rent at \$105,000 per unit value; 57 Multi-Family For Sale at \$205,000 per unit value; 11 Single Family at \$286,110 per unit value.

The PID Equivalent Tax Rate for the North/South PID is \$0.21, which would bring the total equivalent tax rate (as of Sept. 2022) to \$2.57, which is still below the maximum total property tax rate of \$3.00.

With a projected assessed value of \$315 million (at project buildout), the North/South PID would generate the following amounts in property taxes to the various local governing bodies, based on 2021 rates: \$1.16 million to Bell County; \$82,834 to Bell County Road; \$4.32 million to Salado ISD; \$1.56 million to Village of Salado (of which one-half would be rebated to the developer for a period lasting until 15 years after the last certificate of occupancy is issued); \$9.764 to Clearwater Underground Water Conservation District; \$283,463 to Bell County ESD #1.

With an equivalent PID assessment of \$0.21 per \$100 valuation, the North-South PID would generate approximately \$661,500 in PID revenues to retire the bond over a 30-year period.

The East PID, which is off of Royal St. and FM 2268, will be 416 Single Family Residential units when

completed over three phases. Phase 1 is in current development. Phase 1 includes 175 lots, some less than 1/8th of an acre in size. There will be 60 50-foot-wide Silver Lots with a projected assessed value of \$400,390 per unit; 61 50-foot-wide Gold Lots with a projected assessed value of \$474,190 per unit; 34 75-foot-wide Silver Lots with a projected value of \$496,390 per unit; 20 75-foot-wide Gold lots with a projected assessed value of \$527,790 per unit.

Phase 2 will include 20 50-foot-wide Silver lots with a projected assessed value of \$416,566 per unit; 50 50-foot-wide Gold lots with a projected assessed value of \$493,347 per unit; 45 75-foot-wide Silver lots with a projected assessed value of \$516,444 per unit and 30 75-foot-wide Gold lots with a projected assessed value of \$549,113 per unit.

Phase 3 will be 96 75-foot Gold lots with a projected assessed value of \$571,297 per unit.

With a projected assessed value of \$208 million (at project buildout) the East PID would generate the following amounts in property taxes to the various local governing bodies, based on 2021 rates: \$765,214 to Bell County; \$54,688 to Bell County Road; \$2.85 million to Salado ISD; \$1.03 million to Village of Salado (of which one-half would be rebated to the developer for a period lasting until 15 years after the last certificate of occupancy is issued); \$6,446 to Clearwater UWCD and \$187,145 to Bell County ESD #1.

With an equivalent PID assessment of \$0.21 per \$100 valuation, the East PID would generate approximately \$436,000 in PID revenues to retire the bonds over a 30-year period.

The bonds would be issued at 6% interest rates, according to the PID analysis prepared by Development Planning & Financing Group Inc., which Hanks stated has "completed multiple PIDs across Texas."

As of Oct. 4, the Village has received no building permit applications for any new construction on the East PID.

Work on the Waters Edge apartment complex has slowed or stopped in the past two months. The apartments were announced earlier this year to open in early 2023. It is part of the North/South PID.

Clean-Up kicks off Oct. 22

Keep Salado Beautiful's annual Fall Clean-Up kicks off 8:30 a.m.-noon Oct. 22 with a week-long clean up involving individual volunteers and five local groups that will clean up 11 assigned spots throughout the Village.

If you would like to volunteer to clean up an area, come by the Salado Civic Center 8:30 a.m.-noon Oct. 22 to pick up your clean-up kits. Safety vests, pickers, gloves, and trash bags will be provided. Return the vest to the Village Office at 301 N. Stagecoach Rd. by Nov. 1.

Volunteers may clean up anytime Oct. 22-29. Volunteers will have until Oct. 29 to drop off all trash and recyclables at the dumpsters located at the Salado Civic Center. Return the trash collected to the dumpsters at the Civic Center to allow Keep Salado Beautiful to track the amount of trash collected during the event.

During the kick off on Oct. 22, Salado residents may also drop off their electronics from the Salado High School Robotics program. Eaglebots will be at the Civ-

ic Center 8:30 a.m. -noon to collect electronics.

Local organizations that will provide at least four volunteers to clean up an assigned area are Century 21 Bill Bartlett Real Estate, Texas Traffic and Barricade, Salado United Methodist Church and Salado Lions Club. Salado High School Girls Soccer will take on seven spots with between 20 and 30 volunteers.

Ian's impact brings stormy economic waters

Reading the headlines for the last week in the quarter of 2022, ending on September 30, one would think that the market had "crashed" and was plunging toward zero. While the S&P 500 Stock Index (SPX) did fall 2.91% to close at 3585.62 and is now down just over 25% from its high in January, and 17% from where it was last year at this time, it is also up over 25% from where it was three years ago, three months before the pandemic. The CRSP Mid-Cap Value Index ended the week at 2099.27 as it fell 3.32% putting it down just over 19% from January's high and 14.13% from last year. We are, indeed in a bear market, but in our four decades of being involved in such things, we have certainly seen far worse.

The yield on the U.S. Treasury 10-year note continued its relentless climb to 3.83%, up a whopping 152% this year. Still, it was better than it could be. Mid-week the 10-yr note rose above 4%. The 2-year note was yielding 4.22% at the end of the day, so the Treasury yield curve remains in a decidedly inverted state. The price of West Texas Intermediate crude oil mirrored the market, slipping below \$77.50 on Wednesday and the inching upward at the end of the week but still below \$80 per barrel at \$79.67. The average price for a gallon of gasoline also continued downward, dropping to \$3.80 according to AAA.

The economic seas got rougher this week, and the storm hit from several directions. It became very clear on Thursday that Hurricane Ian was going to be a monster storm and would carve a path across the Florida peninsula and then turn north to beat up the Atlantic coast. Hurricanes tend to hurt GDP in the short run and boost it in the longer-term. Adding to the rough seas, the United Kingdom's currency and bonds were pummeled hard

Market & Economic Update

By Jeffrey W. McClure

as the pound fell to \$1.06, a record low against the dollar. The Euro ended the week at \$0.98 as the Eurozone reported that inflation hit a record high of 10% for the year ending in August closely matching the 9.9% annual inflation reported in the U.K.

Here at home, our very own beloved Bureau of Economic Analysis (BEA) reported that the trailing PCE Price Index, the inflation number that the Fed pays attention to, was up 6.2% for the trailing year, with the core PCE, excluding food and fuel, up 4.9%. The core and regular PCE inflation for August came in at 0.6% and 0.3% respectively. The issue continues to be that our economy has generated too many good jobs. The demand for employees is driving wages up at about 5% per year, while we are still suffering from an ongoing shortage of the things people want to purchase. The law of supply and demand states that when there is more demand than available supply, prices will rise, and they have.

With much of China still shut down and Russia's invasion of Ukraine reducing supply from Europe, the fact that things are going so well here in the U.S. is causing a rise in the price of just about everything. Unfortunately, there is nothing we can do in the short term to create more supply, so to stomp out high inflation, the Federal Reserve must take steps to reduce demand. The way that is done is to raise interest rates, thereby making operating a business or getting loans to buy big-ticket items more expensive. The intention is to reduce business purchases, reduce the number of people being paid, and increase the cost of borrowing to buy

things like houses, cars and appliances.

The conundrum facing the Federal Reserve is how to slow the economic train down a bit without causing it to stop. Current interest rates are what economists call "stimulative" in that short term rates are still carrying less interest cost than the rate of inflation. The clear intention of the Fed is to get rates up to at least neutral by the end of the year and then take them a bit higher in 2023 to slow things down. That is a great plan in theory, but then along came Hurricane Ian, smashing its way across a big part of our economy. The impact of Ian alone is estimated to cut 0.3% off this year's GDP. On top of that, we are economically interlinked with China, the U.K. and Europe, all of which appear to be slipping into outright recessions.

Those things are all happening as the Fed tries to pull money out of the economy while gasoline prices are falling, providing more money for consumers to spend. Consumer confidence stubbornly keeps rising, suggesting that people are more likely to keep raising their spending, and in fact did increase household spending by 0.4% in August. Once more, good news is bad news. To slow down spending, the Fed has a lot of work ahead of it, and the fear is that it will go too far.

Are we likely to have a recession? With the arrival of Ian, our answer has turned to "yes." We still do not see evidence of a major economic contraction, rather we see an amazingly strong U.S. economy, plenty of cash in reserve, and a likely shake out that will precede good growth in the years to come.

Sirena Carnaval Congrats!!

To the Editor:

Congratulations to the Sirena Carnaval organizers Theresa Howard and Amber Dankert and their board. The Sirena Creekside Carnaval was a huge success and enjoyed by so many for a great cause. So nice to see the many different vendors, good food trucks

Our students do very well in so many academic, athletic, FFA, and fine arts competitions. One activity in which our students are doing particularly well this year is cross country.

We maintain a Top 25 All-Time Honor Roll of the best cross country times for Salado High School runners. To qualify, the time must be run on the state meet course at Old Settler's Park in Round Rock.

We have seven girls on our team this year that are on the Top 25 Honor Roll for Salado High School Cross Country: Alexa Williams, Penelope Anderson, Ally Ihler, Cassie Vargas, Natalie Burleson, Anna Redelsheimer, and Cade Harris.

ROBERT "KENNY" ODELL
JULY 4 1937
SEPTEMBER 27, 2022

Albuquerque was home to Ken and his family until 1995. He attended Highland High school and UNM. But his was his role in the family business, Kistler-Collister, that brought him into his element. Ever sharp dressed he was the "people man". Often to be found on the showroom floor greeting customers and generally making the rounds to keep his finger on the pulse of things. If you ever needed anything done, he knew how to make the connection. Whatever it was. He was instrumental in getting Pete Domenci elected to the Senate as his campaign manager,

fund raising for St. Joseph's hospital as chairman of the Charley Pride Pro-Am Golf Tournament for many years and was a proud member of The Rotary Club.

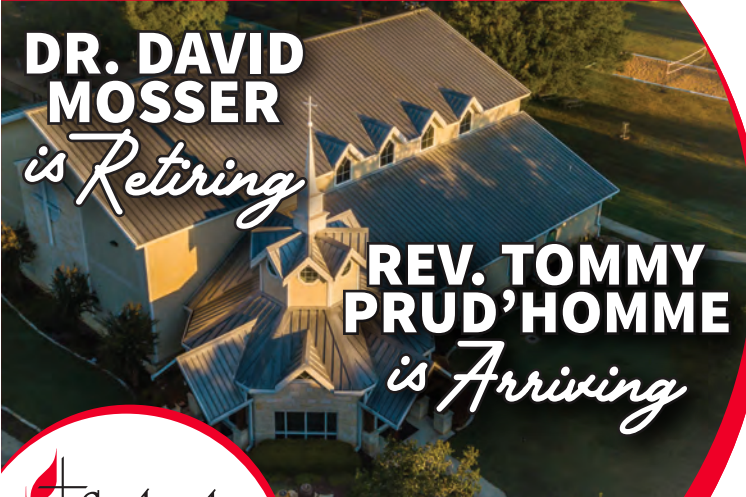

After moving to Texas to "retire" in 1995 he bought an existing floor covering business and launched career number two. Through its numerous iterations it is still thriving today under his daughter's oversight. He was an avid golfer and loved his pastor and years at Temple Bible Church. He remained involved in the local chapter of The Rotary Club and with him came the ability to put people with people who needed them. He was still connection central! He got so much satisfaction from those encounters.

No matter where he was, he remained the glue that held the family together. He was a loving husband and wonderful dad/granddad. Poppy is survived by his wife Nancy, their three daughters and their husbands, six grandchildren and a great granddaughter who will be told lots about him since he will sadly not have the chance to meet her in person.

The family will host an open house this Saturday, Oct. 9, at 512 DeGrummond Way from 3:00-5:00 p.m. If you would like to raise a glass to a life well lived, please join us.

Services are in care of Broecker Funeral Home of Salado. Please sign the guestbook: broeckerfuneralhome.com

Bicycling with Butterflies

Dykman follows route of Monarchs from Mexico to Canada and back

Stops for book-signings in Salado

After biking 10,201 miles from Mexico to Canada and back, Sara Dykman (37) became the first person to cycle the entire route of the migrating monarch butterflies. This fall she returns to the road, this time on a motorcycle, to celebrate monarchs and the publication of her book, *Bicycling With Butterflies* (Timber Press, April 2021).

Dykman will be traveling through Kansas, Oklahoma, and Texas, before continuing south to the monarchs' overwintering grounds in Michoacan, Mexico. She will be stopping along her route to speak on behalf of monarch butterflies, whose population has seen dramatic declines in recent years. "I want to give the monarchs a voice," Dykman explained. "I want people to know that they can help monarchs by planting milkweed, which is the only food source for the monarch caterpillars."

Dykman will be at Salado Public Library at 1 p.m. Oct. 7 to speak about her adventures, monarch conservation, and how everyone can help the migration. Her presentation is open to the public. Copies of *Bicycling With Butterflies* will be available for sale and signing.

She will also be at the Salado Civic Center at 2 p.m. Oct. 8 to make a presentation and sign books.

About Sara Dykman

Sara Dykman is the founder of beyondabook.org. She works in amphibian research and as an outdoor educator. She hopes her own adventures—walking from Mexico to Canada, canoeing the Missouri River from source to sea, and cycling over 80,000 miles across North and South America (including the monarch migration trip)—will empower young and old to dream big.

About *Bicycling With Butterflies*

Three countries, 10,000 miles, a pieced-together bicycle, and one incredible journey to save the monarchs—and the environment. This is the history-making trek outdoor educator and field researcher Sara Dykman daringly embarked upon in 2017, becoming the first person to ever bicycle alongside monarch butterflies on their storied annual migration. Deftly combining travel memoir and popular science, *Bicycling With Butterflies* recounts Dykman's inspirational ride alongside the monarchs as she follows unmapped roads through Mexican mountains, searches the roadsides for milkweed-clinging caterpillars, and faces down thunderstorms, zombie corn fields, and more than a few flat tires.

As she encounters a cast of characters including eager schoolchildren, devoted citizen scientists, skeptical bar patrons, fellow bicyclists, climate deniers, and unimpressed border officials, Dykman passionately shares the urgent plight of the monarchs and the complex science behind their dwindling numbers. Filled with optimism, energy, and hope, *Bicycling With Butterflies* is a compelling story that confirms the urgency of saving the threatened monarch migration—and the systems of nature that affect the survival of us all.

Deftly combining travel memoir and popular science, *Bicycling With Butterflies* recounts Dykman's inspirational ride alongside the monarchs. This National Outdoor Book Award winner is filled with optimism, energy, and hope. It is a compelling story, confirming the urgency of saving the threatened monarch migration—and the other threatened systems of nature that affect the survival of us all. "It is part science, part adventure, part love letter to nature," Dykman explained. "I hope readers will come away with a deeper sense of connection to the land and be inspired to join the team taking care of our planet."

The bidding:
North East South West
1 ♣ 1 ♠ 2 ♥ 4 ♠
5 ♥ 5 ♠ 6 ♥

Opening lead — two of spades.

The North-South pairs who bid and made slam in hearts earned the best scores in their direction. The East-Wests who sacrificed in five or six spades achieved good scores, going down 200 or 500 to prevent the opponents from making a vulnerable game or slam.

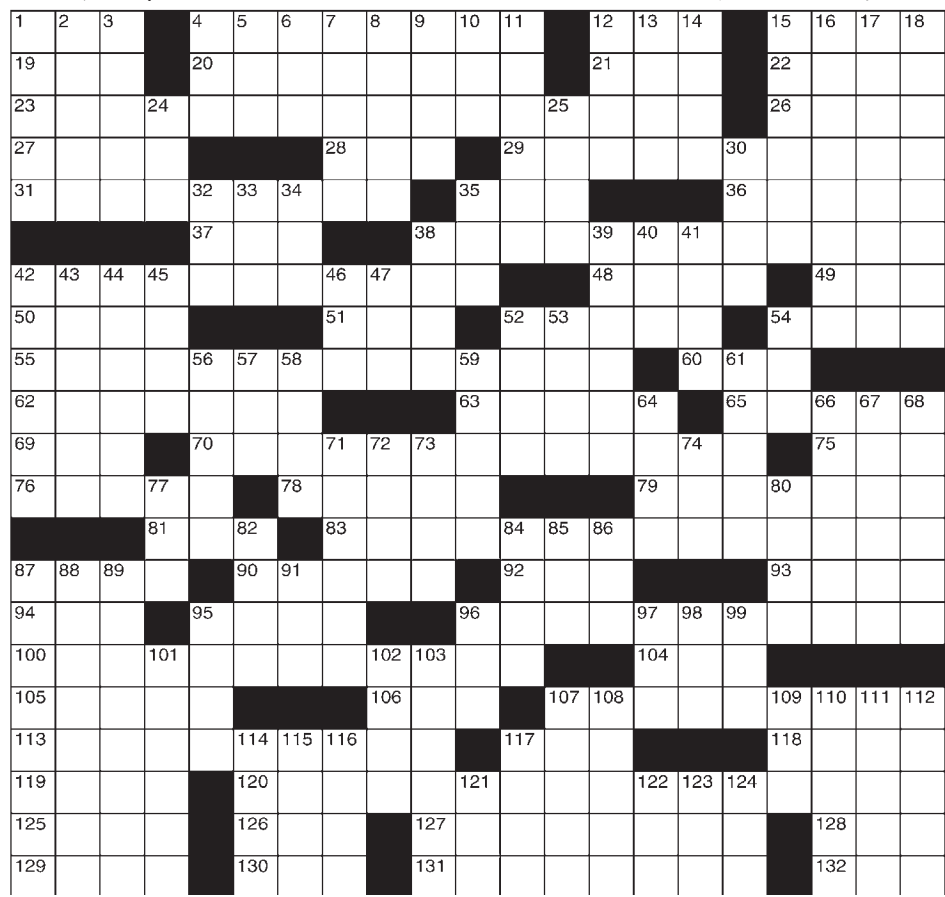

Only one East-West pair found the way to set six hearts. The bidding went as shown, with West deciding not to sacrifice against six hearts because he thought he had a reasonable chance to defeat the slam. And defeat it he did. He boldly led the deuce of spades at trick one, taken by East with the queen. The fact that West had underled the ace of spades — a highly risky maneuver against a slam — was not lost on East, who was certain that his partner had a very good reason for such an unusual lead.

He therefore resisted the natural impulse to try to cash the ace of diamonds. Had he played the ace, of course, South would have ruffed and taken the rest of the tricks to make the slam. Instead, demonstrating supreme faith in his partner, East returned a club, fully expecting his partner to be void in that suit. West happily ruffed to defeat the slam, and the defenders earned themselves a well-deserved top score.

Eagles fall to undefeated Hitchcock Bulldogs, 35-30

By TIM FLEISCHER
EDITOR-IN-CHIEF

Hitchcock Bulldogs scored on the last play of the first half and on their first possession of the second half, which gave them enough of a cushion to withstand a 21-point second half effort by the Salado Eagles and win 35-30 in a neutral game Oct. 1 at Merrill Green stadium in Bryan.

The touchdown at the end of the first half came with no time left on the clock as Hitchcock lined up at the Salado 23-yard line with four seconds left to play. LLOYD Jones scrambled away from pressure and found Damien McDaniel in the end zone. Grant Thiem converted the point-after to give the Bulldogs a 21-9 halftime lead.

The teams battled through most of the first quarter — in fact through most of the game — before the Bulldogs scored on an 80-yard pass from Jones to McDaniel with 4:16 left.

Salado answered in the second on a 22-yard field goal by Daniel Chtay, which capped a 42-yard drive that took 16 plays. Seth Reavis returned the Hitchcock kick 27 yards to get into Bulldog territory. Salado faced a third-and-2 at the Bulldog 2-yard line, but Kase Maedgen was caught in the backfield on a screen pass, forcing the fourth down. The Eagles settled for Chtay's field goal.

Salado would take their only lead of the game after the Eagle defense stopped the Bulldogs at their own 26-yard line, taking advantage of a 22-yard punt.

Luke Law and Kase Maedgen moved the ball forward and Law hit Caden Strickland for a 17-yard pass in the scoring drive. Maedgen bulled his way for 2 yards on a fourth-and-1 and scored on the next play on a 5-yard dive with 4:26 left in the half. The Bulldogs blocked Chtay's point-

after kick, leaving Salado with a 9-6 lead.

Hitchcock scored twice over the next 4:26. Chase Bruton returned the ensuing kick off 39 yards to the Salado 40-yard line to give the Bulldogs great field position. Hitchcock took advantage of it by scoring six plays later on a 9-yard pass from Jones to McDaniel. The PAT gave Hitchcock a 14-9 edge with 1:43 left to play.

Drew Bird returned the ensuing kick off 24 yards to give Salado the ball at their own 41-yard line. Bird carried the ball into Bulldog territory but coughed it up as he was tackled, recovered by Zack Pruden with 52 seconds left in the half.

Jones found Cole Fisher for two first down passes, setting up the Bulldogs at the Eagle 23-yard line with four seconds left in the first half. He hit McDaniel over the Salado defender for the TD with no time left on the clock. The PAT kick gave the Bulldogs a 21-9 lead.

The Bulldogs extended that lead on the opening drive of the second half, on a 74-yard pass from Jones to McDaniel. The PAT kick made it 28-9 with 10:14 left in the fourth.

Salado answered on the next series, scoring on a 19-yard run by Law with 7:28 left in the third. Chtay's kick made it 28-16.

Hitchcock extended its lead with 3:04 left in the fourth on a 74-yard pass from Jones to Bryce Dorsey. The PAT kick made it 35-16.

Salado fought back from the 19-point deficit, scoring two TDs in the fourth. Law hit Morgan Adams for an 11-yard strike with 10:18 left to play. Chtay made it 35-23.

Salado recovered a fumble at the Hitchcock 44-yard line to set up the final scoring drive. Law scored on a 3-yard run with 1:46 left to play. Chtay's kick was good and Salado trailed 35-30.

The Bulldogs were able

to fall on the on-sides kick and then ran out the clock as the Eagles were out of time outs.

Adam Benavides led the Eagles defense with 4 tackles and 5 assisted tackles (AT). Davis Graham followed with 4 tackles and 2 AT. Dusty Rhiddlehoover made 2 tackles, 4 ATs a tackle for loss (TFL) and a quarterback hurry (QBH). Garrett Combs made 2 tackles, 3 ATs and a QBH. Lincoln Hossfeld made 2 tackles and 2 ATs. Dillon Combs made 2 tackles, an AT and a sack. Nolan Miller made 2 tackles, an assist and a sack. AJ Fach made 2 tackles and had 2 pass break ups (PBU). Darius Wilson made 2 tackles. Noah Romney had a tackle.

Salado starts district play on the road 7:30 p.m. Oct. 6 against the Robinson Rockets. The Rockets are 3-3 while Salado is 2-4.

JV EAGLES

Salado Junior Varsity Eagles lost to the Lake Belton JV team 35-21 on Sept. 29.

The Eagles took a 14-7 halftime lead on two second quarter touchdowns.

Nathan Rechtfertig hit Jackson Turk with a 25-yard TD pass.

Rechtfertig connected with Javier Miranda on a 55-yard TD pass. Lake Belton took the lead in the third, scoring three touchdowns. Both teams added a touchdown in the fourth.

The Eagles scored from their own 25-yard line on a double pass from Rechtfertig to Turk to Korbin Konarik.

"The Eagles battled in a hard fought game with Lake Belton," Coach Robert Gillen said.

Rechtfertig, Turk, Miranda and Konarik were the outstanding offensive players for Salado.

Caleb Dockray and Micah Redelsheimer led the JV Eagles defense.

Haleigh Wilk and Macy Morris stop Waco Connally at the net. (PHOTO BY ROYCE WIGGIN)

Ladies make it 10-in-a-row!

Salado Lady Eagles won both of their district volleyball matches last week to extend their winning streak to 10 straight games. The girls beat Waco Connally in straight sets on Sept. 27 and Waco Robinson in four sets on Sept. 30.

The Lady Eagles beat Waco Connally in straight sets on the road Sept. 27 by scores of 25-11, 25-23 and 25-17.

Reese Rich had 8 kills to lead the girls at attacking. Livia Niu followed with 7 kills, Macy Morris and Haley Brown had 4 kills each and Haleigh Wilk had 3 kills.

Elsie Law led the girls in defending the net with 3 blocks, followed by Morris with 2 blocks, Rich and Niu, 1 block each.

Wilk led the girls with 4 aces, followed by Rich, 3, Sara Ellis and Niu, 2 each, Jordan Ferguson and Grace Clemons, 1 each.

Wilk led the team with 8 digs, followed by Rich, 7, Ellis, Niu and Katey Bartek, 3 each, Ferguson, 2 and Haley Brown, 1.

Wilk had 14 assists to lead the team, followed by Niu, 7, Rich, 2 and Ellis, 1.

The Salado Lady Eagles traveled to Robinson for an important district matchup Sept. 30 against an energetic Rockets group who were 2-0 in district play. It was Robinson that would draw first blood as Salado came out flat in the opening set, unable to get much going right. Robinson would take the first 25-17, but Salado would awaken quickly. The Lady Eagles jumped out to a 9-3 lead and kept the pressure on the Lady Rockets the whole way as Salado crushed their opponent 25-14 to tie the match up at one apiece. The third set would start and end similarly as Salado turned a 10-4 start into a 25-17 victory to go

up 2 sets to 1. Unwilling to throw in the towel, Robinson came out fighting in the fourth set and took it to 9-9 before Salado again stepped on the gas. The Lady Eagles rattled off 7 straight to push the score to 16-9 and eventually held an 18-10 lead. Robinson found one last effort to tighten the score to 21-18, but the Lady Eagles would close out comfortable 25-20 to take the match with a final match score of 3-1.

It was another diversified offensive approach for Salado as sophomore MB Macy Morris and senior S/RS Haleigh Wilk tied for a team high 11 kills apiece. Following closely were OH Reese Rich (9) and Livia Niu (8) with a season high 5 kills and 2 blocks from freshman MB Elsie Law. Junior DS/Util Grace Clemons was all over the floor collecting 14 digs and some outstanding hitter coverage. Junior DS Sara Ellis would be a steady serve-receive passer for the Lady Eagles ending the night with a 2.1 passer rating.

With the two wins last

week, Salado improves to 25-14 (4-0 District 23-4A). The Lady Eagles played on the road Oct. 4 against the Lady Hornets, who are 14-16 overall and 2-1 in district play. The match was played after presstime for this edition. They will host China Spring on Oct. 7 with under- varsity play beginning at 5 p.m.

JV RED AND WHITE

JV Red and JV White would also find themselves in the win column on Sept. 30. Coach Konarik's JV Red cruised comfortably to a pair of 25-18 wins. JV White found themselves in a thriller against a talented team from Robinson. After playing great, but dropping the first set 21-25, the Lady Eagles showed toughness and battled back in the second to win 25-23. Salado came out flat in the third falling behind early, but clawed all the way back to make it tight late. After fighting off a match point at 24-25, the Salado's JV White ultimately won 27-25 in an exciting finish.

Swimmers set records

Salado High School swimmer Ally Ihler set three school records and Hoak Rine set one school record at the Temple swim meet recently.

She won the 50-yard freestyle with a time of 29.04, setting a new SHS record. She placed second in the 100 yard backstroke with a time of 1:11.97, a new school record. She won the 100 yard individual medley with a time of 1:14.02, a new school record.

Hoak Rine won two of his three races and set a new school record. He won the 100 yard individual medley and set a new school record with a time of 1:13.82. He won the 100 yard freestyle with a time of 1:05.55. He was third in the 100 yard backstroke with a time of 1:18.14.

The swimmers will compete in the Belton Invitational on Oct. 8. They are coached by Tawnya Roupe.

The Lady Eagles will compete in the District 23-AAAA Meet on Oct. 10 at Waco Connally.

The girls are coached by Corey Baird.

Boys win varsity, JV XC at Connally

Salado High School cross country teams both won their divisions at the Waco Connally Cadet Invitational on Oct. 1.

In the varsity division, the boys had four in the top 10. Coulson Boyd led the Eagles with a first place finish and time of 17:35.6. Ryan Novotny followed in third place with a time of 18:08.5. Jake Rechtfertig was sixth place with a time of 18:43.4. Owen Pitcock placed eighth with a time of 19:02.5

Also running for the varsity boys were these: Brooks Dabney, 11th, 19:23.1; Mor-

gan Hauck, 12th, 19:23.3; Camden Aycok, 13th, 19:36.1 and Brody Delukie, 21st, 20:30.1.

All of the JV boys placed in the top 15 of their race as the team won the overall competition. Jade Fields placed first with a time of 20:53.1 Also running for the JV boys were Wesley Engleking, second, 21:22.6; Jonathan Brauchle, fourth, 21:35.6; Robert Joiner, fifth, 22:07.9; Evan Hardt, sixth, 22:11.2 and Chance Heck, 12th, 23:36.3.

Michael Goos coaches the boys cross country teams.

ASTRA collects books for BS&W McLane Children's Hospital

The Salado High School ASTRA Club collected 207 new books to take to Baylor Scott & White McLane Children's Hospital in September.

ASTRA is an international community service organization for youth and young adults sponsored and supported by local Altrusa Clubs.

ASTRA is an acronym for:

- Ability to know that all of us have special talents to share with others
- Service to improve the lives of those less fortunate

in the community

- Training to develop leadership ability and potential

- Responsibility to learn to accept obligations and know the satisfaction of carrying projects through to a successful conclusion

- Achievement to experience success; to know that a group can accomplish so much more than any one individual

The ASTRA motto is "Growing in Service"
